JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SIXTY-NINTH DAY, TUESDAY, MAY 8, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

He that doeth the will of God abideth forever. (John 2:17)

God of Grace and God of Glory, pour Your power upon us as we wait upon You in prayer on this beautiful May morning. In days of darkness we have no light but Yours, in times of trouble no refuge but in You, in periods of perplexity no strength but the strength You bestow upon the believing heart. To You do we commit ourselves and our state praying that in weakness we may be made strong, restless may we find rest in You, and when confused may we be aware of Your presence.

Grant us the courage to walk in the way of Your commandments, the confidence to do Your will and the consciousness that You are with us every moment of every day. So may we live as we pray and as we pray so may we live.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Matthew Maas.

The Journal of the sixty-eighth day was approved as printed.

(e) Are programs that serve a high concentration of low-income families.

3. No less than ten percent of moneys deposited in the early childhood development, education and care fund shall be appropriated to the department of social services to provide early childhood development, education and care programs through child development, education and care certificates to families whose income does not exceed one hundred eighty-five percent of the federal poverty level in the manner pursuant to 42 U.S.C. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2010, shall be invalid and void.

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 591, Page 23, Section 287.745, Line 14, by inserting after said line the following:

"301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. 32.383. 1. Notwithstanding the provisions of any other law to the contrary, with respect to taxes administered by the department of revenue and imposed in this chapter and chapters 143, 144, and 147, an amnesty from the assessment or payment of all penalties, additions to tax, and interest shall apply with respect to unpaid taxes or taxes due and owing reported and paid in full from August 1, 2012, to October 31, 2012, regardless of whether previously assessed, except for penalties, additions to tax, and interest paid before August 1, 2012. The amnesty shall apply only to state tax liabilities due or due but unpaid on or before December 31, 2011, and shall not extend to any taxpayer who at the time of payment is a party to any criminal investigations or to any civil or criminal litigation that is pending in any court of the United States or this state for nonpayment, delinquency, or fraud in relation to any state tax imposed by this state.

If any such taxpayer fails to comply with all of this state's tax laws at any time during the eight years following the date of the agreement, all penalties, additions to tax, and interest that were waived under the amnesty agreement shall become due and owing immediately.

5. If a taxpayer elects to participate in the amnesty program established in this section as evidenced by full payment of the tax due as established by the director of revenue, that election shall constitute an express and absolute relinquishment of all administrative and judicial rights of appeal. No tax payment received under this section shall be eligible for refund or credit.

6. Nothing in this section shall be interpreted to disallow the department of revenue to adjust a taxpayer's tax return as a result of any state or federal audit.

7. All tax payments received as a result of the amnesty program established in this section, other than revenues earmarked by the Constitution of Missouri or this state's statutes, shall be deposited in the state general revenue fund. The department must track all payments received and submit a report, no later than December 31, 2012, to the speaker of the house of representatives and the president pro tem in the senate.

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2012, shall be invalid and void.

Any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by the attorney general; provided, that in the case of any claim against the department of conservation, the department of transportation or a public institution which awards baccalaureate degrees, or any officer or employee of such department or such institution, any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by legal counsel provided by the respective entity against which the claim is made or which employs the person against whom the claim is made.

In the case of any payment from the state legal expense fund based upon a claim or judgment against the department of conservation, the department of transportation or any officer or employee thereof, the department so affected shall immediately transfer to the state legal expense fund from the department funds a sum equal to the amount expended from the state legal expense fund on its behalf.

2. All persons and entities protected by the state legal expense fund shall cooperate with the attorneys conducting any investigation and preparing any defense under the provisions of sections 105.711 to 105.726 by assisting such attorneys in all respects, including the making of settlements, the securing and giving of evidence, and the attending and obtaining witness to attend hearings and trials. Funds in the state legal expense fund shall not be used to pay claims and judgments against those persons and entities who do not cooperate as required by this subsection.

3. The provisions of sections 105.711 to 105.726 notwithstanding, the attorney general may investigate, defend, negotiate, or compromise any claim covered by sections 105.711 to 105.726 against any public institution which awards baccalaureate degrees whose governing body has declared a state of financial exigency.

4. Notwithstanding the provisions of subsection 2 of section 105.711, funds in the state legal expense fund may be expended prior to the payment of any claim or any final judgment to pay costs of defense, including reasonable attorney's fees for retention of legal counsel, when the attorney general determines that a conflict exists or particular expertise is required, and also to pay for related legal expenses including medical examination fees, expert witness fees, court reporter expenses, travel costs and ancillary legal expenses incurred prior to the payment of a claim or any final judgment.

5. Notwithstanding any other provision of law to the contrary, except for payments of less than ten thousand dollars for property damage, no funds shall be expended from the state legal expense fund for settlement of any liability claim except upon the production of a no tax due statement from the department of revenue by the party making claim or having judgment under section 105.711, which shall be satisfied from such fund. If the party is found by the director of revenue to owe a delinquent tax debt to the state of Missouri under the revenue laws of this state, after the payment of attorney's fees and expenses associated with liability of the fund to the party, any remaining funds to be paid to the party from the state legal expense fund shall be offset to satisfy such tax debt before payment is made to the party making claim or having judgment."; and

Further amend said bill, Page 18, Section 137.115, Line 173, by inserting after all of said section, the following:

2. If any tax, penalty or interest has been paid more than once, or has been erroneously or illegally collected, or has been erroneously or illegally computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance, with interest as determined by section 32.065, shall be refunded to the person legally obligated to remit the tax, but no such credit or refund shall be allowed unless duplicate copies of a claim for refund are filed within three years from date of overpayment. **If a taxpayer applying for a refund under the provisions of this section submits a written request for the director to hold a refund claim unprocessed pending the outcome of legal proceedings on the same or similar grounds or transactions, and agrees that the taxpayer's claim will be bound by the outcome of such legal proceeding should the outcome of such proceeding be adverse to the taxpayer's position, the director shall hold such refund claim unprocessed pending the outcome of such legal proceedings on the same or similar grounds or transactions. Notwithstanding any provision of section 32.069 to the contrary, interest shall not accrue on any refund for the time period such refund claim is held at the request of the taxpayer applying for a refund under the provisions of this subsection. If the seller did not file a return with the director for the period for which the refund is claimed and remit payment as shown on the return, the director shall not issue the refund to the purchaser.**

3. Every claim for refund must be in writing and signed by the applicant, and must state the specific grounds upon which the claim is founded. Any refund or any portion thereof which is erroneously made, and any credit or any portion thereof which is erroneously allowed, may be recovered in any action brought by the director of revenue against the person legally obligated to remit the tax. In the event that a tax has been illegally imposed against a person legally obligated to remit the tax, the director of revenue shall authorize the cancellation of the tax upon the director's record.

4. **Notwithstanding the provisions of section 32.057, a purchaser that originally paid sales or use tax to a vendor or seller may submit a refund claim directly to the director of revenue for such sales or use taxes paid to such vendor or seller and remitted to the director, provided no sum shall be refunded more than once, any such claim shall be subject to any offset, defense, or other claim the director otherwise would have against either the purchaser or vendor or seller, and such claim for refund is accompanied by either:**

(1) A notarized assignment of rights statement by the vendor or seller to the purchaser allowing the purchaser to seek the refund on behalf of the vendor or seller. An assignment of rights statement shall contain the Missouri sales or use tax registration number of the vendor or seller, a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller, and a notarized statement signed by the vendor or seller affirming that the vendor or seller has not received a refund or credit, will not apply for a refund or credit of the tax collected on any transactions covered by the assignment, and authorizes the director to amend the seller's return to reflect the refund; or

(2) In the event the vendor or seller fails or refuses to provide an assignment of rights statement within sixty days from the date of such purchaser's written request to the vendor or seller, or the purchaser is not able to locate the vendor or seller or the vendor or seller is no longer in business, the purchaser may provide the director a notarized statement confirming the efforts that have been made to obtain an assignment of rights from the vendor or seller. Such statement shall contain a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller.

The director shall not require such vendor, seller, or purchaser to submit amended returns for refund claims submitted under the provisions of this subsection. Notwithstanding the provisions of section 32.057, if the seller is registered with the director for collection and remittance of sales tax, the director shall notify the seller at the seller's last known address of the claim for refund. If the seller objects to the refund within thirty days of the date of the notice, the director shall not pay the refund. If the seller agrees that the refund is warranted or fails to respond within thirty days, the director may issue the refund and amend the seller's return to reflect the refund. For purposes of section 32.069, the refund claim shall not be considered to have been filed until the seller agrees that the refund is warranted or thirty days after the date the director notified the seller and the seller failed to respond.

5. Notwithstanding the provisions of section 32.057, when a vendor files a refund claim on behalf of a purchaser and such refund claim is denied by the director, notice of such denial and the reason for the denial shall

be sent by the director to the vendor and each purchaser whose name and address is submitted with the refund claim form filed by the vendor. A purchaser shall be entitled to appeal the denial of the refund claim within sixty days of the date such notice of denial is mailed by the director as provided in section 144.261. The provisions of this subsection shall apply to all refund claims filed after August 28, 2012. The provisions of this subsection allowing a purchaser to appeal the director's decision to deny a refund claim shall also apply to any refund claim denied by the director on or after January 1, 2007, if an appeal of the denial of the refund claim is filed by the purchaser no later than September 28, 2012, and if such claim is based solely on the issue of the exemption of the electronic transmission or delivery of computer software.

6. Notwithstanding the provisions of this section, the director of revenue shall authorize direct-pay agreements to purchasers which have annual purchases in excess of seven hundred fifty thousand dollars pursuant to rules and regulations adopted by the director of revenue. For the purposes of such direct-pay agreements, the taxes authorized pursuant to chapters 66, 67, 70, 92, 94, 162, 190, 238, 321, and 644 shall be remitted based upon the location of the place of business of the purchaser.

(1) For purposes of this subsection, the terms "customer", "home service provider", "place of primary use", "electronic database", and "enhanced zip code" shall have the same meanings as defined in the Mobile Telecommunications Sourcing Act incorporated by reference in section 144.013;

(2) Notwithstanding the provisions of this section, if a customer of mobile telecommunications services believes that the amount of tax, the assignment of place of primary use or the taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider, in writing, within three years from the date of the billing statement. The customer shall include in such written notification the street address for the customer's place of primary use, the account name and number for which the customer seeks a correction of the tax assignment, a description of the error asserted by the customer and any other information the home service provider reasonably requires to process the request;

(3) Within sixty days of receiving the customer's notice, the home service provider shall review its records and the electronic database or enhanced zip code to determine the customer's correct taxing jurisdiction. If the home service provider determines that the review shows that the amount of tax, assignment of place of primary use or taxing jurisdiction is in error, the home service provider shall correct the error and, at its election, either refund or credit the amount of tax erroneously collected to the customer for a period of up to three years from the last day of the home service provider's sixty-day review period. If the home service provider determines that the review shows that the amount of tax, the assignment of place of primary use or the taxing jurisdiction is correct, the home service provider shall provide a written explanation of its determination to the customer.

[6.**]** **8.** For all refund claims submitted to the department of revenue on or after September 1, 2003, notwithstanding any provision of this section to the contrary, if a person legally obligated to remit the tax levied pursuant to sections 144.010 to 144.525 has received a refund of such taxes for a specific issue and submits a subsequent claim for refund of such taxes on the same issue for a tax period beginning on or after the date the original refund check issued to such person, no refund shall be allowed. This subsection shall not apply and a refund shall be allowed if an additional refund claim is filed due to any of the following:

(1) Receipt of additional information or an exemption certificate from the purchaser of the item at issue;

(2) A decision of a court of competent jurisdiction or the administrative hearing commission; or

(3) Changes in regulations or policy by the department of revenue.

[7.**]** **9.** Notwithstanding any provision of law to the contrary, the director of revenue shall respond to a request for a binding letter ruling filed in accordance with section 536.021 within sixty days of receipt of such request. If the director of revenue fails to respond to such letter ruling request within sixty days of receipt by the director, the director of revenue shall be barred from pursuing collection of any assessment of sales or use tax with respect to the issue which is the subject of the letter ruling request. For purposes of this subsection, the term "letter ruling" means a written interpretation of law by the director to a specific set of facts provided by a specific taxpayer or his or her agent.

[8.**]** **10.** If any tax was paid more than once, was incorrectly collected, or was incorrectly computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.510, against any deficiency or tax due discovered through an audit of the person by the department of revenue through adjustment during the same tax filing period for which the audit applied."; and

On motion of Representative Diehl, **House Amendment No. 4** was adopted.

Representative Jones (117) offered **House Amendment No. 5**.

House Amendment No. 5

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 591, Page 2, Section 32.087, Lines 25 and 26, by deleting all of said lines from the substitute and inserting in lieu thereof:

"**and outboard motors if they are required to be registered with the department of revenue.** The rate of the tax"; and

Further amend said substitute, Page 18, Section 137.115, Line 173, by inserting immediately after said section the following:

"**144.069. All sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the address of the owner thereof on the date of registration with the department of revenue, and all leases of over sixty-day duration of motor vehicles, trailers, boats and outboard motors subject to sales taxes under this chapter shall be deemed to be consummated unless the vehicle, trailer, boat or motor has been registered and sales taxes have been paid prior to the consummation of the lease agreement at the address of the lessee thereof on the date the lease is consummated, and all applicable sales taxes levied by any political subdivision shall be collected on such sales by the department of revenue on that basis and such sales whether within the boundaries of the state or outside the boundaries of the state shall be deemed consummated at the address of the owner thereof.**

144.072. In repealing sections 32.087, 144.010, 144.069, and 144.757, an enacting five new sections in lieu thereof, it is the intent of the legislature to reject and abrogate that portion of the holding in *Craig A. Street v. Director of Revenue*, Mo. SC91371 (Mo. banc Jan. 31, 2012), interpreting local sales taxes to be inapplicable to out-of-state purchases of motor vehicles, trailers, boats and outboard motors. The legislature hereby declares its reasonable expectations and intent in enacting the taxing statutes for motor vehicles, trailers, boats and outboard motors sales is and has been that all such sales, regardless of the location of the seller, are deemed to

be consummated and take place when the motor vehicles, trailers, boats and outboard motors is registered with the department of revenue, and restores, retroactively and prospectively, the application of Missouri's local sales tax law so that local sales taxes shall continue to be imposed and collected on the sale of all motor vehicles, trailers, boats and outboard motors, regardless of where the motor vehicles, trailers, boats and outboard motors was purchased, upon registration with the department of revenue. This act is remedial and retroactive, and applies to all transactions involving motor vehicles, trailers, boats and outboard motors to the maximum extent permissible by law, but shall not apply to any taxpayer having received a final adjudication of non-taxibility if such application would violate the state constitution."; and

Further amend said substitute, Page 18, Section 144.757, Lines 19-22, by deleting all of said lines from the substitute and inserting in lieu thereof the following:

"**state, unless such purchases are not deemed to be consummated at the residence of the purchaser under subdivision (2) of subsection 12 of section 32.087 and therefore subject to the local sales taxes levied by the appropriate political subdivisions under subsection 5 of section 32.087.**"; and

Further amend said substitute, Page 40, Section 643.079, Line 102, by inserting immediately after said line the following:

"**Section 1. The provisions of sections 32.087, 144.010, 144.069, and 144.757, RSMo, are so essentially and inseparably connected with, and so dependent upon, each other that no such provision would be enacted without all others. If a court of competent jurisdiction enters a final judgment of the merits that is not subject to appeal and that declares any provision or part of said sections unconstitutional or unenforceable, then sections 32.087, 144.010, 144.069, and 144.757, RSMo in their entirity are invalid and shall have no legal effect as of the date of such judgment. In such event, all affected parties shall have the same rights as existed before the enactment of said sections, but shall not be entitled to reimbursement, or required to pay reimbursement, for any sums paid in the good faith belief in the validity and constitutionality of this bill.**"; and

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTIETH DAY, WEDNESDAY, MAY 9, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Lord, who shall abide in Thy tabernacle? Who shall dwell on Thy holy hill? He that walketh uprightly and worketh righteousness, and speaketh the truth in his heart. (Psalm 15:1-2)

O God, Who is never far from any one of us, for in You we live and move and have our being, help us to be aware of Your presence, to walk in the way of our faith and to receive Your love which daily is offered to us. Give to us such a regard for truth, such a desire for guidance, and such a readiness to love that we may go beyond all doubt and discouragement and center our minds on You for You will keep us in perfect peace whose minds are stayed on You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Thomas Beckwith, Reagan Inman, John Pope, Maxine Pope, Maddy Stewart and Jake Stewart.

The Journal of the sixty-ninth day was approved as printed.

Any person charged with a bailable offense, at his or her appearance before an associate circuit judge or judge may be ordered released pending trial, appeal, or other stage of the proceedings against him on his personal recognizance, unless the associate circuit judge or judge determines, in the exercise of his discretion, that such a release will not reasonably assure the appearance of the person as required. When such a determination is made, the associate circuit judge or judge may either in lieu of or in addition to the above methods of release, impose any or any combination of the following conditions of release which will reasonably assure the appearance of the person for trial:

(1) Place the person in the custody of a designated person or organization agreeing to supervise him;

(3) Require the execution of a bail bond with sufficient solvent sureties, or the deposit of cash in lieu thereof **by a defendant or a third party; however, under article I, section 20 of the Missouri Constitution, the court shall accept in lieu of a cash only bond a guarantee from any surety who is in compliance with general laws regulating such profession**;

(5) **[**Require the execution of a bond in a given sum and the deposit in the registry of the court of ten percent, or such lesser percent as the judge directs, of the sum in cash or negotiable bonds of the United States or of the state of Missouri or any political subdivision thereof;

(6)**]** Place the person on house arrest with electronic monitoring, except that all costs associated with the electronic monitoring shall be charged to the person on house arrest. If the judge finds the person unable to afford the costs associated with electronic monitoring, then the judge shall not order that the person be placed on house arrest with electronic monitoring;

[(7)**] (6)** Impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody after specified hours.

2. In determining which conditions of release will reasonably assure appearance, the associate circuit judge or judge shall, on the basis of available information, take into account the nature and circumstances of the offense charged, the weight of the evidence against the accused, the accused's family ties, employment, financial resources, character and mental condition, the length of his residence in the community, his record of convictions, and his record of appearance at court proceedings or flight to avoid prosecution or failure to appear at court proceedings.

3. An associate circuit judge or judge authorizing the release of a person under this section shall issue an appropriate order containing a statement of the conditions imposed, if any, shall inform such person of the penalties applicable to violations of the conditions of his release and shall advise him that a warrant for his arrest will be issued immediately upon any such violation.

4. A person for whom conditions of release are imposed and who after twenty-four hours from the time of the release hearing continues to be detained as a result of his inability to meet the conditions of release, shall, upon application, be entitled to have the condition reviewed by the associate circuit judge or judge who imposed them. The motion shall be determined promptly.

5. An associate circuit judge or judge ordering the release of a person on any condition specified in this section may at any time amend his order to impose additional or different conditions of release; except that, if the imposition of such additional or different conditions results in the detention of the person as a result of his inability to meet such conditions or in the release of the person on a condition requiring him to return to custody after specified hours, the provisions of subsection 4 **of this section** shall apply.

6. Information stated in, or offered in connection with, any order entered pursuant to this section need not conform to the rules pertaining to the admissibility of evidence in a court of law.

9. A circuit court may adopt a local rule authorizing the pretrial release on electronic monitoring pursuant to subdivision (6) of subsection 1 of this section in lieu of incarceration of individuals charged with offenses specifically identified therein."; and

7. All proceedings under this section shall be governed under the Missouri supreme court rules of civil procedure.

8. The prosecuting attorney in the circuit court in which the petition is filed shall be given notice, by the person seeking removal, of the petition and an opportunity to present evidence in opposition to the facts alleged in the petition. Failure of the person seeking removal or exemption from the registry to notify the prosecuting attorney of the petition shall result in an automatic denial of such person's petition.

9. The prosecuting attorney in the circuit court in which the petition is filed shall have access to all applicable records concerning the petitioner, including but not limited to criminal history records under section 43.530, mental health records, juvenile records, and records of the department of corrections and/or probation and parole.

11. Except as otherwise provided under subsection 12 of this section, the court shall enter an order directing the removal of the petitioner's name and information from the sexual offender registry and from any corresponding state or local law enforcement registry or website unless it finds that the petitioner in this state or any other state, territory, or the District of Columbia, or foreign country, or federal, tribal, or military jurisdiction:

13. In order to prove the facts required by subdivisions (1), (2), and (3) of subsection 11 of this section, the fingerprints filed in the case shall be examined by the Missouri state highway patrol and the Federal Bureau of Investigation.

14. Except as provided in subsection 14 of this section, if it is found that the petition is denied, a successive petition requesting such relief may be filed under this section one year after the date of such denial unless such denial is based on a subsequent conviction of a sex offense or failure to register, in which case no successive petition shall be filed.

15. If it is found that the petition is denied solely on the basis of the fact that the petitioner has pending charges and those charges are subsequently dismissed or the petitioner is subsequently acquitted of such pending charges, the petitioner may file a new petition under this section at any time after the dismissal or acquittal of such pending charges.

16. If the court finds that the petitioner is entitled to have his or her name and information removed from the sexual offender registry, the court shall enter judgment directing the respondents to remove the petitioner's name and information from all law enforcement sexual offender registries and public websites within three business days of receiving the judgment. A copy of the judgment shall be provided to the respondents named in the petition.

HCS SB 628, relating to judicial procedures, was taken up by Representative Kelly (24).

Representative Talboy offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 628, Page 38, Section 488.5375, Line 10, by inserting after all of said section and line, the following:

"491.075. 1. A statement made by a child under the age of fourteen**, or a vulnerable person,** relating to an offense under chapter 565, 566, 568 or 573, performed **[**with or on a child**]** by another, not otherwise admissible by statute or court rule, is admissible in evidence in criminal proceedings in the courts of this state as substantive evidence to prove the truth of the matter asserted if:

(1) The court finds, in a hearing conducted outside the presence of the jury that the time, content and circumstances of the statement provide sufficient indicia of reliability; and

(2) (a) The child **or vulnerable person** testifies at the proceedings; or

(b) The child **or vulnerable person** is unavailable as a witness; or

(c) The child **or vulnerable person** is otherwise physically available as a witness but the court finds that the significant emotional or psychological trauma which would result from testifying in the personal presence of the defendant makes the child **or vulnerable person** unavailable as a witness at the time of the criminal proceeding.

2. Notwithstanding subsection 1 of this section or any provision of law or rule of evidence requiring corroboration of statements, admissions or confessions of the defendant, and notwithstanding any prohibition of hearsay evidence, a statement by a child when under the age of fourteen**, or a vulnerable person,** who is alleged to be victim of an offense under chapter 565, 566, 568 or 573 is sufficient corroboration of a statement, admission or confession regardless of whether or not the child **or vulnerable person** is available to testify regarding the offense.

3. A statement may not be admitted under this section unless the prosecuting attorney makes known to the accused or the accused's counsel his or her intention to offer the statement and the particulars of the statement sufficiently in advance of the proceedings to provide the accused or the accused's counsel with a fair opportunity to prepare to meet the statement.

4. Nothing in this section shall be construed to limit the admissibility of statements, admissions or confessions otherwise admissible by law.

5. For the purposes of this section, "vulnerable person" shall mean a person who, as a result of an inadequately developed or impaired intelligence or a psychiatric disorder that materially affects ability to function, lacks the mental capacity to consent, or whose developmental level does not exceed that of an ordinary child of fourteen years of age."; and

Representative Higdon offered **House Amendment No. 3**.

Representative Davis offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for Senate Bill No. 628, Page 18, Section 452.402, Line 33, by inserting after all of said line the following:

"**452.413. 1. As used in this section, the following terms shall mean:**

(1) "Deploying parent", a parent of a child less than eighteen years of age whose parental rights have not been terminated by a court of competent jurisdiction or a guardian of a child less than eighteen years of age who is deployed or who has received written orders to deploy with the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof;

(2) "Deployment", military service in compliance with military orders received by a member of the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve

component thereof to report for combat operations, contingency operations, peacekeeping operations, temporary duty (TDY), a remote tour of duty, or other service for which the deploying parent is required to report unaccompanied by any family member. Military service includes a period during which a military parent remains subject to deployment orders and remains deployed on account of sickness, wounds, leave, or other lawful cause;

(3) "Military parent", the legal parent of a child less than eighteen years of age whose parental rights have not been terminated by a court of competent jurisdiction, and who is a service member of the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof;

(4) "Nondeploying parent", a parent or guardian not subject to military deployment.

2. If a military parent is required to be separated from a child due to deployment, a court shall not enter a final order modifying the terms establishing custody or visitation contained in an existing order until ninety days after the deployment ends.

3. In accordance with section 452.412, deployment or the potential for future deployment shall not be the sole factor supporting a change in circumstances or grounds sufficient to support a permanent modification of the custody or visitation terms established in an existing order.

4. (1) An existing order establishing the terms of custody or visitation in place at the time a military parent is deployed may be temporarily modified to make reasonable accommodation for the parties due to the deployment.

(2) A temporary modification order issued under this section shall provide that the deploying parent shall have custody of the child or reasonable visitation, whichever is applicable under the original order, during a period of leave granted to the deploying parent.

(3) Any court order modifying a previously ordered custody or visitation due to deployment shall specify that the deployment is the basis for the order and shall be entered by the court as a temporary order.

(4) Any such custody or visitation order shall further require the nondeploying parent to provide the court and the deploying parent with a thirty day advance written notice of any change of address and any change of telephone number. However, if a valid domestic violence court order from this or another jurisdiction is in effect that requires that the address or contact information of the parent who is not deployed be kept confidential, the notification shall be made to the court only, and a copy of the order shall be included in the notification.

(5) Upon motion of a deploying parent, upon reasonable advance notice and for good cause shown, the court shall hold an expedited hearing in any custody or visitation matters instituted under this section when the military duties of the deploying parent have a material effect on his or her ability or anticipated ability to appear in person at a regularly scheduled hearing.

5. (1) A temporary modification of such an order automatically ends no later than thirty days after the return of the deploying parent and the original terms of the custody or visitation order in place at the time of deployment are automatically reinstated.

(2) Nothing in this section shall limit the power of the court to conduct an expedited or emergency hearing regarding custody or visitation upon return of the deploying parent, and the court shall do so within ten days of the filing of a motion alleging an immediate danger or irreparable harm to the child.

(3) The nondeploying parent shall bear the burden of showing that reentry of the custody or visitation order in effect before the deployment is no longer in the child's best interests. The court shall set any nonemergency motion by the nondeploying parent for hearing within thirty days of the filing of the motion and this shall take precedence on the court's docket.

6. (1) Upon motion of the deploying parent or upon motion of a family member of the deploying parent with his or her consent, the court may delegate his or her visitation rights, or a portion of such rights, to a family member with a close and substantial relationship to the minor child or children for the duration of the deployment if it is in the best interest of the child.

(2) Such delegated visitation time or access does not create an entitlement or standing to assert separate rights to parent time or access for any person other than a parent, and shall terminate by operation of law upon the end of the deployment, as set forth in this section.

(3) Such delegated visitation time shall not exceed the visitation time granted to the deploying parent under the existing order; except that, the court may take into consideration the travel time necessary to transport the child for such delegated visitation time.

(4) In addition, there is a rebuttable presumption that a deployed parent's visitation rights shall not be delegated to a family member who has a history of perpetrating domestic violence against a spouse, child, or a domestic living partner, or to a family member with an individual in the family member's household who has a history of perpetrating domestic violence against a spouse, child, or a domestic living partner.

(5) The person or persons to whom delegated visitation time has been granted shall have full legal standing to enforce such rights.

7. Upon motion of a deploying parent and upon reasonable advance notice and for good cause shown, the court shall permit such parent to present testimony and evidence by affidavit or electronic means in support, custody, and visitation matters instituted under this section when the military duties of such parent have a material effect on his or her ability to appear in person at a regularly scheduled hearing. Electronic means includes communication by telephone, video conference, or the internet.

8. Any order entered under this section shall require that the nondeploying parent shall:

(1) Make the child or children reasonably available to the deploying parent when the deploying parent has leave;

(2) Facilitate opportunities for telephonic and electronic mail contact between the deploying parent and the child or children during deployment; and

(3) Provide timely information regarding the deploying parent's leave schedule to the nondeploying parent.

9. (1) If there is no existing order establishing the terms of custody and visitation and it appears that deployment is imminent, upon the filing of initial pleadings and motion by either parent, the court shall expedite a temporary hearing to establish temporary custody or visitation to ensure the deploying parent has access to the child, to ensure disclosure of information, to grant other rights and duties set forth in this section, and to provide other appropriate relief.

(2) Any initial pleading filed to establish custody or visitation for a child of a deploying parent shall be so identified at the time of filing by stating in the text of the pleading the specific facts related to deployment.

10. (1) Since military necessity may preclude court adjudication before deployment, the parties shall cooperate with each other in an effort to reach a mutually agreeable resolution of custody, visitation, and child support. Each party shall provide information to each other in an effort to facilitate agreement on custody and visitation.

(2) A deploying parent shall provide a copy of his or her orders to the nondeploying parent promptly and without delay prior to deployment. Notification shall be made within ten days' of receipt of deployment orders. If less than ten days notice is received by the deploying parent, notice shall be given immediately upon receipt of military orders. If all or part of the orders are classified or restricted as to release, the deploying parent shall provide, under the terms of this subdivision, all such nonclassified or nonrestricted information to the nondeploying parent.

11. In an action brought under this chapter, whenever the court declines to grant or extend a stay of proceedings under the Servicemembers Civil Relief Act, 50 U.S.C. Appendix Sections 521-522, and decides to proceed in the absence of the deployed parent, the court shall appoint at the request of the deployed parent or on its own motion a guardian ad litem to represent the minor child's interests.

12. Service of process on a nondeploying parent whose whereabouts are unknown may be accomplished by certified mail, return receipt requested, to the nondeploying parent's last known address based on an affidavit of the deploying parent.

13. In determining whether a parent has failed to exercise visitation rights, the court shall not count any time periods during which the parent did not exercise visitation due to the material effect of such parent's military duties on visitation time.

14. Once an order for custody has been entered in Missouri, any absence of a child from this state during deployment shall be denominated a temporary absence for the purposes of application of the Uniform Child Custody Jurisdiction and Enforcement Act (UCCJEA). For the duration of the deployment, Missouri shall retain exclusive jurisdiction under the UCCJEA and deployment shall not be used as a basis to assert inconvenience of the forum under the UCCJEA.

15. In making determinations under this section, the court may award attorney's fees and costs based on the court's consideration of:

(1) The failure of either party to reasonably accommodate the other party in custody or visitation matters related to a military parent's service;

(2) Unreasonable delay caused by either party in resolving custody or visitation related to a military parent's service;

(3) Failure of either party to timely provide military orders, income, earnings, or payment information, housing or education information, or physical location of the child to the other party; and

(4) Other factors as the court may consider appropriate and as may be required by law."; and

Further amend said title, enacting clause and intersectional references accordingly.

The division shall promulgate rules regarding the structured decision-making protocols to be utilized for all child abuse and neglect reports.

3. Upon receipt of a report, the division shall determine if the report merits investigation, including reports which if true would constitute a suspected violation of any of the following: section 565.020, 565.021, 565.023, 565.024, or 565.050 if the victim is a child less than eighteen years of age, section 566.030 or 566.060 if the victim is a child less than eighteen years of age, or other crimes under chapter 566 if the victim is a child less than eighteen years of age and

the perpetrator is twenty-one years of age or older, section 567.050 if the victim is a child less than eighteen years of age, section 568.020, 568.030, 568.045, 568.050, 568.060, 568.080, or 568.090, section 573.025, 573.035, 573.037, or 573.040, or an attempt to commit any such crimes. The division shall immediately communicate all reports that merit investigation to its appropriate local office and any relevant information as may be contained in the information system. The local division staff shall determine, through the use of protocols developed by the division, whether an investigation or the family assessment and services approach should be used to respond to the allegation. The protocols developed by the division shall give priority to ensuring the well-being and safety of the child.

4. **When the child abuse and neglect hotline receives three or more calls, within a seventy-two hour period, from one or more individuals concerning the same child, the division shall conduct a review to determine whether the calls meet the criteria and statutory definition for a child abuse and neglect report to be accepted. In conducting the review, the division shall contact the hotline caller or callers in order to collect information to determine whether the calls meet the criteria for harassment.**

5. The local office shall contact the appropriate law enforcement agency immediately upon receipt of a report which division personnel determine merits an investigation and provide such agency with a detailed description of the report received. In such cases the local division office shall request the assistance of the local law enforcement agency in all aspects of the investigation of the complaint. The appropriate law enforcement agency shall either assist the division in the investigation or provide the division, within twenty-four hours, an explanation in writing detailing the reasons why it is unable to assist.

[5.**]** **6.** The local office of the division shall cause an investigation or family assessment and services approach to be initiated in accordance with the protocols established in subsection 2 of this section, except in cases where the sole basis for the report is educational neglect. If the report indicates that educational neglect is the only complaint and there is no suspicion of other neglect or abuse, the investigation shall be initiated within seventy-two hours of receipt of the report. If the report indicates the child is in danger of serious physical harm or threat to life, an investigation shall include direct observation of the subject child within twenty-four hours of the receipt of the report. Local law enforcement shall take all necessary steps to facilitate such direct observation. **Callers to the child abuse and neglect hotline shall be instructed by the division's hotline to call 911 in instances where the child may be in immediate danger.** If the parents of the child are not the alleged abusers, a parent of the child must be notified prior to the child being interviewed by the division. **No person responding to or investigating a child abuse and neglect report shall call prior to a home visit or leave any documentation of any attempted visit, such as business cards, pamphlets, or other similar identifying information if he or she has a reasonable basis to believe the following factors are present:**

(1) (a) No person is present in the home at the time of the home visit; and

(b) The alleged perpetrator resides in the home or the physical safety of the child may be compromised if the alleged perpetrator becomes aware of the attempted visit;

(2) The alleged perpetrator will be alerted regarding the attempted visit; or

(3) The family has a history of domestic violence or fleeing the community.

If the alleged perpetrator is present during a visit by the person responding to or investigating the report, such person shall provide written material to the alleged perpetrator informing him or her of his or her rights regarding such visit, including but not limited to the right to contact an attorney. The alleged perpetrator shall be given a reasonable amount of time to read such written material or have such material read to him or her by the case worker before the visit commences, but in no event shall such time exceed five minutes; except that, such requirement to provide written material and reasonable time to reach such material shall not apply in cases where the child faces an immediate threat or danger, or the person responding to investigating the report is or feels threatened or in danger of physical harm. If the abuse is alleged to have occurred in a school or child-care facility the division shall not meet with the child in any school building or child-care facility building where abuse of such child is alleged to have occurred. When the child is reported absent from the residence, the location and the well-being of the child shall be verified. For purposes of this subsection, child-care facility shall have the same meaning as such term is defined in section 210.201.

[6.**]** **7.** The director of the division shall name at least one chief investigator for each local division office, who shall direct the division response on any case involving a second or subsequent incident regarding the same subject child or perpetrator. The duties of a chief investigator shall include verification of direct observation of the subject child by the division and shall ensure information regarding the status of an investigation is provided to the public school district liaison. The public school district liaison shall develop protocol in conjunction with the chief investigator to ensure information regarding an investigation is shared with appropriate school personnel. The superintendent of each school district shall designate a specific person or persons to act as the public school district liaison. Should the subject child attend a nonpublic school the chief investigator shall notify the school principal of the investigation. Upon notification of an investigation, all information received by the public school district liaison or the school shall be subject to the

provisions of the federal Family Educational Rights and Privacy Act (FERPA), 20 U.S.C., Section 1232g, and federal rule 34 C.F.R., Part 99.

[7.**]** **8.** The investigation shall include but not be limited to the nature, extent, and cause of the abuse or neglect; the identity and age of the person responsible for the abuse or neglect; the names and conditions of other children in the home, if any; the home environment and the relationship of the subject child to the parents or other persons responsible for the child's care; any indication of incidents of physical violence against any other household or family member; and other pertinent data.

[8.**]** **9.** When a report has been made by a person required to report under section 210.115, the division shall contact the person who made such report within forty-eight hours of the receipt of the report in order to ensure that full information has been received and to obtain any additional information or medical records, or both, that may be pertinent.

[9.**]** **10.** Upon completion of the investigation, if the division suspects that the report was made maliciously or for the purpose of harassment, the division shall refer the report and any evidence of malice or harassment to the local prosecuting or circuit attorney.

[10.**]** **11.** Multidisciplinary teams shall be used whenever conducting the investigation as determined by the division in conjunction with local law enforcement. Multidisciplinary teams shall be used in providing protective or preventive social services, including the services of law enforcement, a liaison of the local public school, the juvenile officer, the juvenile court, and other agencies, both public and private.

[11.**]** **12.** For all family support team meetings involving an alleged victim of child abuse or neglect, the parents, legal counsel for the parents, foster parents, the legal guardian or custodian of the child, the guardian ad litem for the child, and the volunteer advocate for the child shall be provided notice and be permitted to attend all such meetings. Family members, other than alleged perpetrators, or other community informal or formal service providers that provide significant support to the child and other individuals may also be invited at the discretion of the parents of the child. In addition, the parents, the legal counsel for the parents, the legal guardian or custodian and the foster parents may request that other individuals, other than alleged perpetrators, be permitted to attend such team meetings. Once a person is provided notice of or attends such team meetings, the division or the convenor of the meeting shall provide such persons with notice of all such subsequent meetings involving the child. Families may determine whether individuals invited at their discretion shall continue to be invited.

[12.**]** **13.** If the appropriate local division personnel determine after an investigation has begun that completing an investigation is not appropriate, the division shall conduct a family assessment and services approach. The division shall provide written notification to local law enforcement prior to terminating any investigative process. The reason for the termination of the investigative process shall be documented in the record of the division and the written notification submitted to local law enforcement. Such notification shall not preclude nor prevent any investigation by law enforcement.

[13.**]** **14.** If the appropriate local division personnel determines to use a family assessment and services approach, the division shall:

(1) Assess any service needs of the family. The assessment of risk and service needs shall be based on information gathered from the family and other sources;

(2) Provide services which are voluntary and time-limited unless it is determined by the division based on the assessment of risk that there will be a high risk of abuse or neglect if the family refuses to accept the services. The division shall identify services for families where it is determined that the child is at high risk of future abuse or neglect. The division shall thoroughly document in the record its attempt to provide voluntary services and the reasons these services are important to reduce the risk of future abuse or neglect to the child. If the family continues to refuse voluntary services or the child needs to be protected, the division may commence an investigation;

(3) Commence an immediate investigation if at any time during the family assessment and services approach the division determines that an investigation, as delineated in sections 210.109 to 210.183, is required. The division staff who have conducted the assessment may remain involved in the provision of services to the child and family;

(4) Document at the time the case is closed, the outcome of the family assessment and services approach, any service provided and the removal of risk to the child, if it existed.

[14.**]** **15.** Within thirty days of an oral report of abuse or neglect, the local office shall update the information in the information system. The information system shall contain, at a minimum, the determination made by the division as a result of the investigation, identifying information on the subjects of the report, those responsible for the care of the subject child and other relevant dispositional information. The division shall complete all investigations within thirty days, unless good cause for the failure to complete the investigation is documented in the information system. If a child involved in a pending investigation dies, the investigation shall remain open until the division's investigation surrounding the death is completed. If the investigation is not completed within thirty days, the information system shall be updated at regular intervals and upon the completion of the investigation. The information in the information system shall be

updated to reflect any subsequent findings, including any changes to the findings based on an administrative or judicial hearing on the matter.

[15.**]** **16.** A person required to report under section 210.115 to the division and any person making a report of child abuse or neglect made to the division which is not made anonymously shall be informed by the division of his or her right to obtain information concerning the disposition of his or her report. Such person shall receive, from the local office, if requested, information on the general disposition of his or her report. Such person may receive, if requested, findings and information concerning the case. Such release of information shall be at the discretion of the director based upon a review of the reporter's ability to assist in protecting the child or the potential harm to the child or other children within the family. The local office shall respond to the request within forty-five days. The findings shall be made available to the reporter within five days of the outcome of the investigation. If the report is determined to be unsubstantiated, the reporter may request that the report be referred by the division to the office of child advocate for children's protection and services established in sections 37.700 to 37.730. Upon request by a reporter under this subsection, the division shall refer an unsubstantiated report of child abuse or neglect to the office of child advocate for children's protection and services.

[16.**]** **17.** The division shall provide to any individual who is not satisfied with the results of an investigation information about the office of child advocate and the services it may provide under sections 37.700 to 37.730.

[17.**]** **18.** In any judicial proceeding involving the custody of a child the fact that a report may have been made pursuant to sections 210.109 to 210.183 shall not be admissible. However:

(1) Nothing in this subsection shall prohibit the introduction of evidence from independent sources to support the allegations that may have caused a report to have been made; and

(2) The court may on its own motion, or shall if requested by a party to the proceeding, make an inquiry not on the record with the children's division to determine if such a report has been made. If a report has been made, the court may stay the custody proceeding until the children's division completes its investigation.

[18.**]** **19.** In any judicial proceeding involving the custody of a child where the court determines that the child is in need of services **[**pursuant to subdivision (d)**]** **under paragraph (d) of subdivision (1)** of subsection 1 of section 211.031 and has taken jurisdiction, the child's parent, guardian or custodian shall not be entered into the registry.

[19.**]** **20.** The children's division is hereby granted the authority to promulgate rules and regulations pursuant to the provisions of section 207.021 and chapter 536 to carry out the provisions of sections 210.109 to 210.183.

[20.**]** **21.** Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void."; and

Except as provided in subsection 2 of this section, a possessor of real property, including an owner, lessee, or other occupant, or an agent of such owner, lessee, or other occupant, owes no duty of care to a trespasser except to refrain from harming the trespasser by an intentional, willful, or wanton act. House Amendment No. 7

AMEND House Committee Substitute for Senate Bill No. 628, Page 5, Section 56.807, Line 60, by inserting after all of said section and line, the following:

"57.280. 1. Sheriffs shall receive a charge for service of any summons, writ or other order of court, in connection with any civil case, and making on the same either a return indicating service, a non est return or a nulla bona return, the sum of twenty dollars for each item to be served, except that a sheriff shall receive a charge for service of any subpoena, and making a return on the same, the sum of ten dollars; however, no such charge shall be collected in any proceeding when court costs are to be paid by the state, county or municipality. In addition to such charge, the sheriff shall be entitled to receive for each mile actually traveled in serving any summons, writ, subpoena or other order of court the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile, provided that such mileage shall not be charged for more than one subpoena or summons or other writ served in the same cause on the same trip. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to this section shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of said charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

2. The sheriff shall receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his agent or attorney. The party at whose application any writ, execution, subpoena or other process has issued from the court shall pay the sheriff's costs for the removal, transportation, storage, safekeeping and support of any property to be seized pursuant to legal process before such seizure. The sheriff shall be allowed for each mile, going and returning from the courthouse of the county in which he resides to the place where the court is held, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile. The provisions of this subsection shall not apply to garnishment proceeds.

3. The sheriff upon the receipt of the charge herein provided for shall pay into the treasury of the county any and all charges received pursuant to the provisions of this section**[**; however, in any county, any funds, not to exceed fifty thousand dollars in any calendar year, other than as a result of regular budget allocations or land sale proceeds, coming into the possession of the sheriff's office, such as from the sale of recovered evidence**]. The funds collected pursuant to this section, not to exceed fifty thousand dollars in any calendar year**, shall be held in a fund established by the county treasurer, which may be expended at the discretion of the sheriff for the furtherance of the sheriff's set duties. Any such funds in excess of fifty thousand dollars**[**, other than regular budget allocations or land sale proceeds,**] in any**

Moneys in the fund established pursuant to this subsection shall not lapse to the county general revenue fund at the end of any county budget or fiscal year.

4. Notwithstanding the provisions of subsection 3 of this section to the contrary, the sheriff shall receive ten dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of this section, in addition to the charge for such service that each sheriff receives under subsection 1 of this section. The money received by the sheriff under this subsection shall be paid into the county treasury and the county treasurer shall make such money payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278."; and

House Amendment No. 8

AMEND House Committee Substitute for Senate Bill No. 628, Page 3, Section 32.056, Line 19, by inserting after all of said line the following:

"50.1130. 1. **Notwithstanding the provisions of section 50.1150 to the contrary,** a death benefit of ten thousand dollars **and, in the case of an active member who dies after December 31, 2002, and before becoming vested, an amount equal to the amount of the member's accumulated contributions standing to his or her credit in the fund** shall be paid to the designated beneficiary of every active member upon his or her death or, if the member fails to designate a beneficiary, then to the member's surviving spouse or, if there is no spouse, then in equal shares to the member's surviving children. If there is neither a surviving spouse or surviving children, then the benefit shall be paid to the active member's estate.

2. If the member executes a beneficiary designation form and lists more than one beneficiary but fails to list the percentage of benefit that each beneficiary should receive, then the benefit shall be divided equally among the named beneficiaries.

50.1140. 1. Upon termination of employment, any member with less than eight years of creditable service shall forfeit all rights in the fund, including the member's accrued creditable service as of the date of the member's termination of employment, but may receive any refund of contributions to which the member is entitled pursuant to subsection 3 of this section **or subsection 1 of section 50.1130**.

2. A member who terminates employment with at least eight years of creditable service shall be entitled to an annuity from the fund, determined in accordance with the formula described in section 50.1060. The member may elect to defer the receipt of his or her annuity, until the member's attainment of age sixty-two, or the member may elect to begin receiving his or her annuity on the first day of any month following the later of the date of termination of employment or age fifty-five. If the member begins receiving an annuity before age sixty-two and termination of employment occurs on or after age fifty-five, the annuity shall be reduced by four-tenths of one percent for each month the commencement date of the annuity precedes age sixty-two, and an additional three-tenths of one percent for each month the commencement date of the annuity precedes age sixty.

3. In the event a member ceases to be a member other than by death before the date the member becomes vested in the system, the member shall be paid, upon his or her written application filed with the board, the member's accumulated contributions standing to his or her credit in the members' deposit fund.

4. A former member who has forfeited creditable service may have the creditable service restored by again becoming an employee, completing a total of eight years of uninterrupted creditable service, and purchasing the forfeited service by paying into the fund the forfeited amount previously refunded to the participant or credited to the participant's county plus interest equal to the current prime rate plus two percent."; and

Further amend said bill, Page 6, Section 67.2010, Line 16, by inserting after all of said line the following:

"104.603. 1. Effective with transfers of service between the Missouri department of transportation and highway patrol employees' retirement system and the Missouri state employees' retirement system that occur on or after September 1, 2011, upon a reciprocal transfer of creditable or credited service pursuant to section 104.602 or subsection 8 of section 104.1021, the sending system from which the service is transferred shall pay the receiving system to which the service is transferred the present value of the accrued benefit as determined pursuant to subsection 2 of this section.

2. For purposes of this section, the present value of the accrued benefit shall be determined using the actuarial assumptions of the sending system used in that system's last regular valuation assuming active member status and using the unit credit actuarial cost method. However, in no event shall the payment amount be less than the sum of the member's accumulated contributions and interest plus any purchased service payments from the member held on deposit by the sending system. If the member had received a refund of accumulated contributions from the sending system and forfeited service credit with that system, the member would need to reestablish that service with the sending system by again becoming an active member of a system covered by this chapter and satisfying requirements otherwise stipulated for reestablishing service credit. **However, in the event the member had previously transferred service from the receiving system to the sending system which was not subject to an asset transfer under this section, then that service will be excluded from the computation of the accrued benefit. In the event any prior payments by a sending system under this section included an amount for previously transferred service that was not subject to this section, the receiving system shall return to the sending system the present value amount attributable to such service, including interest as determined and agreed to by both systems.**

3. The service transfer shall not be deemed completed until the sending system makes payment to the receiving system as prescribed in this section. Payments shall be made within ninety days of the date that a completed transfer request is submitted by a member.

4. When the transfer payment includes an amount identified as corresponding to a member's accumulated contributions, the accumulated contributions portion shall be identified, and further, the accumulated contributions balance as of the preceding July first shall be identified and the receiving system shall be responsible for crediting interest according to the terms of the receiving plan.

5. The systems shall coordinate their plan administration for reciprocal transfers to give full effect to the transfer including the transfer and acceptance of corresponding division of benefit orders.

6. The member or survivor obtaining a reciprocal transfer of service covered by this section shall satisfy all requirements under section 104.602 or subsection 8 of section 104.1021 to obtain a transfer of credited or creditable service and shall satisfy the requirements under section 104.1091 with the receiving system to reestablish forfeited service previously accrued at either system."; and

The application shall specify the classification of certification, or licensure, for which application is being made.

2. Appropriate fees shall accompany all applications for examination, original certification or licensure, and renewal certification or licensure; provided that such fees shall be in amounts set by the commission in order to offset the cost and expense of administering sections 339.500 to 339.549, and in amounts to be determined by the commission with reference to the requirements of Section 1109 of the United States Public Law 101-73, as later codified and as may be amended. All fees collected pursuant to this subsection shall be collected by the commission and deposited with the

state treasurer into a fund to be known as the "Missouri Real Estate Appraisers **and Appraisal Management Company** Fund". The provisions of section 33.080 to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds two times the amount of the appropriation from the board's funds for the preceding fiscal year or, if the board requires by rule permit renewal less frequently than yearly, then three times the appropriation from the board's funds for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the board's funds for the preceding fiscal year. In any proceeding in which a remedy provided by subsection 1 or 2 of section 339.532 is imposed, the commission may also require the respondent licensee to pay the costs of the proceeding if the commission is a prevailing party or in settlement. The moneys shall be placed in the state treasury to the credit of the Missouri real estate appraisers fund.

3. At the time of filing an application for certification or licensure, each applicant shall sign a pledge to comply with the standards set forth in sections 339.500 to 339.549 and state that he or she understands the types of misconduct for which disciplinary proceedings may be initiated **[**against a state-certified real estate appraiser or a state-licensed real estate appraiser**]**.

339.515. 1. An original certification as a state-certified real estate appraiser may be issued to any person who meets the qualification requirements for certification and who has achieved a passing grade on a written examination which is consistent with and equivalent to the uniform state certification examination issued or endorsed by the appraiser qualifications board of the appraisal foundation and the commission.

2. An original license as a state-licensed real estate appraiser may be issued to any person who meets the qualification requirements for licensure and who has achieved a passing grade on a written examination which is consistent with and equivalent to the uniform state licensure examination issued or endorsed by the appraiser qualifications board of the appraisal foundation and the commission.

3. If an applicant**, other than an appraisal management company,** is not certified or licensed within two years after passing an examination given pursuant to the provisions of this section, he or she shall be required to retake the examination prior to certification or licensure.

4. An applicant**, other than an appraisal management company,** who has failed an examination taken pursuant to this section may apply for reexamination by submitting an application with the appropriate examination fee within ninety days after the date of having last taken and failed the examination.

339.517. 1. Any person who files with the commission an application for state licensure or certification as a real estate appraiser shall be required to pass an examination to demonstrate his or her competence. The commission shall, also, make such investigation as is required to verify such qualifications. If the results of the investigation are satisfactory to the commission and the applicant is otherwise qualified, then the commission shall issue to the applicant a license or certificate authorizing the applicant to act as a state-licensed real estate appraiser or a state-certified real estate appraiser in Missouri. If the results of the investigation are unsatisfactory, action on the application may be deferred pending a hearing before the real estate appraisal commission.

2. The commission shall promulgate and adopt regulations which prescribe and define the subjects related to real estate appraisal and the experience in real estate appraisal that will satisfy the qualification requirements for licensure or certification. The commission may approve courses of instruction in an accredited college or university relating to the appraisal of real estate and related disciplines including, but not limited to, economics, finance, statistics, principles of capitalization, real estate and such other areas deemed relevant by the commission. The commission may also approve similar courses of instruction offered by recognized professional appraisal organizations and real estate organizations and agencies of the state and federal government, and other qualified providers which may be approved by the commission. The commission may require by rule that some or all of an applicant's qualifying experience in real estate appraising be obtained on appraisals of real estate located in this state.

3. Each applicant for certification or licensure**, except for appraisal management companies,** shall furnish under oath a detailed statement of the real estate appraisal assignments or file memoranda for each year in which real estate appraisal experience is claimed by the applicant. Upon request, the applicant shall furnish to the commission a sample of appraisal reports or file memoranda which the applicant has prepared in the course of his or her appraisal practice.

4. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule

are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2003, shall be invalid and void.

339.525. 1. To obtain a renewal certificate or license, a state certified real estate appraiser or state licensed real estate appraiser shall make application and pay the prescribed fee to the commission not earlier than one hundred twenty days nor later than thirty days prior to the expiration date of the certificate or license then held. With the application for renewal, the state certified real estate appraiser or state licensed real estate appraiser shall present evidence in the form prescribed by the commission of having completed the continuing education requirements for renewal specified in section 339.530.

2. **[**If the commission determines that a state certified real estate appraiser or state licensed real estate appraiser has failed to meet the requirements for renewal of certification or licensure through mistake, misunderstanding, or circumstances beyond the appraiser's control, the commission may extend the term of the certificate or license for good cause shown for a period not to exceed six months, upon payment of a prescribed fee for the extension.

3.**]** If a person is otherwise eligible to renew the person's certification or license, the person may renew an expired certification or license within two years from the date of expiration. To renew such expired certification or license, the person shall submit an application for renewal, pay the renewal fee, pay a delinquent renewal fee as established by the commission, and present evidence in the form prescribed by the commission of having completed the continuing education requirements for renewal specified in section 339.530. Upon a finding of extenuating circumstances, the commission may waive the payment of the delinquent fee.

[4.**] 3.** If a person has failed to renew the person's license within two years of its expiration, the license shall be void.

[5.**] 4.** The commission is authorized to issue an inactive certificate or license to **[**any licensee**] a state-certified real estate appraiser or a state-licensed real estate appraiser** who makes written application for such on a form provided by the commission and remits the fee for an inactive certificate or license established by the commission. An inactive certificate or license may be issued only to a person who has previously been issued a certificate or license to practice as a real estate appraiser in this state, who is no longer regularly engaged in such practice, and who does not hold himself or herself out to the public as being professionally engaged in such practice in this state. Each inactive certificate or license shall be subject to all provisions of this chapter, except as otherwise specifically provided. Each inactive certificate or license may be renewed by the commission subject to all provisions of this section and all other provisions of this chapter. An inactive licensee may apply for a certificate or license to regularly engage in the practice of real estate appraising upon filing a written application on a form provided by the commission, submitting the reactivation fee established by the commission and submitting satisfactory proof of current competency as established by the commission.

5. To obtain a renewal license, an appraisal management company shall make application on a form prescribed by the commission and pay the prescribed fee.

6. To obtain a renewal license, a state-licensed appraiser trainee, state-certified residential appraiser trainee, or state-certified general appraiser trainee shall request an extension in writing at least thirty days prior to the expiration date as required by rule.

[3.**] 2.** Each state-certified real estate appraiser or state-licensed real estate appraiser shall place the certificate or license number adjacent to or immediately below the designation "Missouri State-certified (Residential/General) Real Estate Appraiser" or "Missouri State-licensed Real Estate Appraiser" when used in an appraisal report or in a contract or other instrument used by the holder of the certificate or license in conducting an appraisal assignment or specialized appraisal services. **A state-licensed real estate appraiser trainee, state-certified residential appraiser trainee, and state-certified general appraiser trainee shall place his or her license number adjacent to or immediately below the title "state-licensed appraiser trainee", "state-certified residential appraiser trainee", or "state-certified general appraiser trainee".**

Residential Appraiser Trainee", and "Missouri State-certified General Appraiser Trainee" may only be used to refer to individuals who hold a certificate or license and may not be used following or immediately in connection with the name or signature of a firm, partnership, corporation, or group or in such manner that it might be interpreted as referring to certification or licensure of the firm, partnership, corporation, group, or to certification or licensure of anyone other than an individual holder of the certificate or license.

5. **Except for licensed appraisal management companies,** a certificate or license shall be issued pursuant to sections 339.500 to 339.549 only to a natural person. 339.529. 1. 2. Whenever a state-certified real estate appraiser**, state-certified appraiser trainee, state-licensed appraiser trainee,** or state-licensed real estate appraiser changes the location of his or her place of business, he or she shall amend the certificate or license issued by the commission to reflect the change and shall give written notification of the change to the commission within thirty working days of the change.

3. Whenever a state-certified real estate appraiser or state-licensed real estate appraiser changes the location of his or her residence, he or she shall notify the commission of the new residence address within thirty working days of the change.

4. Each appraisal management company shall notify the commission within thirty days of a change in its controlling person, agent of record, ownership composition, or address.

339.532. 1. The commission may refuse to issue or renew any certificate or license issued pursuant to sections 339.500 to 339.549 for one or any combination of causes stated in subsection 2 of this section. The commission shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of the right to file a complaint with the administrative hearing commission as provided by chapter 621.

2. The commission may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any state-certified real estate appraiser, state-licensed real estate appraiser, **state-licensed appraiser trainee, state-certified residential appraiser trainee, state-certified general appraiser trainee, state-licensed appraisal management company that is a legal entity other than a natural person, any person who is a controlling person as defined in this chapter,** or any person who has failed to renew or has surrendered his or her certificate or license for any one or any combination of the following causes:

Upon a proper showing, the court may issue a permanent or temporary injunction, restraining order, or declaratory judgment.

2. The court may impose a civil penalty against the person**, business, corporation, or controlling person** not to exceed two thousand five hundred dollars for each violation and may grant any other relief the court determines is just and proper in the circumstances including, but not limited to, a temporary suspension of any license issued by the commission.

3. The commission may initiate an investigation and take all measures necessary to find the facts of any potential violation of this section, including issuing subpoenas to compel the attendance and testimony of witnesses and

the production of documents and other evidence. The commission may conduct joint investigations, enter into confidentiality agreements, and share information obtained relating to an investigation under this section with other governmental agencies.

4. The enforcement authority of the commission under this section is cumulative to any other statutory authority of the commission.

339.545. **1.** The commission shall take such action as is necessary to be able to issue general certificates, residential certificates and licenses to qualified persons.

2. The commission shall take action as is necessary to be able to issue licenses to qualified applicants seeking licensure as an appraisal management company.

339.549. 1. It is unlawful for any person**, business, corporation, or controlling person** not certified or licensed pursuant to sections 339.500 to 339.549 to perform any act for which certification or licensure is required. (2) Engaging in any practice or business authorized by a certificate or license issued pursuant to sections 339.500 to 339.549 upon a showing that the holder presents a substantial probability of serious danger to the health, safety or welfare of any resident of this state or client of the certificate holder or licensee.

2. Any such action shall be commenced in the county in which such conduct occurred or in the county in which the defendant resides.

3. Any actions brought pursuant to this section shall be in addition to and not in lieu of any penalty provided by sections 339.500 to 339.549 and may be brought concurrently with other actions to enforce the provisions of this chapter."; and

"50.1130. 1. **Notwithstanding the provisions of section 50.1150 to the contrary,** a death benefit of ten thousand dollars **and, in the case of an active member who dies after December 31, 2002, and before becoming vested, an amount equal to the amount of the member's accumulated contributions standing to his or her credit in the fund** shall be paid to the designated beneficiary of every active member upon his or her death or, if the member fails to designate a beneficiary, then to the member's surviving spouse or, if there is no spouse, then in equal shares to the member's surviving children. If there is neither a surviving spouse or surviving children, then the benefit shall be paid to the active member's estate.

2. If the member executes a beneficiary designation form and lists more than one beneficiary but fails to list the percentage of benefit that each beneficiary should receive, then the benefit shall be divided equally among the named beneficiaries.

50.1140. 1. Upon termination of employment, any member with less than eight years of creditable service shall forfeit all rights in the fund, including the member's accrued creditable service as of the date of the member's termination of employment, but may receive any refund of contributions to which the member is entitled pursuant to subsection 3 of this section **or subsection 1 of section 50.1130**.

2. A member who terminates employment with at least eight years of creditable service shall be entitled to an annuity from the fund, determined in accordance with the formula described in section 50.1060. The member may elect to defer the receipt of his or her annuity, until the member's attainment of age sixty-two, or the member may elect to begin receiving his or her annuity on the first day of any month following the later of the date of termination of employment or age fifty-five. If the member begins receiving an annuity before age sixty-two and termination of employment occurs on or after age fifty-five, the annuity shall be reduced by four-tenths of one percent for each month the commencement date of the annuity precedes age sixty-two, and an additional three-tenths of one percent for each month the commencement date of the annuity precedes age sixty.

3. In the event a member ceases to be a member other than by death before the date the member becomes vested in the system, the member shall be paid, upon his or her written application filed with the board, the member's accumulated contributions standing to his or her credit in the members' deposit fund.

4. A former member who has forfeited creditable service may have the creditable service restored by again becoming an employee, completing a total of eight years of uninterrupted creditable service, and purchasing the forfeited service by paying into the fund the forfeited amount previously refunded to the participant or credited to the participant's county plus interest equal to the current prime rate plus two percent.

104.603. 1. Effective with transfers of service between the Missouri department of transportation and highway patrol employees' retirement system and the Missouri state employees' retirement system that occur on or after September 1, 2011, upon a reciprocal transfer of creditable or credited service pursuant to section 104.602 or subsection 8 of section 104.1021, the sending system from which the service is transferred shall pay the receiving system to which the service is transferred the present value of the accrued benefit as determined pursuant to subsection 2 of this section.

2. For purposes of this section, the present value of the accrued benefit shall be determined using the actuarial assumptions of the sending system used in that system's last regular valuation assuming active member status and using the unit credit actuarial cost method. However, in no event shall the payment amount be less than the sum of the member's accumulated contributions and interest plus any purchased service payments from the member held on deposit by the sending system. If the member had received a refund of accumulated contributions from the sending system and forfeited service credit with that system, the member would need to reestablish that service with the sending system by again becoming an active member of a system covered by this chapter and satisfying requirements otherwise stipulated for reestablishing service credit. **However, in the event the member had previously transferred service from the receiving system to the sending system which was not subject to an asset transfer under this section, then that service will be excluded from the computation of the accrued benefit. In the event any prior payments by a sending system under this section included an amount for previously transferred service that was not subject to this section, the receiving system shall return to the sending system the present value amount attributable to such service, including interest as determined and agreed to by both systems.**

3. The service transfer shall not be deemed completed until the sending system makes payment to the receiving system as prescribed in this section. Payments shall be made within ninety days of the date that a completed transfer request is submitted by a member.

4. When the transfer payment includes an amount identified as corresponding to a member's accumulated contributions, the accumulated contributions portion shall be identified, and further, the accumulated contributions balance as of the preceding July first shall be identified and the receiving system shall be responsible for crediting interest according to the terms of the receiving plan.

5. The systems shall coordinate their plan administration for reciprocal transfers to give full effect to the transfer including the transfer and acceptance of corresponding division of benefit orders.

6. The member or survivor obtaining a reciprocal transfer of service covered by this section shall satisfy all requirements under section 104.602 or subsection 8 of section 104.1021 to obtain a transfer of credited or creditable service and shall satisfy the requirements under section 104.1091 with the receiving system to reestablish forfeited service previously accrued at either system."; and

2. Subject to the provisions of section 301.620, a lien or encumbrance on a motor vehicle or trailer is perfected by the delivery to the director of revenue of a notice of a lien in a format as prescribed by the director of revenue. The notice of lien is perfected as of the time of its creation if the delivery of such notice to the director of revenue is completed within thirty days thereafter, otherwise as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the motor vehicle or trailer and the secured party, a description of the motor vehicle or trailer, including the vehicle identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of such notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

3. Notwithstanding the provisions of section 301.620, on a refinance **by a different lender** of a **prior** loan secured by a motor vehicle or trailer a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

4. To perfect a subordinate lien, the notice of lien must be accompanied by the documents required to be delivered to the director pursuant to subdivision (3) of section 301.620.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" on the notice of lien and noted on the certificate of ownership if the motor vehicle or trailer is subject to only one notice of lien. To secure future advances when an existing lien on a motor vehicle or trailer does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows: proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. If a motor vehicle or trailer is subject to a lien or encumbrance when brought into this state, the validity and effect of the lien or encumbrance is determined by the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrance attached that the motor vehicle or trailer would be kept in this state and it was brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state is determined by the law of this state;

(2) If the lien or encumbrance was perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state three months after a first certificate of ownership of the motor vehicle or trailer is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period; in that case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection either as provided in subsection 2 or 4 of this section or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the form the director of revenue prescribes and the required fee.

7. By rules and regulations, the director of revenue shall establish a security procedure for the purpose of verifying that an electronic notice of lien or notice of satisfaction of a lien on a motor vehicle or trailer given as permitted in sections 301.600 to 301.640 is that of the lienholder, verifying that an electronic notice of confirmation of ownership and perfection of a lien given as required in section 301.610 is that of the director of revenue, and detecting error in the transmission or the content of any such notice. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself be a security procedure.

306.400. 1. As used in sections 306.400 to 306.440, the terms motorboat, vessel, and watercraft shall have the same meanings given them in section 306.010, and the term outboard motor shall include outboard motors governed by section 306.530.

2. Unless excepted by section 306.425, a lien or encumbrance on an outboard motor, motorboat, vessel, or watercraft shall not be valid against subsequent transferees or lienholders of the outboard motor, motorboat, vessel or watercraft, who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 306.400 to 306.430.

3. A lien or encumbrance on an outboard motor, motorboat, vessel or watercraft is perfected by the delivery to the director of revenue of a notice of lien in a format as prescribed by the director. Such lien or encumbrance shall be perfected as of the time of its creation if the delivery of the items required in this subsection to the director of revenue is completed within thirty days thereafter, otherwise such lien or encumbrance shall be perfected as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the outboard motor, motorboat, vessel or watercraft and the secured party, a description of the outboard motor, motorboat, vessel or watercraft motor, including any identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of each notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

4. Notwithstanding the provisions of section 306.410, on a refinance **by a different lender** of a **prior** loan secured by an outboard motor, motorboat, vessel or watercraft, a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" in the second lienholder's portion of the notice of lien. To secure future advances when an existing lien on an outboard motor, motorboat, vessel or watercraft does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows. Proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. Whether an outboard motor, motorboat, vessel, or watercraft is subject to a lien or encumbrance shall be determined by the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrances attached that the outboard motor, motorboat, vessel, or watercraft would be kept in this state and it is brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state shall be determined by the laws of this state;

(2) If the lien or encumbrance was perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, his or her lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by the jurisdiction, the lien or encumbrance continues perfected in this state for three months after the first certificate of title of the outboard motor, motorboat, vessel, or watercraft is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period, in which case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, it may be perfected in this state, in which case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection in the same manner as provided in subsection 3 of this section.

7. The director of revenue shall by rules and regulations establish a security procedure to verify that an electronic notice or lien or notice of satisfaction of a lien on an outboard motor, motorboat, vessel or watercraft given pursuant to sections 306.400 to 306.440 is that of the lienholder, to verify that an electronic notice of confirmation of ownership and perfection of a lien given pursuant to section 306.410 is that of the director of revenue and to detect error in the transmission or the content of any such notice. Such a security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself constitute a security procedure."; and

House Amendment No. 9

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 635, Page 7, Section 362.333, Line 13, by inserting after all of said line the following:

"408.052. 1. No lender shall charge, require or receive, on any residential real estate loan, any points or other fees of any nature whatsoever, excepting insurance, including insurance for involuntary unemployment coverage, and a one-percent origination fee, whether from the buyer or the seller or any other person, except that the lender may charge bona fide expenses paid by the lender to any other person or entity except to an officer, employee, or director of the lender or to any business in which any officer, employee or director of the lender owns any substantial interest for services actually performed in connection with a loan. In addition to the foregoing, if the loan is for the construction, repair, or improvement of residential real estate, the lender may charge a fee not to exceed one percent of the loan amount for inspection and disbursement of the proceeds of the loan to third parties. Notwithstanding the foregoing, the parties may contract for a default charge for any installment not paid in full within fifteen days of its scheduled due date. The restrictions of this section shall not apply:

(1) To any loan which is insured or covered by guarantee made by any department, board, bureau, commission, agency or establishment of the United States, pursuant to the authority of any act of Congress heretofore or hereafter adopted; and

(2) To any loan for which an offer or commitment or agreement to purchase has been received from and which is made with the intention of reselling such loan to the Federal Housing Administration, Farmers Home Administration, Federal National Mortgage Association, Government National Mortgage Association, Federal Home Loan Mortgage Corporation, or to any successor to the above-mentioned organizations, to any other state or federal governmental or quasi-governmental organization; **[**and**]**

(3) **To any mortgage broker making loans on manufactured or modular homes; and**

(4) Provided that the 1994 reenactment of this section shall not be construed to be action taken in accordance with Public Law 96-221, Section 501(b)(4). Any points or fees received in excess of those permitted under this section shall be returned to the person from whom received upon demand.

2. Notwithstanding the language in subsection 1 of this section, a lender may pay to an officer, employee or director of the lender, or to any business in which such person has an interest, bona fide fees for services actually and necessarily performed in good faith in connection with a residential real estate loan, provided:

(1) Such services are individually listed by amount and payee on the loan-closing documents; and

(2) Such lender may use the preemption of Public Law 96-221, Section 501 with respect to the residential real estate loan in question. When fees charged need not be disclosed in the annual percentage rate required by Title 15, U.S.C. Sections 1601, et seq., and regulations thereunder because such fees are de minimis amounts or for other reasons, such fees need not be included in the annual percentage rate for state examination purposes.

3. The lender may charge and collect bona fide fees for services actually and necessarily performed in good faith in connection with a residential real estate loan as provided in subsection 2 of this section; however, the lender's board of directors shall determine whether such bona fide fees shall be paid to the lender or businesses related to the lender in subsection 2 of this section, but may allow current contractual relationships to continue for up to two years.

4. If any points or fees are charged, required or received, which are in excess of those permitted by this section, or which are not returned upon demand when required by this section, then the person paying the same points or fees or his or her legal representative may recover twice the amount paid together with costs of the suit and reasonable attorney's fees, provided that the action is brought within five years of such payment.

5. Any lender who knowingly violates the provisions of this section is guilty of a class B misdemeanor.

443.812. 1. Only one license shall be issued to each person conducting the activities of a residential mortgage **loan** broker. A residential mortgage broker shall register with the director each office, place of business or location in Missouri where the residential mortgage loan broker conducts any part of the residential mortgage loan broker's business pursuant to section 443.839.

2. Residential mortgage loan brokers may only solicit, broker, fund, originate, serve and purchase residential mortgage loans in conformance with sections 443.701 to 443.893 and such rules as may be promulgated by the director.

4. Each residential mortgage loan broker shall report and file a listing with the director showing each mortgage loan originator licensed in Missouri and employed under the supervision of the residential mortgage loan broker. The listing shall show the name and unique identifier of each mortgage loan originator. The listing shall be updated with changes and filed no later than the next business day. The director may authorize a system of reporting that shows mortgage loan originators employed by Missouri residential mortgage loan brokers via the NMLSR in substitution for the report and filing requirement under this subsection.

5. The director may grant waivers of residential mortgage loan broker licensing requirements for persons engaged primarily in servicing residential mortgage loans where such waiver shall benefit borrowers including in particular the requirement to maintain a full-service office in Missouri.

6. (1) The provisions of this subsection shall only apply to any mortgage loan broker making loans on manufactured or modular homes.

(2) No residential mortgage loan broker licensed in this state shall be required to maintain a full-service office in Missouri; except that, nothing in this subsection shall be construed as relieving such broker of the requirements to be licensed in this state and obtain a certificate of authority from the secretary of state's office to transact business in this state.

(4) The director may assess the reasonable costs of any investigation incurred by the division which are outside the normal expense of any annual or special examination or any other costs incurred by the division as a result of a licensed residential mortgage loan broker not maintaining a full-service office in Missouri."; and

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTY-FIRST DAY, THURSDAY, MAY 10, 2012

The House met pursuant to adjournment.

Representative Diehl in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

He leadeth me in the paths of righteousness for His name's sake. (Psalm 23:3)

Eternal God, Whose love never lets us go, Whose patience never lets us down, and Whose justice never lets us off, hear us again as we offer unto You our morning prayer. We come out of a sense of need, out of a conviction that You are with us, and we would find our confidence and our courage in the support of Your sustaining strength.

We pray for light upon our way, love along our path, and speed amid the daily duties of our demanding day. Center our lives and the lives of our citizens around faith rather than fear, around justice rather than injustice, and around high principles rather than low prejudices. Strengthen us where we are weak, hold us firm when we would fall, steady us when we start to slip, and lift us up when down we go.

Remind us of the integrity which has strengthened our state, the freedom which is our rich heritage, and of our faith in You which has made and still makes Missouri great and strong. Lead us in the paths of righteousness.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Grace Talboy.

The Journal of the seventieth day was approved as printed.

HOUSE COURTESY RESOLUTIONS OFFERED AND ISSUED

Senate Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1402, Page 100, Section 301.580, Line 20 of said page, by inserting after all of said line the following:

"301.600. 1. Unless excepted by section 301.650, a lien or encumbrance on a motor vehicle or trailer, as defined by section 301.010, is not valid against subsequent transferees or lienholders of the motor vehicle or trailer who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 301.600 to 301.660.

2. Subject to the provisions of section 301.620, a lien or encumbrance on a motor vehicle or trailer is perfected by the delivery to the director of revenue of a notice of a lien in a format as prescribed by the director of revenue. The notice of lien is perfected as of the time of its creation if the delivery of such notice to the director of revenue is completed within thirty days thereafter, otherwise as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the motor vehicle or trailer and the secured party, a description of the motor vehicle or trailer, including the vehicle identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of such notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

3. Notwithstanding the provisions of section 301.620, on a refinance **by a different lender** of a **prior** loan secured by a motor vehicle or trailer a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

4. To perfect a subordinate lien, the notice of lien must be accompanied by the documents required to be delivered to the director pursuant to subdivision (3) of section 301.620.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" on the notice of lien and noted on the certificate of ownership if the motor vehicle or trailer is subject to only one notice of lien. To secure future advances when an existing lien on a motor vehicle or trailer does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows: proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. If a motor vehicle or trailer is subject to a lien or encumbrance when brought into this state, the validity and effect of the lien or encumbrance is determined by the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrance attached that the motor vehicle or trailer would be kept in this state and it was brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state is determined by the law of this state;

(2) If the lien or encumbrance was perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state three months after a first certificate of ownership of the motor vehicle or trailer is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period; in that case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection either as provided in subsection 2 or 4 of this section or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the form the director of revenue prescribes and the required fee.

7. By rules and regulations, the director of revenue shall establish a security procedure for the purpose of verifying that an electronic notice of lien or notice of satisfaction of a lien on a motor vehicle or trailer given as permitted in sections 301.600 to 301.640 is that of the lienholder, verifying that an electronic notice of confirmation of ownership and perfection of a lien given as required in section 301.610 is that of the director of revenue, and detecting error in the transmission or the content of any such notice. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself be a security procedure."; and

Further amend said bill, Page 153, Section 306.127, Line 10 of said page, by inserting after all of said line the following:

"306.400. 1. As used in sections 306.400 to 306.440, the terms motorboat, vessel, and watercraft shall have the same meanings given them in section 306.010, and the term outboard motor shall include outboard motors governed by section 306.530.

2. Unless excepted by section 306.425, a lien or encumbrance on an outboard motor, motorboat, vessel, or watercraft shall not be valid against subsequent transferees or lienholders of the outboard motor, motorboat, vessel or watercraft, who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 306.400 to 306.430.

3. A lien or encumbrance on an outboard motor, motorboat, vessel or watercraft is perfected by the delivery to the director of revenue of a notice of lien in a format as prescribed by the director. Such lien or encumbrance shall be perfected as of the time of its creation if the delivery of the items required in this subsection to the director of revenue is completed within thirty days thereafter, otherwise such lien or encumbrance shall be perfected as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the outboard motor, motorboat, vessel or watercraft and the secured party, a description of the outboard motor, motorboat, vessel or watercraft motor, including any identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of each notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

4. Notwithstanding the provisions of section 306.410, on a refinance **by a different lender** of a **prior** loan secured by an outboard motor, motorboat, vessel or watercraft, a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" in the second lienholder's portion of the notice of lien. To secure future advances when an existing lien on an outboard motor, motorboat, vessel or watercraft does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows. Proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. Whether an outboard motor, motorboat, vessel, or watercraft is subject to a lien or encumbrance shall be determined by the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrances attached that the outboard motor, motorboat, vessel, or watercraft would be kept in this state and it is brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state shall be determined by the laws of this state;

(2) If the lien or encumbrance was perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, his or her lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by the jurisdiction, the lien or encumbrance continues perfected in this state for three months after the first certificate of title of the outboard motor, motorboat, vessel, or watercraft is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period, in which case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, it may be perfected in this state, in which case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection in the same manner as provided in subsection 3 of this section.

7. The director of revenue shall by rules and regulations establish a security procedure to verify that an electronic notice or lien or notice of satisfaction of a lien on an outboard motor, motorboat, vessel or watercraft given pursuant to sections 306.400 to 306.440 is that of the lienholder, to verify that an electronic notice of confirmation of ownership and perfection of a lien given pursuant to section 306.410 is that of the director of revenue and to detect error in the transmission or the content of any such notice. Such a security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1402, Page 65, Section 301.069, Line 3, by inserting after all of said line the following:

"301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. Upon the sale of a motor vehicle or trailer by a dealer, a buyer who has made application for registration, by mail or otherwise, may operate the same for a period of thirty days after taking possession thereof, if during such period the motor vehicle or trailer shall have attached thereto, in the manner required by section 301.130, number plates issued to the dealer. Upon application and presentation of proof of financial responsibility as required under subsection 5 of this section and satisfactory evidence that the buyer has applied for registration, a dealer may furnish such number plates to the buyer for such temporary use. In such event, the dealer shall require the buyer to deposit the sum of ten dollars and fifty cents to be returned to the buyer upon return of the number plates as a guarantee that said buyer will return to the dealer such number plates within thirty days. The director shall issue a temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days of the date of purchase.

5. The temporary permit shall be made available by the director of revenue and may be purchased from the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer. The director shall make temporary permits available to registered dealers in this state or authorized agents of the department of revenue in sets of ten permits. The fee for the temporary permit shall be seven dollars and fifty cents for each permit or plate issued. No dealer or authorized agent shall charge more than seven dollars and fifty cents for each permit issued. The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor

vehicle or trailer by a dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility.

6. The permit shall be issued on a form prescribed by the director and issued only for the applicant's use in the operation of the motor vehicle or trailer purchased to enable the applicant to legally operate the vehicle while proper title and registration plate are being obtained, and shall be displayed on no other vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director shall determine the size and numbering configuration, construction, and color of the permit.

7. The dealer or authorized agent shall insert the date of issuance and expiration date, year, make, and manufacturer's number of vehicle on the permit when issued to the buyer. The dealer shall also insert such dealer's number on the permit. Every dealer that issues a temporary permit shall keep, for inspection of proper officers, a correct record of each permit issued by recording the permit or plate number, buyer's name and address, year, make, manufacturer's vehicle identification number on which the permit is to be used, and the date of issuance.

8. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

9. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 5 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 5 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

10. The director may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void."; and

Further amend the title and enacting clause accordingly.

2. Within ten days after the qualified voters have approved the imposition of the sales and use tax, the district shall, in accordance with section 32.087, notify the director of the department of revenue. 8. A district may by resolution repeal or lower the rate of any sales and use tax imposed pursuant to this section before the expiration date of such sales and use tax unless the repeal or lower rate of such sales and use tax will impair the district's ability to repay any liabilities the district has incurred, moneys the district has borrowed or obligation the district has issued to finance any improvements or services rendered for the district.

9. A district levying a real property tax pursuant to this section may repeal or amend such real property tax or lower the tax rate of such tax if such repeal, amendment or lower rate will not impair the district's ability

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTY-SECOND DAY, MONDAY, MAY 14, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Pastor Paul Meinsen.

O LORD our God, Your servant, Moses, led the congregation of Israel in singing "The LORD is my strength and song, and He has become my salvation; This is my God, and I will praise Him; My father's God, and I will extol Him. Who among the gods is like You, O LORD? Who is like You--majestic in holiness, awesome in glory, working wonders?" *(Exodus 15:2, 11)*

LORD, as we enter the last week of the legislative session I pray for each legislator, each staff person, each lobbyist and each guest in this chamber.

May each one of us, O LORD, recall two things: First of all, may we all remember Your command through the songwriter to "Delight yourself also in the LORD and He shall give you the desires of your heart" *(Psalm 37:4)*. We all seek true peace, true contentment, true love and true happiness. May we learn that these desires cannot be found in money, power, prestige, nature, knowledge, or in other people--but only in You. May we seek diligently after You.

Second, LORD, may we also pay heed to Your warning of calling what You have called "evil" as "good" and labeling what You have deemed "good" as "evil" *(Isaiah 5:20)*.

May this last week of session be characterized by humility, truth and righteousness.

May we fear You and You alone. Draw each one unto Yourself.

We call upon You in this prayer. Please answer and be glorified. For You are good, and Your love endures forever.

To the honor of Your name, O Lord, I pray in Your Son's name. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Caleigh Green and Meadow Green.

The Journal of the seventy-first day was approved as printed.

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 636, Page 16, Section 400.9-311, Line 25, by inserting after all of said section and line the following:

"441.060. 1. A tenancy at will or by sufferance, or for less than one year, may be terminated by the person entitled to the possession by giving one month's notice, in writing, to the person in possession, requiring the person in possession to vacate the premises.

2. An occupancy limitation of two persons per bedroom residing in a dwelling unit shall be presumed reasonable for this state. The two-person limitation shall not apply to a child or children born to the tenants during the course of the lease.

3. Except as otherwise provided by law, all contracts or agreements for the leasing, renting or occupation of stores, shops, houses, tenements or other buildings in cities, towns or villages, and of stores, shops, houses, tenements or other buildings except when such leasing, renting or occupation is as tenant of real estate used or rented for agricultural purposes, other than garden purposes, not made in writing, signed by the parties thereto, or their agents, shall be held and taken to be tenancies from month to month, and all such tenancies may be terminated by either party thereto, or the party's agent, giving to the other party, or the party's agent, one month's notice, in writing, of the party's intention to terminate such tenancy.

4. (1) Except as provided in subdivision (2), the landlord or the tenant may terminate a month-to-month tenancy by a written notice given to the other party stating that the tenancy shall terminate upon a periodic rent-paying date not less than one month after the receipt of the notice.

(2) When a person occupies and has an ownership interest in a mobile home and is leasing the land or the lot upon which the mobile home is located, a tenancy for less than one year may be terminated by the landlord by giving written notice to the tenant that the tenancy shall terminate not sooner than sixty days from the date the rent payment next becomes due, notwithstanding any written lease provision regarding earlier lease termination to the contrary.

5. If after the rendition of a judgment and a request for an execution on any judgment rendered in an action pursuant to chapter 524, chapter 534, chapter 535, or this chapter and there is no stay of execution, the service officer fails to deliver possession of the premises to the landlord within seven days of the delivery of the writ to such officer, the landlord may, within sixty days**, or fourteen days in cases involving residential property,** of the date of the judgment, in the presence of a municipal or county law enforcement officer of the jurisdiction in which the premises are located, without breach of the peace, break and remove locks, enter and take possession of the premises and remove any household goods, furnishings, fixtures or any other personal property left in or at the premises, provided the law enforcement officer is first presented a true copy of the judgment and order of execution, and the law enforcement officer acknowledges in writing such presentation, and such acknowledgment is filed in court by the plaintiff within five days following taking possession of the premises.

6. Except for negligent, willful or wanton acts or omissions of the landlord, or failure to both timely obtain and file the law enforcement officer acknowledgment described in the preceding subsection, the landlord shall have no liability for loss or damage to any household goods, furnishings, fixtures or any other personal property left in or at the dwelling unit, by reason of the landlord's removal of the property in accordance with the provisions of this section."; and

Further amend said bill, Section 523.010, Page 42, Line 63, by inserting after all of said section and line the following:

"**534.055. If an unauthorized pet is located on the tenant's property, the landlord may enter the tenant's property for purposes of removing such pet. As used in this section, "unauthorized pet" means a pet prohibited by the lease and any animal deemed aggressive.**

534.070. 1. When complaint to the circuit court of the proper county shall be made in writing, signed by the party aggrieved, his agent or attorney, and sworn to, specifying the lands, tenements or other possessions so forcibly entered and detained, or unlawfully detained, and by whom and when done, it shall be the duty of the clerk of the court to issue a summons directed to the sheriff or proper officer of the county, commanding him to summon the person against whom the complaint shall have been made to appear, at a day in such summons to be specified.

2. A court date shall be assigned at the time the summons is issued. The court date shall be for a day certain which is not more than **[**twenty-one**] fourteen** business days from the date the summons is issued unless, at the time the case is filed, the plaintiff or plaintiff's attorney consents in writing to a later date.

534.275. (1) If a tenant dies, the landlord may mail a notice to the last known address of the deceased tenant explaining that his or her property will be removed from the premises within ten days from the date of the certified mailing of the notice. If the property remains at such premises, the property is deemed abandoned and the landlord is not responsible for the property.

(2) The landlord may prorate any rent that has already been received if the deceased tenant's property is removed from the premises during a period for which rent has already been paid.

(3) If the landlord reaches an agreement with the next of kin to hold the property beyond the ten days as provided in this section, the landlord may charge the next of kin for reasonable and necessary charges associated with the storage of the deceased tenant's property.

535.020. **1.** Whenever any rent has become due and payable, and payment has been demanded by the landlord or the landlord's agent from the lessee or person occupying the premises, and payment thereof has not been made, the landlord or agent may file a statement, verified by affidavit, with any associate circuit judge in the county in which the property is situated, setting forth the terms on which such property was rented, and the amount of rent actually due to such landlord; that the rent has been demanded from the tenant, lessee or person occupying the premises, and that payment has not been made, and substantially describing the property rented or leased. Giving the notice provided in section 441.060 is not required prior to filing a statement or obtaining the relief provided in this chapter. In such case, the clerk of the court shall immediately issue a summons directed to such tenant or lessee and to all persons occupying the premises, by name, requiring them to appear before the judge upon a day to be therein named, and show cause why possession of the property should not be restored to the plaintiff. The landlord or agent may, in such an action for unpaid rent, join a claim for any other unpaid sums, other than property damages, regardless of how denominated or defined in the lease, to be paid by or on behalf of a tenant to a landlord for any purpose set forth in the lease; provided that such other sums shall not be considered rent for purposes of this chapter, and judgment for the landlord for recovery of such other sums shall not by itself entitle the landlord to an order for recovery of possession of the premises. The provisions of this section providing for the filing of a statement before an associate circuit judge shall not preclude adoption of a local circuit court rule providing for the centralized filing of such cases, nor the assignment of such cases to particular circuit or associate circuit judges pursuant to local circuit court rule or action by the presiding judge of the circuit. The case shall be heard and determined under the practice and procedure provided in the Missouri rules of civil procedure, except where otherwise provided by this chapter.

2. If a judgment has been entered in favor of the plaintiff under subsection 1 of this section for recovery of the premises, within ten days of such judgment, the sheriff of the county in which the premises is located shall inspect the premises for safety prior to removal of contents, if any.

535.030. 1. Such summons shall be served as in other civil cases at least four days before the court date in the summons. The summons shall include a court date which shall not be more than twenty-one business days from the date

the summons is issued unless at the time of filing the affidavit the plaintiff or plaintiff's attorney consents in writing to a later date.

2. In addition to attempted personal service, the plaintiff may request, and thereupon the clerk of the court shall make an order directing that the officer, or other person empowered to execute the summons, shall also serve the same by securely affixing a copy of such summons and the complaint in a conspicuous place on the dwelling of the premises in question at least ten days before the court date in such summons, and by also mailing a copy of the summons and complaint to the defendant at the defendant's last known address by ordinary mail at least ten days before the court date. If the officer, or other person empowered to execute the summons, shall return that the defendant is not found, or that the defendant has absconded or vacated his or her usual place of abode in this state, and if proof be made by affidavit of the posting and of the mailing of a copy of the summons and complaint, the judge shall at the request of the plaintiff proceed to hear the case as if there had been personal service, and judgment shall be rendered and proceedings had as in other cases, except that no money judgment shall be granted the plaintiff where the defendant is in default and service is by the posting and mailing procedure set forth in this section.

3. If the plaintiff does not request service of the original summons by posting and mailing as provided in subsection 2 of this section, and if the officer, or other person empowered to execute the summons, makes return that the defendant is not found, or that the defendant has absconded or vacated the defendant's usual place of abode in this state, the plaintiff may request the issuance of an alias summons and service of the same by posting and mailing in the time and manner provided in subsection 2 of this section. In addition, the plaintiff or an agent of the plaintiff who is at least eighteen years of age may serve the summons by posting and mailing a copy of the summons in the time and manner provided in subsection 2 of this section. Upon proof by affidavit of the posting and of the mailing of a copy of the summons or alias summons and the complaint, the judge shall proceed to hear the case as if there had been personal service, and judgment shall be rendered and proceedings had as in other cases, except that no money judgment shall be granted the plaintiff where the defendant is in default and service is by the posting and mailing procedure provided in subsection 2 of this section.

4. On the date judgment is rendered as provided in this section where the defendant is in default, the clerk of the court shall mail to the defendant at the defendant's last known address by ordinary mail a notice informing the defendant of the judgment and the date it was entered, and stating that the defendant has ten days from the date of the judgment to file a motion to set aside the judgment **[**or to file an application for a trial de novo in the circuit court, as the case may be,**]** and that unless the judgment is set aside **[**or an application for a trial de novo**]** is filed within ten days, the judgment will become final and the defendant will be subject to eviction from the premises without further notice.

535.035. Notwithstanding any provision of law to the contrary, in any landlord-tenant action, the summons may be served by either the sheriff or a private process server. The method of service shall be determined by the landlord.

535.040. 1. Upon the return of the summons executed, the judge shall set the case on the first available court date**, so long as such date is within thirty days,** and shall proceed to hear the cause, and if it shall appear that the rent which is due has been demanded of the tenant, lessee or persons occupying the property, and that payment has not been made, and if the payment of such rent, with all costs, shall not be tendered before the judge, on the hearing of the cause, the judge shall render judgment that the landlord recover the possession of the premises so rented or leased, and also the debt for the amount of the rent then due, with all court costs and shall issue an execution upon such judgment, commanding the officer to put the landlord into immediate possession of the property leased or rented, and to make the debt and costs of the goods and chattels of the defendant. No money judgment shall be granted to the plaintiff if the defendant is in default and service was by the posting procedure provided in section 535.030 unless the defendant otherwise enters an appearance. The officer shall deliver possession of the property to the landlord within five days from the time of receiving the execution, and the officer shall proceed upon the execution to collect the debt and costs, and return the writ, as in the case of other executions. If the plaintiff so elects, the plaintiff may sue for possession alone, without asking for recovery of the rent due.

2. Except for willful, wanton, or malicious acts or omissions, neither the landlord nor his or her successors, assigns, agents, nor representatives shall be liable to any tenant or subtenant for loss or damage to any household goods, furnishings, fixtures, or any other personal property left in or at the dwelling by the tenant or subtenant of such dwelling, by the reason of the landlord's removal or disposal of the property under a court-ordered execution for possession of the premises.

3. Notwithstanding the provisions of subsection 2 of this section, if, after the sheriff has completed the court-ordered execution, property is left by the tenant in or at the dwelling bearing a conspicuous permanent label or marking identifying it as the property of a third party, the landlord shall notify the third party by certified mail with a

return receipt requested. The third party shall be given an opportunity to recover such property within five business days of the date such notice is received. If the landlord is unable to notify the third party, the landlord may remove or dispose of such property and shall incur no liability for any loss or damage thereto.

535.110. Applications for **[**trials de novo and**]** appeals shall be allowed and conducted in the manner provided in chapter 512; but no application for **[**a trial de novo or**]** **an** appeal shall stay execution unless the defendant give bond, with security sufficient to secure the payment of all damages, costs and rent then due, and with condition to stay waste and to pay all subsequently accruing rent, if any, into court within **[**ten**]** **three** days after it becomes due, pending determination of the **[**trial de novo or**]** appeal.

535.145. On the date a judgment is entered in favor of the landlord, the landlord has the right to enter, inspect, and record the condition of the premises.

535.160. **1. After a money judgment has been entered in favor of the plaintiff, the defendant shall pay such moneys within five days of such judgment with certified funds.** If the defendant, on the date any money judgment is given in any action pursuant to this chapter, either tenders to the landlord, or brings into the court where the suit is pending, all the rent then in arrears, and all the costs, further proceedings in the action shall cease and be stayed. If on any date after the date of any original trial **[**but before any trial de novo**]** the defendant shall satisfy such money judgment and pay all costs, any execution for possession of the subject premises shall cease and be stayed; except that the landlord shall not thereby be precluded from making application for appeal from such money judgment. If for any reason no money judgment is entered against the defendant and judgment for the plaintiff is limited only to possession of the subject premises, no stay of execution shall be had, except as provided by the provisions of section 535.110 or the rules of civil procedure or by agreement of the parties.

2. If the landlord is required to hire an attorney for proceedings against the tenant, the tenant shall pay attorney fees if the landlord prevails in such action.

535.170. After the execution of any judgment for possession pursuant to this chapter, the lessee and the lessee's assignees, and all other persons deriving title under the lease from such lessee, shall be barred from reentry of such premises and from all relief, and except for error in the record or proceedings, the landlord shall from that day hold the demised premises discharged from the lease. Nothing in this section shall preclude an aggrieved party from perfecting an appeal **[**or securing a trial de novo**]** as to any judgment rendered, and may as a result of such appeal **[**or trial de novo**]** recover any damage incurred, including damages incurred from an unlawful dispossession.

535.190. If a tenant appears before a judge in an action for nonpayment of rent, the court shall inquire, on the record, about the tenant's current residence and current place of employment.

535.195. If the court does not follow the statutory time line for providing a court date and disposing of a landlord-tenant action for eviction, the court costs for the entire case shall be automatically waived by the court.

535.200. 1. In the twenty-second judicial circuit, upon adoption of an ordinance by the city of St. Louis providing for expenditure of city funds for such purpose, a majority of the circuit judges, en banc, may establish a landlord-tenant court, which shall be a division of the circuit court, and may authorize the appointment of not more than two landlord-tenant court commissioners. The landlord-tenant court commissioners shall be appointed by a landlord-tenant court judicial commission consisting of the presiding judge of the circuit, who shall be the chair, one circuit judge elected by the circuit judges, one associate circuit judge elected by the associate circuit judges of the circuit, and two members appointed by the mayor of the city of St. Louis, each of whom shall represent one of the two political parties casting the highest number of votes at the next preceding gubernatorial election. Landlord-tenant commissioners shall be authorized to make findings of fact and conclusions of law, and to issue orders for the payment of money, for the giving or taking of possession of residential property and any other equitable relief necessary to resolve disputes governed by the laws in chapters 441, 524, 534, and this chapter. Landlord-tenant commissioners may not, by ex parte means, hear cases and issue orders.

3. Landlord-tenant commissioners shall be licensed to practice law in this state and shall serve at the pleasure of a majority of the circuit and associate circuit judges, en banc, and shall be residents of the city of St. Louis, and shall receive as annual compensation an amount equal to one-third of the annual compensation of an associate circuit judge.

Landlord-tenant commissioners shall not accept or handle cases in their practice of law which are inconsistent with their duties as a landlord-tenant commissioner and shall not be a judge or prosecutor for any other court. Landlord-tenant commissioners shall not be considered state employees and shall not be members of the state employees' or judicial retirement system or be eligible to receive any other employment benefit accorded state employees or judges.

4. A majority of the judges of the circuit, en banc, shall establish operating procedures for the landlord-tenant court. Proceedings in the landlord-tenant court shall be conducted as in cases tried before an associate circuit judge. The hearing shall be before a landlord-tenant commissioner without jury, and the commissioner shall assume an affirmative duty to determine the merits of the evidence presented and the defenses of the defendant and may question parties and witnesses. Clerks and computer personnel shall be assigned as needed for the efficient operation of the court.

5. The parties to a cause of action before a commissioner of the landlord-tenant court are entitled to file with the court a motion for a hearing in associate circuit court within ten days after the mailing, or within ten days after service.

6. Operating procedures shall be provided for electronic recording of proceedings at city expense. Any person aggrieved by a judgment in a case decided under this section shall have a right to **[**a trial de novo in circuit court, or**]** an appeal to the appropriate appellate court, in the same manner as would a person aggrieved by a decision of an associate circuit judge under section 535.110. The procedures for perfecting the right of **[**a trial de novo or**] an** appeal shall be the same as that provided pursuant to sections 512.180 to 512.320.

7. Any summons issued for the proceedings in the landlord-tenant court shall have a return date of ten days. The sheriff must attempt to serve any summons within four days of the date of issuance.

8. All costs to establish and operate a landlord-tenant court under this section shall be borne by the city of St. Louis.

535.210. 1. The landlord-tenant court commissioners shall be appointed by a landlord-tenant court judicial commission consisting of the presiding judge of the circuit, who shall be the chair, one circuit judge elected by the circuit judges, one associate circuit judge elected by the associate circuit judges of the circuit, and two members appointed by the county executive of Jackson County, each of whom shall represent one of the two political parties casting the highest number of votes at the next preceding gubernatorial election. The procedures and operations of the landlord-tenant court judicial commission shall be established by circuit court rule.

2. Landlord-tenant commissioners may be authorized to hear in the first instance disputes involving landlords and their tenants. Landlord-tenant commissioners shall be authorized to make findings of fact and conclusions of law, and to issue orders for the payment of money, for the giving or taking of possession of residential property and any other equitable relief necessary to resolve disputes governed by the laws in chapters 441, 524, 534, and this chapter. Landlord-tenant commissioners may not, by ex parte means, hear cases and issue orders.

3. Landlord-tenant commissioners shall be licensed to practice law in this state and shall serve at the pleasure of a majority of the circuit and associate circuit judges, en banc, and shall be residents of Jackson County, and shall receive as annual compensation an amount equal to one-third of the annual compensation of an associate circuit judge. Landlord-tenant commissioners shall not accept or handle cases in their practice of law which are inconsistent with their duties as a landlord-tenant commissioner and shall not be a judge or prosecutor for any other court. Landlord-tenant commissioners shall not be considered state employees and shall not be members of the state employees' or judicial retirement system or be eligible to receive any other employment benefit accorded state employees or judges.

4. A majority of the judges of the circuit court, en banc, shall establish operating procedures for the landlord-tenant court. Proceedings in the landlord-tenant court, shall be conducted as in cases tried before an associate circuit judge. The hearing shall be before a landlord-tenant commissioner without jury, and the commissioner shall assume an affirmative duty to determine the merits of the evidence presented and the defenses of the defendant and may question parties and witnesses. Clerks and computer personnel shall be assigned as needed for the efficient operation of the court.

5. The parties to a cause of action before a commissioner of the landlord-tenant court are entitled to file with the court a motion for a hearing in associate circuit court within ten days after the mailing, or within ten days after service.

6. Operating procedures shall be provided for electronic recording of proceedings at county expense. Any person aggrieved by a judgment in a case decided under this section shall have a right to **[**a trial de novo in circuit court, or**]** an appeal to the appropriate appellate court, in the same manner as would a person aggrieved by a decision of an

associate circuit judge under section 535.110. The procedures for perfecting the right of **[**a trial de novo or**]** **an** appeal shall be the same as that provided pursuant to sections 512.180 to 512.320.

7. Any summons issued for the proceedings in the landlord-tenant court shall have a return date of ten days from the date of service. The sheriff must attempt to serve any summons within four days of the date of issuance.

8. All costs to establish and operate a landlord-tenant court under this section shall be borne by Jackson County.

535.300. 1. A landlord may not demand or receive a security deposit in excess of **[**two**]** **three** months' rent.

2. Within thirty days after the date of termination of the tenancy, the landlord shall:

(1) Return the full amount of the security deposit; or

(2) Furnish to the tenant a written itemized list of the damages for which the security deposit or any portion thereof is withheld, along with the balance of the security deposit. The landlord shall have complied with this subsection by mailing such statement and any payment to the last known address of the tenant.

3. The landlord may withhold from the security deposit only such amounts as are reasonably necessary for the following reasons:

(1) To remedy a tenant's default in the payment of rent due to the landlord, pursuant to the rental agreement;

(2) To restore the dwelling unit to its condition at the commencement of the tenancy, ordinary wear and tear excepted; or

(3) To compensate the landlord for actual damages sustained as a result of the tenant's failure to give adequate notice to terminate the tenancy pursuant to law or the rental agreement; provided that the landlord makes reasonable efforts to mitigate damages.

4. The landlord shall give the tenant or his representative reasonable notice in writing at his last known address or in person of the date and time when the landlord will inspect the dwelling unit following the termination of the rental agreement to determine the amount of the security deposit to be withheld, and the inspection shall be held at a reasonable time. The tenant shall have the right to be present at the inspection of the dwelling unit at the time and date scheduled by the landlord.

5. If the landlord wrongfully withholds all or any portion of the security deposit in violation of this section, the tenant shall recover as damages not more than twice the amount wrongfully withheld.

6. Nothing in this section shall be construed to limit the right of the landlord to recover actual damages in excess of the security deposit, or to permit a tenant to apply or deduct any portion of the security deposit at any time in lieu of payment of rent.

7. As used in this section, the term "security deposit" means any deposit of money or property, however denominated, which is furnished by a tenant to a landlord to secure the performance of any part of the rental agreement, including damages to the dwelling unit. This term does not include any money or property denominated as a deposit for a pet on the premises."; and

[(19)**] (20)** "Supplier", a person who sells or leases gambling equipment and gambling supplies to any licensee.

2. In addition to the games of skill **[**referred to in subdivision (14) of**] defined in** subsection 1 of this section, the commission may approve other games of skill upon receiving a petition requesting approval of a gambling game from any applicant or licensee. The commission may set the matter for hearing by serving the applicant or licensee with written notice of the time and place of the hearing not less than five days prior to the date of the hearing and posting a public notice at each commission office. The commission shall require the applicant or licensee to pay the cost of placing a notice in a newspaper of general circulation in the applicant's or licensee's home dock city or county. The burden of proof that the gambling game is a game of skill is at all times on the petitioner. The petitioner shall have the affirmative responsibility of establishing his or her case by a preponderance of evidence including:

(1) Is it in the best interest of gaming to allow the game; and

(2) Is the gambling game a game of chance or a game of skill? All testimony shall be given under oath or affirmation. Any citizen of this state shall have the opportunity to testify on the merits of the petition. The commission may subpoena witnesses to offer expert testimony. Upon conclusion of the hearing, the commission shall evaluate the record of the hearing and issue written findings of fact that shall be based exclusively on the evidence and on matters officially noticed. The commission shall then render a written decision on the merits which shall contain findings of fact, conclusions of law and a final commission order. The final commission order shall be within thirty days of the hearing. Copies of the final commission order shall be served on the petitioner by certified or overnight express mail, postage prepaid, or by personal delivery.

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807 when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee's initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

(1) The recommended number of licensed excursion gambling boats operating in such city or county;

(2) The recommended licensee or licensees operating in such city or county;

(3) The community's economic development or impact and affirmative action plan concerning minorities' and women's ownership, contracting and employment for the waterfront development;

(4) The city or county proposed sharing of revenue with any other municipality;

(5) Any other information such city or county deems necessary; and

(6) Any other information the commission may determine is necessary. The commission shall provide for due dates for receiving such plan from the city or county.

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

(1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

(2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and the United States Coast Guard safety regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise.

7. Each applicant shall establish by clear and convincing evidence its fitness to be licensed. Without limitation, the commission may deny a license based solely on the fact that there is evidence that any of the following apply:

(1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;

(2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established **[**his**] the applicant's** good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. **Except as provided in section 313.817,** a licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed**, other than a credit instrument,** must be deposited within twenty-four hours. The commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition. The question shall be submitted in substantially the following form:

Shall the City (County) of ..... allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

☐ YES ☐ NO .

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306 and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or if the person is an applicant for licensure, the denial of the application, for any act or failure to act by himself or his agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

(1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;

(2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;

(3) Receiving goods or services from a person or business entity who does not hold a supplier's license but who is required to hold such license by the provisions of sections 313.800 to 313.850 or the rules and regulations of the commission;

(4) Being suspended or ruled ineligible or having a license revoked or suspended in any state of gaming jurisdiction;

(5) Associating with, either socially or in business affairs, or employing persons of notorious or unsavory reputation or who have extensive police records, or who have failed to cooperate with any officially constituted investigatory or administrative body and would adversely affect public confidence and trust in gaming;

(6) Employing in any gambling games' operation or any excursion gambling boat operation, any person known to have been found guilty of cheating or using any improper device in connection with any gambling game;

(7) Use of fraud, deception, misrepresentation or bribery in securing any permit or license issued pursuant to sections 313.800 to 313.850;

(8) Obtaining or attempting to obtain any fee, charge, or other compensation by fraud, deception, or misrepresentation;

(9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850.

313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money **or credit instrument** of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit

enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check**, obtain a credit instrument** or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. Credit instruments executed on or after August 28, 2012, are valid contracts creating debt that are enforceable by legal process. A licensee may accept credit instruments from a qualified person in exchange for physical tokens or chips that can be wagered on gambling games at the licensee's excursion gambling boat, or money that can be exchanged for electronic or physical tokens, chips or other forms of credit to be wagered on gambling games at the licensee's excursion gambling boat. "Qualified person" means a person who has completed a credit application provided by the licensee and who is determined by the licensee, after performing a credit check and applying usual standards to establish creditworthiness, to qualify for a line of credit of at least five thousand dollars. Approval to accept a credit instrument from a qualified person shall be made by the holder of an occupational license, except that such approval shall not be made less than twenty-four hours after the determination that a person is a qualified person. A licensee may accept multiple credit instruments from the same person to consolidate or redeem a previous credit instrument. A lost or destroyed credit instrument shall remain valid and enforceable if the party seeking enforcement can prove its existence and terms. Any person who violates this subsection is subject only to the penalties provided in section 313.812. The commission shall have no authority to determine the validity or enforceability of a credit instrument or the enforceability of the debt that the credit instrument represents. Failure to comply with any regulation promulgated by the commission shall not impact the validity or enforceability of the credit instrument or the debt that the credit instrument represents."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

4. (1) Any person convicted in any other state, territory, or the District of Columbia, or foreign country, or federal, tribal, or military jurisdiction shall not be eligible for removal from the registry unless such person:

15. If it is found that the petition is denied solely on the basis of the fact that the petitioner has pending charges and those charges are subsequently dismissed or the petitioner is subsequently acquitted of such pending charges, the petitioner may file a new petition under this section at any time after the dismissal or acquittal of such pending charges.

16. If the court finds that the petitioner is entitled to have his or her name and information removed from the sexual offender registry, the court shall enter judgment directing the respondents to remove the petitioner's name and information from all law enforcement sexual offender registries and public websites within three business days of receiving the judgment. The circuit court having jurisdiction over the district shall proceed to make any such order terminating such taxation authority as is provided in the order of the board, unless the court shall find that such order of the board was not authorized by law or that such order of the board was not supported by competent and substantial evidence.

5. Any person aggrieved by any decision of the board made pursuant to the provisions of this section may appeal that decision to the circuit court of the county in which the property is located within thirty days of the decision by the board**] Whenever the district board receives a petition, signed by a number of registered voters of the district equal to at least ten percent of the number of registered voters of the district, calling for an election to repeal the tax imposed under section 67.1880, the board shall submit to the voters of the district a proposal to repeal the tax. If a majority of the votes cast on the question by the registered voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax authorized in section 67.1880 shall remain effective until the question is resubmitted under this section to the registered voters and the repeal is approved by a majority of the registered voters voting on the question**."; and

Further amend said bill, Page 59, Section 570.120, Line 78, by inserting after all of said section the following:

"**[**67.1890. 1. The boundaries of any district organized pursuant to sections 67.1860 to 67.1898 may be changed in the manner prescribed in this section; but any change of boundaries of the district shall not impair or affect its organization or its rights in or to property, or any of its rights or

privileges whatsoever; nor shall it affect or impair or discharge any contract, obligation, lien or charge for or upon which it might be liable or chargeable had any change of boundaries not been made.

2. The boundaries may be changed as follows:

(1) Twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed or deannexed may file with the board a petition in writing praying that such real property be included within, or removed from, the district. The petition shall describe the property to be included in, or removed from, the district and shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in, or removal from, the district of the property described in the petition. Such petition shall be in substantially the form set forth for petitions in chapter 116; provided that, in the event that there are more than twenty-five property owners or taxpaying electors signing the petition, it shall be deemed sufficient description of their property in the petition as required in this section to list the addresses of such property; or

(2) All of the owners of any territory or tract of land near or adjacent to a district in the case of annexation, or all of the owners of any territory or tract of land within a district in the case of deannexation, who own all of the real estate in such territory or tract of land may file a petition with the board praying that such real property be included in, or removed from, the district. The petition shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in, or removal from, the district of the property described in the petition.

3. The secretary of the board shall cause notice of the filing of any petition filed pursuant to this section to be given and published in the county in which the property is located, which notice shall recite the filing of such petition, the number of petitioners, a general description of the boundaries of the area proposed to be included or removed and the prayer of the petitioners; giving notice to all persons interested to appear at the office of the board at the time named in the notice and show cause in writing, if any they have, why the petition should not be granted. The board shall at the time and place mentioned, or at such time or times to which the hearing may be adjourned, proceed to hear the petition and all objections thereto presented in writing by any person showing cause why the petition should not be granted. The failure of any person interested to show cause in writing why such petition shall not be granted shall be deemed as an assent on his or her part to the inclusion of such lands in, or removal of such lands from, the district as prayed for in the petition.

4. If the board deems it for the best interest of the district, it shall grant the petition, but if the board determines in the case of annexation that some portion of the property mentioned in the petition cannot as a practical matter be served by the district, or if it deems in the case of annexation that it is in the best interest of the district that some portion of the property in the petition not be included in the district, or if in the case of deannexation it deems that it is impracticable for any portion of the property to be deannexed from the district, then the board shall grant the petition in part only. If the petition is granted, the board shall make an order to that effect and file the petition with the circuit clerk. Upon the order of the court having jurisdiction over the district, the property shall be included in, or removed from, the district. If the petition contains the signatures of all the owners of the property pursuant to the provisions of subdivision (2) of subsection 2 of this section, the property shall be included in, or removed from, the district upon the order of the court. If the petition contains the signatures of twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed or deannexed pursuant to subdivision (1) of subsection 2 of this section, the property shall be included in, or removed from, the district subject to the election provided in section 67.1892. The circuit court having jurisdiction over the district shall proceed to make any such order including such additional property within the district, or removing such property from the district, as is provided in the order of the board, unless the court shall find that such order of the board was not authorized by law or that such order of the board was not supported by competent and substantial evidence.

5. Any person aggrieved by any decision of the board made pursuant to the provisions of this section may appeal that decision to the circuit court of the county in which the property is located within thirty days of the decision by the board.**]**

[67.1892. 1. If the petition to add or remove any territory or tract of land to the district contained fewer than all of the signatures required pursuant to subdivision (2) of subsection 2 of section 67.1890, the decree of extension or retraction of boundaries shall not become final and

conclusive until it has been submitted to an election of the voters residing within the boundaries described in such decree and until it has been assented to by a majority vote of the voters in the newly included area, or the area to be removed, voting on the question. The decree shall also provide for the holding of the election to vote on the proposition of extending or retracting the boundaries of the district, and shall fix the date for holding the election.

2. The question shall be submitted in substantially the following form:

Shall the boundaries of the ..... Law Enforcement District be (extended to include/retracted to remove) the following described property? (Describe property)

☐ YES ☐ NO

3. If a majority of the voters voting on the proposition vote in favor of the extension or retraction of the boundaries of the district, then the court shall enter its further order declaring the decree of extension or retraction of the boundaries to be final and conclusive. In the event, however, that the court finds that a majority of the voters voting thereon voted against the proposition to extend or retract the boundaries of the district, then the court shall enter its further order declaring the decree of extension or retraction of boundaries to be void and of no effect.**]**

[67.1896. 1. If the petition filed pursuant to section 67.1894 contained fewer than all of the signatures required pursuant to subdivision (2) of subsection 2 of section 67.1894, the termination of taxation authority shall not become final and conclusive until it has been submitted to an election of the voters residing within the district and until it has been assented to by at least four-sevenths of the voters in the district voting on the question. The decree shall also provide for the holding of the election to vote on the proposition, and shall fix the date for holding the election.

2. The question shall be submitted in substantially the following form:

Shall the authority of the ..... Law Enforcement District to adopt property taxes be terminated?

☐ YES ☐ NO

3. If four-sevenths of the voters voting on the proposition vote in favor of such termination, then the court shall enter its further order declaring the termination of such authority, and all such taxes that are being assessed in the current calendar year pursuant to such authority, to be final and conclusive. In the event, however, that the court finds that less than four-sevenths of the voters voting thereon voted against the proposition to terminate such authority, then the court shall enter its further order declaring the decree of termination of such district's taxing authority to be void and of no effect.**]**

[67.1898. 1. Whenever a petition signed by not less than ten percent of the registered voters in any district organized pursuant to sections 67.1860 to 67.1898 is filed with the circuit court having jurisdiction over the district, setting forth all the relevant facts pertaining to the district, and alleging that the further operation of the district is not in the best interests of the inhabitants of the district, and that the district should, in the interest of the public welfare and safety, be dissolved, the circuit court shall have authority, after hearing evidence submitted on such question, to order a submission of the question, after having caused publication of notice of a hearing on such petition in the same manner as the notice required in section 67.1874, in substantially the following form:

Shall ..... (Insert the name of the law enforcement district) Law Enforcement District be dissolved?

☐ YES ☐ NO

2. If the court shall find that it is to the best interest of the inhabitants of the district that such district be dissolved, it shall make an order reciting such finding and providing for the submission of the proposition to dissolve such district to a vote of the voters of the district, setting forth such further details in its order as may be necessary to an orderly conduct of such election. Such election shall be held at the municipal election. Returns of the election shall be certified to the court.

If the court finds that a majority of the voters voting thereon shall have voted in favor of the proposition to dissolve the district, the court shall make a final order dissolving the district, and the decree shall contain a proviso that the district shall continue in full force for the purpose of paying all outstanding and lawful obligations and disposing of property of the district; but no additional costs or obligations shall be created except such as are necessary to pay such costs, obligations and liabilities previously incurred, or necessary to the winding up of the district. If the court shall find that

a majority of the voters of the district voting thereon shall not have voted favorably on the proposition to dissolve such district, then the court shall make a final order declaring such result dismissing the petition praying for the dissolution of said district; and the district shall continue to operate in the same manner as though the petition asking for such dissolution has not been filed.

3. The dissolution of a district shall not invalidate or affect any right accruing to such district, or to any person, or invalidate or affect any contract or indebtedness entered into or imposed upon such district or person; and whenever the circuit court shall, pursuant to this section, dissolve a district, the court shall appoint some competent person to act as trustee for the district so dissolved and such trustee before entering upon the discharge of his or her duties shall take and subscribe an oath that he or she will faithfully discharge the duties of the office, and shall give bond with sufficient security, to be approved by the court to the use of such dissolved district, for the faithful discharge of his or her duties, and shall proceed to liquidate the district under orders of the court, including the levying of any taxes provided for in sections 67.1860 to 67.1898.**]**"; and

Notwithstanding any other provision of law, when the appearance or presence of an offender before the board or a hearing panel is required for the purpose of deciding whether to grant conditional release or parole, extend the date of conditional release, revoke parole or conditional release, or for any other purpose, such appearance or presence may occur by means of a videoconference at the discretion of the board. Victims having a right to attend parole hearings may testify either at the site where the board is conducting the videoconference or at the institution where the offender is located. The use of videoconferencing in this section shall be at the discretion of the board, and shall not be utilized if either the offender, the victim or the victim's family objects to it.

559.117. 1. The director of the department of corrections is authorized to establish, as a three-year pilot program, a mental health assessment process.

2. Only upon a motion filed by the prosecutor in a criminal case, the judge who is hearing the criminal case in a participating county may request that an offender be placed in the department of corrections for one hundred twenty days for a mental health assessment and for treatment if it appears that the offender has a mental disorder or mental illness such that the offender may qualify for probation including community psychiatric rehabilitation (CPR) programs and such probation is appropriate and not inconsistent with public safety. Before the judge rules upon the motion, the victim shall be given notice of such motion and the opportunity to be heard. Upon recommendation of the court, the department shall determine the offender's eligibility for the mental health assessment process.

3. Following this assessment and treatment period, an assessment report shall be sent to the sentencing court and the sentencing court may, if appropriate, release the offender on probation. The offender shall be supervised on probation by a state probation and parole officer, who shall work cooperatively with the department of mental health to enroll eligible offenders in community psychiatric rehabilitation (CPR) programs.

4. Notwithstanding any other provision of law, probation shall not be granted under this section to offenders who:

(1) Have been found guilty of, or plead guilty to, murder in the second degree under section 565.021;

(2) Have been found guilty of, or plead guilty to, forcible rape under section 566.030;

(3) Have been found guilty of, or plead guilty to, statutory rape in the first degree under section 566.032;

(4) Have been found guilty of, or plead guilty to, forcible sodomy under section 566.060;

(5) Have been found guilty of, or plead guilty to, statutory sodomy in the first degree under section 566.062;

(6) Have been found guilty of, or plead guilty to, child molestation in the first degree under section 566.067 when classified as a class A felony;

(7) Have been found to be a predatory sexual offender under section 558.018; or

(8) Have been found guilty of, or plead guilty to, any offense for which there exists a statutory prohibition against either probation or parole.

5. At the end of the three-year pilot, the director of the department of corrections and the director of the department of mental health shall jointly submit recommendations to the governor and to the general assembly by December 31, 2015, on whether to expand the process statewide."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Fitzwater, **House Amendment No. 12** was adopted.

Representative Davis offered **House Amendment No. 13**.

House Amendment No. 13

AMEND House Committee Substitute for Senate Bill No. 636, Page 18, Section 452.402, Line 33, by inserting after all of said line the following:

"**452.413. 1. As used in this section, the following terms shall mean:**

(1) "Deploying parent", a parent of a child less than eighteen years of age whose parental rights have not been terminated by a court of competent jurisdiction or a guardian of a child less than eighteen years of age who is deployed or who has received written orders to deploy with the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof;

(2) "Deployment", military service in compliance with military orders received by a member of the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof to report for combat operations, contingency operations, peacekeeping operations, temporary duty (TDY), a remote tour of duty, or other service for which the deploying parent is required to report unaccompanied by any family member. Military service includes a period during which a military parent remains subject to deployment orders and remains deployed on account of sickness, wounds, leave, or other lawful cause;

(3) "Military parent", the legal parent of a child less than eighteen years of age whose parental rights have not been terminated by a court of competent jurisdiction, and who is a service member of the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof;

(4) "Nondeploying parent", a parent or guardian not subject to military deployment.

2. If a military parent is required to be separated from a child due to deployment, a court shall not enter a final order modifying the terms establishing custody or visitation contained in an existing order until ninety days after the deployment ends.

3. In accordance with section 452.412, deployment or the potential for future deployment shall not be the sole factor supporting a change in circumstances or grounds sufficient to support a permanent modification of the custody or visitation terms established in an existing order.

4. (1) An existing order establishing the terms of custody or visitation in place at the time a military parent is deployed may be temporarily modified to make reasonable accommodation for the parties due to the deployment.

(2) A temporary modification order issued under this section shall provide that the deploying parent shall have custody of the child or reasonable visitation, whichever is applicable under the original order, during a period of leave granted to the deploying parent.

(3) Any court order modifying a previously ordered custody or visitation due to deployment shall specify that the deployment is the basis for the order and shall be entered by the court as a temporary order.

(4) Any such custody or visitation order shall further require the nondeploying parent to provide the court and the deploying parent with a thirty day advance written notice of any change of address and any change of telephone number. However, if a valid domestic violence court order from this or another jurisdiction is in effect that requires that the address or contact information of the parent who is not deployed be kept confidential, the notification shall be made to the court only, and a copy of the order shall be included in the notification.

(5) Upon motion of a deploying parent, upon reasonable advance notice and for good cause shown, the court shall hold an expedited hearing in any custody or visitation matters instituted under this section when the military duties of the deploying parent have a material effect on his or her ability or anticipated ability to appear in person at a regularly scheduled hearing.

5. (1) A temporary modification of such an order automatically ends no later than thirty days after the return of the deploying parent and the original terms of the custody or visitation order in place at the time of deployment are automatically reinstated.

(2) Nothing in this section shall limit the power of the court to conduct an expedited or emergency hearing regarding custody or visitation upon return of the deploying parent, and the court shall do so within ten days of the filing of a motion alleging an immediate danger or irreparable harm to the child.

(3) The nondeploying parent shall bear the burden of showing that reentry of the custody or visitation order in effect before the deployment is no longer in the child's best interests. The court shall set any nonemergency motion by the nondeploying parent for hearing within thirty days of the filing of the motion and this shall take precedence on the court's docket.

6. (1) Upon motion of the deploying parent or upon motion of a family member of the deploying parent with his or her consent, the court may delegate his or her visitation rights, or a portion of such rights, to a family member with a close and substantial relationship to the minor child or children for the duration of the deployment if it is in the best interest of the child.

(2) Such delegated visitation time or access does not create an entitlement or standing to assert separate rights to parent time or access for any person other than a parent, and shall terminate by operation of law upon the end of the deployment, as set forth in this section.

(3) Such delegated visitation time shall not exceed the visitation time granted to the deploying parent under the existing order; except that, the court may take into consideration the travel time necessary to transport the child for such delegated visitation time.

(4) In addition, there is a rebuttable presumption that a deployed parent's visitation rights shall not be delegated to a family member who has a history of perpetrating domestic violence against a spouse, child, or a domestic living partner, or to a family member with an individual in the family member's household who has a history of perpetrating domestic violence against a spouse, child, or a domestic living partner.

(5) The person or persons to whom delegated visitation time has been granted shall have full legal standing to enforce such rights.

7. Upon motion of a deploying parent and upon reasonable advance notice and for good cause shown, the court shall permit such parent to present testimony and evidence by affidavit or electronic means in support, custody, and visitation matters instituted under this section when the military duties of such parent have a material effect on his or her ability to appear in person at a regularly scheduled hearing. Electronic means includes communication by telephone, video conference, or the internet.

8. Any order entered under this section shall require that the nondeploying parent shall:

(1) Make the child or children reasonably available to the deploying parent when the deploying parent has leave;

(2) Facilitate opportunities for telephonic and electronic mail contact between the deploying parent and the child or children during deployment; and

(3) Provide timely information regarding the deploying parent's leave schedule to the nondeploying parent.

9. (1) If there is no existing order establishing the terms of custody and visitation and it appears that deployment is imminent, upon the filing of initial pleadings and motion by either parent, the court shall expedite a temporary hearing to establish temporary custody or visitation to ensure the deploying parent has access to the child, to ensure disclosure of information, to grant other rights and duties set forth in this section, and to provide other appropriate relief.

(2) Any initial pleading filed to establish custody or visitation for a child of a deploying parent shall be so identified at the time of filing by stating in the text of the pleading the specific facts related to deployment.

10. (1) Since military necessity may preclude court adjudication before deployment, the parties shall cooperate with each other in an effort to reach a mutually agreeable resolution of custody, visitation, and child support. Each party shall provide information to each other in an effort to facilitate agreement on custody and visitation.

(2) A deploying parent shall provide a copy of his or her orders to the nondeploying parent promptly and without delay prior to deployment. Notification shall be made within ten days' of receipt of deployment orders. If less than ten days notice is received by the deploying parent, notice shall be given immediately upon receipt of military orders. If all or part of the orders are classified or restricted as to release, the deploying parent shall provide, under the terms of this subdivision, all such nonclassified or nonrestricted information to the nondeploying parent.

11. In an action brought under this chapter, whenever the court declines to grant or extend a stay of proceedings under the Servicemembers Civil Relief Act, 50 U.S.C. Appendix Sections 521-522, and decides to proceed in the absence of the deployed parent, the court shall appoint at the request of the deployed parent or on its own motion a guardian ad litem to represent the minor child's interests.

12. Service of process on a nondeploying parent whose whereabouts are unknown may be accomplished by certified mail, return receipt requested, to the nondeploying parent's last known address based on an affidavit of the deploying parent.

13. In determining whether a parent has failed to exercise visitation rights, the court shall not count any time periods during which the parent did not exercise visitation due to the material effect of such parent's military duties on visitation time.

14. Once an order for custody has been entered in Missouri, any absence of a child from this state during deployment shall be denominated a temporary absence for the purposes of application of the Uniform Child Custody Jurisdiction and Enforcement Act (UCCJEA). For the duration of the deployment, Missouri shall retain exclusive jurisdiction under the UCCJEA and deployment shall not be used as a basis to assert inconvenience of the forum under the UCCJEA.

15. In making determinations under this section, the court may award attorney's fees and costs based on the court's consideration of:

(1) The failure of either party to reasonably accommodate the other party in custody or visitation matters related to a military parent's service;

(2) Unreasonable delay caused by either party in resolving custody or visitation related to a military parent's service;

(3) Failure of either party to timely provide military orders, income, earnings, or payment information, housing or education information, or physical location of the child to the other party; and

(4) Other factors as the court may consider appropriate and as may be required by law."; and

Further amend said title, enacting clause and intersectional references accordingly.

House Amendment No. 15

AMEND Committee Substitute for Senate Bill No. 636, Page 43, Section 537.351, Lines 1-18, to Page 44, Lines 19-38, by deleting all of said section and lines and inserting in lieu thereof the following:

"**537.351. 1. Except as provided in subsection 2 of this section, a possessor of real property, including an owner, lessee, or other occupant, or an agent of such owner, lessee, or other occupant, owes no duty of care to a trespasser except to refrain from harming the trespasser by an intentional, willful, or wanton act. A possessor of real property may use justifiable force to repel a criminal trespasser as provided by section 563.074.**

2. A possessor of real property may be subject to liability for physical injury or death to a trespasser in the following situations:

(1) If the trespasser is a child who is harmed by a dangerous artificial condition on the land; and

(a) The possessor knew or should have known that children were likely to trespass at the location of the condition;

(b) The condition is one which the possessor knew or reasonably should have known involved an unreasonable risk of death or serious physical injury to such children;

(c) The injured child because of the child's youth did not discover the condition or realize the risk involved in the intermeddling with the condition or in coming within the area made dangerous by the condition;

(d) The utility to the possessor of maintaining the condition and the burden of eliminating the danger were slight as compared with the risk to the child involved; and

(e) The possessor failed to exercise reasonable care to eliminate the danger or otherwise protect the injured child; or

(2) The possessor knew or should have known that trespassers consistently intrude upon a limited area of the possessor's land where the trespasser was harmed, the harm resulted from a dangerous artificial condition on the land; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Fuhr, **House Amendment No. 16** was adopted.

Representative May offered **House Amendment No. 17**.

House Amendment No. 17

AMEND House Committee Substitute for Senate Bill No. 636, Page 57, Section 566.083, Line 23, by inserting after all of said section and line the following:

"568.040. 1. A person commits the crime of nonsupport if such person knowingly fails to provide adequate support for his or her spouse; a parent commits the crime of nonsupport if such parent knowingly fails to provide adequate support which such parent is legally obligated to provide for his or her child or stepchild who is not otherwise emancipated by operation of law.

2. For purposes of this section:

(1) **"Arrearage":**

(a) The amount of money created by a failure to provide support to a child under an administrative or judicial support order; or

(b) Support to an estranged or former spouse if the judgment or order requiring payment of spousal support also requires payment of child support and such estranged or former spouse is the custodial parent; or

(c) Both paragraphs (a) and (b).

The arrearage shall reflect any retroactive support ordered under a modification, and any judgments entered by a court of competent jurisdiction or any authorized agency and any satisfactions of judgment filed by the custodial parent;

(2) "Child" means any biological or adoptive child, or any child whose paternity has been established under chapter 454, or chapter 210, or any child whose relationship to the defendant has been determined, by a court of law in a proceeding for dissolution or legal separation, to be that of child to parent;

[(2)**] (3)** "Good cause" means any substantial reason why the defendant is unable to provide adequate support. Good cause does not exist if the defendant purposely maintains his inability to support;

[(3)**] (4)** "Support" means food, clothing, lodging, and medical or surgical attention;

[(4)**] (5)** It shall not constitute a failure to provide medical and surgical attention, if nonmedical remedial treatment recognized and permitted under the laws of this state is provided.

3. Inability to provide support for good cause shall be an affirmative defense under this section. A person who raises such affirmative defense has the burden of proving the defense by a preponderance of the evidence.

4. The defendant shall have the burden of injecting the issues raised by subdivision (4) of subsection 2 of this section.

5. Criminal nonsupport is a class A misdemeanor, unless the total arrearage is in excess of an aggregate of **[**twelve**] eighteen** monthly payments due under any order of support issued by any court of competent jurisdiction or any authorized administrative agency, in which case it is a class D felony.

6. **(1)** If at any time a defendant convicted of criminal nonsupport **or pleads guilty to a charge of criminal nonsupport** is placed on probation or parole, there may be ordered as a condition of probation or parole that the defendant commence payment of current support as well as satisfy the arrearages. Arrearages may be satisfied first by making such lump sum payment as the defendant is capable of paying, if any, as may be shown after examination of defendant's financial resources or assets, both real, personal, and mixed, and second by making periodic payments. Periodic payments toward satisfaction of arrears when added to current payments due **[**may**] shall** be in such aggregate sums as is not greater than fifty percent of the defendant's adjusted gross income after deduction of payroll taxes, medical insurance that also covers a dependent spouse or children, and any other court- or administrative-ordered support, only.

(2) If the defendant fails to pay the **[**current**]** support and arrearages **[**as ordered**] under the terms of his or her probation**, the court may revoke probation or parole and then impose an appropriate sentence within the range for the class of offense that the defendant was convicted of as provided by law, unless the defendant proves good cause for the failure to pay as required under subsection 3 of this section.

(3) After a period of not less than eight years, an individual who has pled guilty to or has been convicted of a first felony offense for criminal nonsupport under this section and who has successfully completed probation after a plea of guilt or was sentenced may petition the court for expungement of all official records all recordations of his or her arrest, plea, trial, or conviction. If the court determines after hearing that such person has not been convicted of any subsequent offense; does not have any other felony pleas of guilt, findings of guilt or convictions; is current on all child support obligations; has paid off all arrearages; and has no other criminal charges or administrative child support actions pending at the time of the hearing on the application for expungement with respect to all children subject to orders of payment of child support or that the defendant has successfully completed a criminal nonsupport courts program under section 478.1000, the court shall enter an

order of expungement. Upon granting the order of expungement, the records and files maintained in any court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction, and as if such event had never taken place. No person for whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section. A person shall only be entitled to one expungement under this section. Nothing in this section shall prevent the director of the department of social services from maintaining such records as to ensure that an individual receives only one expungement under this section for the purpose of informing the proper authorities of the contents of any record maintained under this section.

7. During any period that a nonviolent defendant is incarcerated for criminal nonsupport, if the defendant is ready, willing, and able to be gainfully employed during said period of incarceration, the defendant, if he or she meets the criteria established by the department of corrections, may be placed on work release to allow the defendant to satisfy defendant's obligation to pay support. Arrearages shall be satisfied as outlined in the collection agreement.

8. Beginning August 28, 2009, every nonviolent first- and second-time offender then incarcerated for criminal nonsupport, who has not been previously placed on probation or parole for conviction of criminal nonsupport, may be considered for parole, under the conditions set forth in subsection 6 of this section, or work release, under the conditions set forth in subsection 7 of this section.

9. Beginning January 1, 1991, every prosecuting attorney in any county which has entered into a cooperative agreement with the **[**child support enforcement service of the**]** family support division **[**of**]** **within** the department of social services **regarding child support enforcement services** shall report to the division on a quarterly basis the number of charges filed and the number of convictions obtained under this section by the prosecuting attorney's office on all IV-D cases. The division shall consolidate the reported information into a statewide report by county and make the report available to the general public.

10. Persons accused of committing the offense of nonsupport of the child shall be prosecuted:

(1) In any county in which the child resided during the period of time for which the defendant is charged; or

(2) In any county in which the defendant resided during the period of time for which the defendant is charged."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative May, **House Amendment No. 17** was adopted.

Representative Wallingford offered **House Amendment No. 18**.

House Amendment No. 18

AMEND House Committee Substitute for Senate Bill No. 636, Page 15, Section 211.031, Line 96, by inserting after all of said line the following:

"211.069. The amendments to sections 211.071 and 211.073 enacted by the ninety-sixth general assembly, second regular session, shall be known and may be cited as "Jonathan's Law".

211.071. 1. If a petition alleges that a child between the ages of twelve and seventeen has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that any child has committed an offense which would be considered first degree murder under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, forcible rape under section 566.030, forcible sodomy under section 566.060, first degree robbery under section 569.020, or distribution of drugs under section 195.211, or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between seventeen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the hearing may be waived by the custodian. Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject to be dealt with under the provisions of this chapter, and that if the court finds that the child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

(4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;

(5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;

(6) The sophistication and maturity of the child as determined by consideration of his home and environmental situation, emotional condition and pattern of living;

(7) The age of the child;

(8) The program and facilities available to the juvenile court in considering disposition;

(9) Whether or not the child can benefit from the treatment or rehabilitative programs available to the juvenile court; and

(10) Racial disparity in certification.

7. If the court dismisses the petition to permit the child to be prosecuted under the general law, the court shall enter a dismissal order containing:

(1) Findings showing that the court had jurisdiction of the cause and of the parties;

(2) Findings showing that the child was represented by counsel;

(3) Findings showing that the hearing was held in the presence of the child and his counsel; and

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law **and the prosecution of the child results in a conviction**, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense

committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171.

211.073. 1. The court **[**may**] shall**, in a case when the offender is under seventeen years **and six months** of age and has been transferred to a court of general jurisdiction pursuant to section 211.071, and whose prosecution results in a conviction or a plea of guilty, **[**invoke**] consider** dual jurisdiction of both the criminal and juvenile codes, as set forth in this section. The court is authorized to impose a juvenile disposition under this chapter and simultaneously impose an adult criminal sentence, the execution of which shall be suspended pursuant to the provisions of this section. Successful completion of the juvenile disposition ordered shall be a condition of the suspended adult criminal sentence. The court may order an offender into the custody of the division of youth services pursuant to this section **[**if:

(1) A facility is designed and built by the division of youth services specifically for offenders sentenced pursuant to this section and if the division determines that there is space available, based on design capacity, in the facility; and

(2)**]:**

(1) Upon agreement of the division **of youth services; and**

(2) If the division of youth services determines that there is space available in a facility designed to serve offenders sentenced under this section.

If the division of youth services agrees to accept a youth and the court does not impose a juvenile disposition, the court shall make findings on the record as to why the division of youth services was not appropriate for the offender prior to imposing the adult criminal sentence.

2. If there is probable cause to believe that the offender has violated a condition of the suspended sentence or committed a new offense, the court shall conduct a hearing on the violation charged, unless the offender waives such hearing. If the violation is established and found the court may continue or revoke the juvenile disposition, impose the adult criminal sentence, or enter such other order as it may see fit.

3. When an offender has received a suspended sentence pursuant to this section and the division determines the child is beyond the scope of its treatment programs, the division of youth services may petition the court for a transfer of custody of the offender. The court shall hold a hearing and shall:

(1) Revoke the suspension and direct that the offender be taken into immediate custody of the department of corrections; or

(2) Direct that the offender be placed on probation.

4. When an offender who has received a suspended sentence reaches the age of seventeen, the court shall hold a hearing. The court shall:

(1) Revoke the suspension and direct that the offender be taken into immediate custody of the department of corrections;

(2) Direct that the offender be placed on probation; or

(3) Direct that the offender remain in the custody of the division of youth services if the division agrees to such placement.

5. The division of youth services shall petition the court for a hearing before it releases an offender who comes within subsection 1 of this section at any time before the offender reaches the age of twenty-one years. The court shall:

(1) Revoke the suspension and direct that the offender be taken into immediate custody of the department of corrections; or

(2) Direct that the offender be placed on probation.

6. If the suspension of the adult criminal sentence is revoked, all time served by the offender under the juvenile disposition shall be credited toward the adult criminal sentence imposed."; and

Further amend said title, enacting clause and intersectional references accordingly.

2. The provisions of subsection 1 of this section shall not apply to a person operating:

(1) An authorized emergency vehicle; or

(2) A moving motor vehicle while using a hand-held electronic wireless communications device to:

8. A violation of this section shall be deemed an infraction and shall be deemed a moving violation for purposes of point assessment under section 302.302, RSMo.

9. The state preempts the field of regulating the use of hand-held electronic wireless communications devices in motor vehicles, and the provisions of this section shall supercede any local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, or other political subdivision to regulate the use of hand-held electronic wireless communication devices by the operator of a motor vehicle.

10. The provisions of this section shall not apply to:

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTY-THIRD DAY, TUESDAY, MAY 15, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

My presence shall go with thee, and I will give thee rest. (Exodus 33:14)

O God, beyond Whose enduring love we cannot drift, in the glory of a new day we lift our hearts to You. We devote ourselves to the duties that demand our attention. We would be still in Your presence and rest in the assurance of Your sustaining strength.

Bless these representatives of our people as they think together, plan together, and work together for the good of our state. Help them to take the tensions and the trials of their tasks, the stress and strain of modern life in their stride, and to overcome them by learning to relax by taking time to keep Your spirit alive in their hearts.

May we discover the secret of the power of prayer; may we be led in right paths, and may our days be filled with faith, hope and love.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Madeline Klippenstein, Mikalah Klippenstein, Hannah Klippenstein, Savannah Wall, Zoe Heinz, Elizabeth Mulligan, Carter Philipp, Luke Smith and Brittany Fouquet.

The Journal of the seventy-second day was approved as printed.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HB 1141**.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS SCS HCS HB 1150**, entitled:

An act to repeal sections 301.190, 301.193, and 301.227, RSMo, and to enact in lieu thereof three new sections relating to the issuance of certificate of titles for motor vehicles.

With Senate Amendment No. 1 and Senate Amendment No. 2.

Senate Amendment No. 1

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1150, Page 18, Section 301.227, Line 23, by inserting after all of said line the following:

"301.600. 1. Unless excepted by section 301.650, a lien or encumbrance on a motor vehicle or trailer, as defined by section 301.010, is not valid against subsequent transferees or lienholders of the motor vehicle or trailer who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 301.600 to 301.660.

2. Subject to the provisions of section 301.620, a lien or encumbrance on a motor vehicle or trailer is perfected by the delivery to the director of revenue of a notice of a lien in a format as prescribed by the director of revenue. The notice of lien is perfected as of the time of its creation if the delivery of such notice to the director of revenue is completed within thirty days thereafter, otherwise as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the motor vehicle or trailer and the secured party, a description of the motor vehicle or trailer, including the vehicle identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of such notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

3. Notwithstanding the provisions of section 301.620, on a refinance **by a different lender** of a **prior** loan secured by a motor vehicle or trailer a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

4. To perfect a subordinate lien, the notice of lien must be accompanied by the documents required to be delivered to the director pursuant to subdivision (3) of section 301.620.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" on the notice of lien and noted on the certificate of ownership if the motor vehicle or trailer is subject to only one notice of lien. To secure future advances when an existing lien on a motor vehicle or trailer does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows: proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. If a motor vehicle or trailer is subject to a lien or encumbrance when brought into this state, the validity and effect of the lien or encumbrance is determined by the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrance attached that the motor vehicle or trailer would be kept in this state and it was brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state is determined by the law of this state;

(2) If the lien or encumbrance was perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state three months after a first certificate of ownership of the motor vehicle or trailer is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period; in that case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection either as provided in subsection 2 or 4 of this section or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the form the director of revenue prescribes and the required fee.

7. By rules and regulations, the director of revenue shall establish a security procedure for the purpose of verifying that an electronic notice of lien or notice of satisfaction of a lien on a motor vehicle or trailer given as permitted in sections 301.600 to 301.640 is that of the lienholder, verifying that an electronic notice of confirmation of ownership and perfection of a lien given as required in section 301.610 is that of the director of revenue, and detecting error in the transmission or the content of any such notice. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself be a security procedure.

306.400. 1. As used in sections 306.400 to 306.440, the terms motorboat, vessel, and watercraft shall have the same meanings given them in section 306.010, and the term outboard motor shall include outboard motors governed by section 306.530.

2. Unless excepted by section 306.425, a lien or encumbrance on an outboard motor, motorboat, vessel, or watercraft shall not be valid against subsequent transferees or lienholders of the outboard motor, motorboat, vessel or watercraft, who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 306.400 to 306.430.

3. A lien or encumbrance on an outboard motor, motorboat, vessel or watercraft is perfected by the delivery to the director of revenue of a notice of lien in a format as prescribed by the director. Such lien or encumbrance shall be perfected as of the time of its creation if the delivery of the items required in this subsection to the director of revenue is completed within thirty days thereafter, otherwise such lien or encumbrance shall be perfected as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the outboard motor, motorboat, vessel or

watercraft and the secured party, a description of the outboard motor, motorboat, vessel or watercraft motor, including any identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of each notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

4. Notwithstanding the provisions of section 306.410, on a refinance **by a different lender** of a **prior** loan secured by an outboard motor, motorboat, vessel or watercraft, a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" in the second lienholder's portion of the notice of lien. To secure future advances when an existing lien on an outboard motor, motorboat, vessel or watercraft does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows. Proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. Whether an outboard motor, motorboat, vessel, or watercraft is subject to a lien or encumbrance shall be determined by the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrances attached that the outboard motor, motorboat, vessel, or watercraft would be kept in this state and it is brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state shall be determined by the laws of this state;

(2) If the lien or encumbrance was perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, his or her lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by the jurisdiction, the lien or encumbrance continues perfected in this state for three months after the first certificate of title of the outboard motor, motorboat, vessel, or watercraft is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period, in which case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, it may be perfected in this state, in which case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection in the same manner as provided in subsection 3 of this section.

7. The director of revenue shall by rules and regulations establish a security procedure to verify that an electronic notice or lien or notice of satisfaction of a lien on an outboard motor, motorboat, vessel or watercraft given pursuant to sections 306.400 to 306.440 is that of the lienholder, to verify that an electronic notice of confirmation of ownership and perfection of a lien given pursuant to section 306.410 is that of the director of revenue and to detect error in the transmission or the content of any such notice. Such a security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself constitute a security procedure."; and

Further amend the title and enacting clause accordingly.

"430.020. Every person who shall keep or store any vehicle**[**,**]** **or** part or equipment thereof, shall, for the amount due therefor, have a lien; and every person who furnishes labor or material on any vehicle **[**or aircraft,**]** or part or equipment thereof, who shall obtain a written memorandum of the work or material furnished, or to be furnished, signed by the owner of the vehicle **[**or aircraft**]**, or part or equipment thereof**, and every person who furnishes labor or material on any aircraft or part or equipment thereof, who shall obtain a written memorandum of the work or material furnished, or to be furnished, signed by the owner, authorized agent of the owner, or person in lawful possession of the aircraft or part or equipment thereof**, shall have a lien for the amount of such work or material as is ordered or stated in such written memorandum. Such liens shall be on the vehicle or aircraft, or part or equipment thereof, as shall be kept or stored, or be placed in the possession of the person furnishing the labor or material; provided, however, the person furnishing the labor or material **on the aircraft or part or equipment thereof,** may retain the lien after surrendering possession of the aircraft or part or equipment thereof by filing a statement in the office of the county recorder of the county where the owner of the aircraft or part or equipment thereof resides, if known to the claimant, and in the office of the county recorder of the county where the labor or material was furnished. Such statement shall be filed within **[**thirty**]** **one hundred eighty** days after surrendering possession of the aircraft or part or equipment thereof and shall state the claimant's name and address, the items on account, the name of the owner and a description of the property, and shall not bind a bona fide purchaser unless said lien has also been filed with the Federal Aviation Administration Aircraft Registry.

430.082. 1. Every person expending labor, services, skill or material upon any motor vehicle or trailer, as defined in chapter 301, vessel, as defined in chapter 306, outboard motor **[**or**]****, or** aircraft**, or part or equipment of an aircraft,** at a written request of its owner, authorized agent of the owner, or person in lawful possession thereof, or who provides storage for a motor vehicle, trailer, outboard motor or vessel, at the written request of its owner, authorized agent of the owner, or person in lawful possession thereof, or at the written request of a peace officer in lieu of the owner or owner's agent, where such owner or agent is not available to request storage thereof, shall, where the maximum amount to be charged for labor, services, skill or material has been stated as part of the written request or the daily charge for storage has been stated as part of the written request, have a lien upon the chattel beginning upon the date of commencement of the expenditure of labor, services, skill, materials or storage for the actual value of all the expenditure of labor, services, skill, materials or storage until the possession of that chattel is voluntarily relinquished to the owner, authorized agent, or one entitled to possession thereof. The person furnishing labor, services, skill or material **upon an aircraft or part or equipment thereof,** may retain the lien after surrendering possession of the aircraft or part or equipment thereof**,** by filing a statement in the office of the county recorder of the county where the owner of the aircraft or part or equipment thereof**,** resides, if known to the claimant, and in the office of the county recorder of the county where the claimant performed the services. Such statement shall be filed within **[**thirty**]** **one hundred eighty** days after surrendering possession of the aircraft or part or equipment thereof and shall state the claimant's name and address, the items on account, the name of the owner and a description of the property, and shall not bind a bona fide purchaser unless the lien has also been filed with the Federal Aviation Administration Aircraft Registry.

2. If the chattel is not redeemed within forty-five days of the completion of the requested labor, services, skill or material, the lienholder may apply to the director of revenue for a certificate of ownership or certificate of title.

3. If the charges are for storage or the service of towing the motor vehicle, trailer, outboard motor or vessel, and the chattel has not been redeemed within forty-five days after the charges for storage commenced, the lienholder shall notify by certified mail, postage prepaid, the owner and any lienholders of record other than the person making the notification, at the person's last known address that application for a lien title will be made unless the owner or lienholder within thirty days makes satisfactory arrangements with the person holding the chattel for payment of storage or service towing charges, if any, or makes satisfactory arrangements with the lienholder for paying such charges or for continued storage of the chattel if desired. Thirty days after the notification has been mailed and the chattel is unredeemed, or the notice has been returned marked "not fowardable" or "addressee unknown", and no satisfactory arrangement has been made with the lienholder for payment or continued storage, the lienholder may apply to the director of revenue for a certificate of ownership or certificate of title as provided in this section.

4. The application shall be accompanied by:

(1) The original or a conformed or photostatic copy of the written request of the owner or the owner's agent or of a peace officer with the maximum amount to be charged stated therein;

(2) An affidavit from the lienholder that written notice was provided to all owners and lienholders of the applicants' intent to apply for a certificate of ownership and the owner has defaulted on payment of labor, services, skill or material and that payment is forty-five days past due, or that owner has defaulted on payment or has failed to make satisfactory arrangements for continued storage of the chattel for thirty days since notification of intent to make application for a certificate of ownership or certificate of title. The affidavit shall be accompanied by a copy of the

thirty-day notice given by certified mail to any owner and person holding a valid security interest and a copy of the certified mail receipt indicating that the owner and lienholder of record was sent a notice as required in this section;

(3) A statement of the actual value of the expenditure of labor, services, skill or material, or the amount of storage due on the date of application for a certificate of ownership or certificate of title, and the amount which is unpaid; and

(4) A fee of ten dollars.

5. If the director is satisfied with the genuineness of the application, proof of lienholder notification in the form of a certified mail receipt, and supporting documents, and if no lienholder or the owner has redeemed the chattel or no satisfactory arrangement has been made concerning payment or continuation of storage, and if no owner or lienholder has informed the director that the owner or lienholder demands a hearing as provided in this section, the director shall issue, in the same manner as a repossessed title is issued, a certificate of ownership or certificate of title to the applicant which shall clearly be captioned "Lien Title".

6. Upon receipt of a lien title, the holder shall within ten days begin proceedings to sell the chattel as prescribed in section 430.100.

7. The provisions of section 430.110 shall apply to the disposition of proceeds, and the lienholder shall also be entitled to any actual and necessary expenses incurred in obtaining the lien title, including, but not limited to, court costs and reasonable attorney's fees."; and

Representative Wells offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 485, Page 1, Section A, Line 3, by inserting after all of said line the following:

"301.600. 1. Unless excepted by section 301.650, a lien or encumbrance on a motor vehicle or trailer, as defined by section 301.010, is not valid against subsequent transferees or lienholders of the motor vehicle or trailer who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 301.600 to 301.660.

2. Subject to the provisions of section 301.620, a lien or encumbrance on a motor vehicle or trailer is perfected by the delivery to the director of revenue of a notice of a lien in a format as prescribed by the director of revenue. The notice of lien is perfected as of the time of its creation if the delivery of such notice to the director of revenue is completed within thirty days thereafter, otherwise as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the motor vehicle or trailer and the secured party, a description of the motor vehicle or trailer, including the vehicle identification number, and such other information as the department of revenue may

prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of such notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

3. Notwithstanding the provisions of section 301.620, on a refinance **by a different lender** of a **prior** loan secured by a motor vehicle or trailer a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

4. To perfect a subordinate lien, the notice of lien must be accompanied by the documents required to be delivered to the director pursuant to subdivision (3) of section 301.620.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" on the notice of lien and noted on the certificate of ownership if the motor vehicle or trailer is subject to only one notice of lien. To secure future advances when an existing lien on a motor vehicle or trailer does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows: proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. If a motor vehicle or trailer is subject to a lien or encumbrance when brought into this state, the validity and effect of the lien or encumbrance is determined by the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrance attached that the motor vehicle or trailer would be kept in this state and it was brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state is determined by the law of this state;

(2) If the lien or encumbrance was perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state three months after a first certificate of ownership of the motor vehicle or trailer is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period; in that case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection either as provided in subsection 2 or 4 of this section or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the form the director of revenue prescribes and the required fee.

7. By rules and regulations, the director of revenue shall establish a security procedure for the purpose of verifying that an electronic notice of lien or notice of satisfaction of a lien on a motor vehicle or trailer given as permitted in sections 301.600 to 301.640 is that of the lienholder, verifying that an electronic notice of confirmation of ownership and perfection of a lien given as required in section 301.610 is that of the director of revenue, and detecting error in the transmission or the content of any such notice. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself be a security procedure.

306.400. 1. As used in sections 306.400 to 306.440, the terms motorboat, vessel, and watercraft shall have the same meanings given them in section 306.010, and the term outboard motor shall include outboard motors governed by section 306.530.

2. Unless excepted by section 306.425, a lien or encumbrance on an outboard motor, motorboat, vessel, or watercraft shall not be valid against subsequent transferees or lienholders of the outboard motor, motorboat, vessel or watercraft, who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 306.400 to 306.430.

3. A lien or encumbrance on an outboard motor, motorboat, vessel or watercraft is perfected by the delivery to the director of revenue of a notice of lien in a format as prescribed by the director. Such lien or encumbrance shall be perfected as of the time of its creation if the delivery of the items required in this subsection to the director of revenue is completed within thirty days thereafter, otherwise such lien or encumbrance shall be perfected as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the outboard motor, motorboat, vessel or watercraft and the secured party, a description of the outboard motor, motorboat, vessel or watercraft motor, including any identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of each notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

4. Notwithstanding the provisions of section 306.410, on a refinance **by a different lender** of a **prior** loan secured by an outboard motor, motorboat, vessel or watercraft, a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" in the second lienholder's portion of the notice of lien. To secure future advances when an existing lien on an outboard motor, motorboat, vessel or watercraft does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows. Proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. Whether an outboard motor, motorboat, vessel, or watercraft is subject to a lien or encumbrance shall be determined by the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrances attached that the outboard motor, motorboat, vessel, or watercraft would be kept in this state and it is brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state shall be determined by the laws of this state;

(2) If the lien or encumbrance was perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, his or her lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by the jurisdiction, the lien or encumbrance continues perfected in this state for three months after the first certificate of title of the outboard motor, motorboat, vessel, or watercraft is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period, in which case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, it may be perfected in this state, in which case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection in the same manner as provided in subsection 3 of this section.

7. The director of revenue shall by rules and regulations establish a security procedure to verify that an electronic notice or lien or notice of satisfaction of a lien on an outboard motor, motorboat, vessel or watercraft given pursuant to sections 306.400 to 306.440 is that of the lienholder, to verify that an electronic notice of confirmation of ownership and perfection of a lien given pursuant to section 306.410 is that of the director of revenue and to detect error in the transmission or the content of any such notice. Such a security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself constitute a security procedure.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

The general assembly may appropriate moneys to the fund for the purpose of providing matching funds to public colleges or universities, as provided in this section.**

2. Moneys in the fund may be distributed to public colleges or universities in the form of matching funds for the funding of capital projects. The state shall not issue bonds to provide funding under this section. No moneys shall be distributed through the fund without a line item appropriation for a specific project. A public college or university may use the matching funds for new construction, rehabilitation, maintenance, renovation, or reconstruction. A public college or university shall not use any matching funds received pursuant to this section for any athletic facilities, parking structures, or student housing.

3. Any matching funds distributed under this section shall be limited to the amount of fifty percent of the project's cost. To qualify for matching funds, a public college or university shall complete an application to the commissioner of higher education and demonstrate that it has obtained fifty percent of the project's cost through private donations or grants. No funds from the higher education capital fund shall be made available to match funds that a public college or university has obtained from its operating budget, tuition, fees, the issuance of revenue bonds or general obligation bonds, or from any state appropriation.

4. The commissioner of higher education shall create an application and establish procedures for public colleges or universities to follow to receive matching funds under this section. The commissioner of higher education may promulgate rules and regulations to implement this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

5. The commissioner of higher education shall administer the higher education capital fund. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180 the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, money in the fund shall be used solely for the administration of this section.

6. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

7. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

8. For purposes of this section, "public colleges or universities" shall mean any public community college, public college, or public university located in the state of Missouri."; and

Any contribution to such institution derived from this section, except reasonable administrative costs, shall be used for scholarship endowment or other academically related purposes. Any vehicle owner may annually apply to the institution for the use of the emblem. Upon annual

application and payment of an emblem use contribution to the institution, which shall be set by the governing body of the institution at an amount of at least twenty-five dollars, the institution shall issue to the vehicle owner, without further charge, an "emblem use authorization statement", which shall be presented by the vehicle owner to the department of revenue at the time of registration. Upon presentation of the annual statement and payment of the fee required for personalized license plates in section 301.144, and other fees and documents which may be required by law, the department of revenue shall issue a personalized license plate, which shall bear the seal, emblem or logo of the institution, to the vehicle owner.

The license plate authorized by this section shall use the school colors of the institution, and those colors shall be constructed upon the license plate using a process to ensure that the school emblem shall be displayed upon the license plate in the clearest and most attractive manner possible. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. The license plate authorized by this section shall be issued with a design approved by both the institution of higher education and the advisory committee established in section 301.129. A vehicle owner, who was previously issued a plate with an institutional emblem authorized by this section and does not provide an emblem use authorization statement at a subsequent time of registration, shall be issued a new plate which does not bear the institutional emblem, as otherwise provided by law. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms including establishing a minimum number of license plates which can be issued with the authorized emblem of a participating institution.

301.3150. 1. An organization, other than an organization seeking a special military license plate **or a collegiate or university plate**, that seeks authorization to establish a new specialty license plate shall initially petition the department of revenue by submitting the following:

(1) An application in a form prescribed by the director for the particular specialty license plate being sought, describing the proposed specialty license plate in general terms and have a sponsor of at least one current member of the general assembly **in the same legislative session in which the application is reviewed pursuant to subsection 5 of section 21.795, RSMo**. The application may contain written testimony for support of this specialty plate;

(2) Each application submitted pursuant to this section shall be accompanied by a list of at least two hundred potential applicants who plan to purchase the specialty plate if the specialty plate is approved pursuant to this section;

(3) An application fee, not to exceed five thousand dollars, to defray the department's cost for issuing, developing and programming the implementation of the specialty plate, if authorized; and

(4) All moneys received by the department of revenue, for the reviewing and development of specialty plates shall be deposited in the state treasury to the credit of the "Department of Revenue Specialty Plate Fund" which is hereby created. The state treasurer shall be custodian of the fund and shall make disbursements from the fund requested by the Missouri director of revenue for personal services, expenses, and equipment required to prepare, review, develop, and disseminate a new specialty plate and process the two hundred applications to be submitted once the plate is approved and to refund deposits for the application of such specialty plate, if the application is not approved by the joint committee on transportation oversight and for no other purpose.

2. At the end of each state fiscal year, the director of revenue shall:

(1) Determine the amount of all moneys deposited into the department of revenue specialty plate fund;

(2) Determine the amount of disbursements from the department of revenue specialty plate fund which were made to produce the specialty plate and process the two hundred applications; and

(3) Subtract the amount of disbursements from the income figure referred to in subdivision (1) of this subsection and deliver this figure to the state treasurer.

3. The state treasurer shall transfer an amount of money equal to the figure provided by the director of revenue from the department of revenue specialty plate fund to the state highway department fund. An unexpended balance in the department of revenue specialty plate fund at the end of the biennium not exceeding twenty-five thousand dollars shall be exempt from the provisions of section 33.080 relating to transfer of unexpended balances to the general revenue fund.

4. The documents and fees required pursuant to this section shall be submitted to the department of revenue by July first prior to the next regular session of the general assembly to be approved or denied by the joint committee on transportation oversight during that legislative session.

5. The department of revenue shall give notice of any proposed specialty plate in a manner reasonably calculated to advise the public of such proposal. Reasonable notice shall include posting the proposal for the specialty plate on the department's official public website, and making available copies of the specialty plate application to any representative of the news media or public upon request and posting the application on a bulletin board or other

prominent public place which is easily accessible to the public and clearly designated for that purpose at the principal office.

6. Adequate notice conforming with all the requirements of subsection 5 of this section shall be given not less than four weeks, exclusive of weekends and holidays when the facility is closed, after the submission of the application by the organization to the department of revenue. Written or electronic testimony in support or opposition of the proposed specialty plate shall be submitted to the department of revenue by November thirtieth of the year of filing of the original proposal. All written testimony shall contain the printed name, signature, address, phone number, and email address, if applicable, of the individual giving the testimony.

7. The department of revenue shall submit for approval all applications for the development of specialty plates to the joint committee on transportation oversight during a regular session of the general assembly for approval.

8. If the specialty license plate requested by an organization is approved by the joint committee on transportation oversight, the organization shall submit the proposed art design for the specialty license plate to the department as soon as practicable, but no later than sixty days after the approval of the specialty license plate. If the specialty license plate requested by the organization is not approved by the joint committee on transportation oversight, ninety-seven percent of the application fee shall be refunded to the requesting organization.

9. An emblem-use authorization fee may be charged by the organization prior to the issuance of an approved specialty plate. The organization's specialty plate proposal approved by the joint committee on transportation oversight shall state what fee is required to obtain such statement and if such fee is required annually or biennially, if the applicant has a two-year registration. An organization applying for specialty plates shall authorize the use of its official emblem to be affixed on multiyear personalized license plates within the plate area prescribed by the director of revenue and as provided in this section. Any contribution to the organization derived from the emblem-use contribution, except reasonable administrative costs, shall be used solely for the purposes of the organization. Any member of the organization or nonmember, if applicable, may annually apply for the use of the emblem, if applicable.

10. The department shall begin production and distribution of each new specialty license plate within one year after approval of the specialty license plate by the joint committee on transportation oversight.

11. The department shall issue a specialty license plate to the owner who meets the requirements for issuance of the specialty plate for any motor vehicle such owner owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight.

12. Each new or renewed application for an approved specialty license plate shall be made to the department of revenue, accompanied by an additional fee of fifteen dollars and the appropriate emblem-use authorization statement.

13. The appropriate registration fees, fifteen dollar specialty plate fee, processing fees and documents otherwise required for the issuance of registration of the motor vehicle as set forth by law must be submitted at the time the specialty plates are actually issued and renewed or as otherwise provided by law. However, no additional fee for the personalization of this plate shall be charged.

14. Once a specialty plate design is approved, a request for such plate may be made any time during a registration period. If a request is made for a specialty license plate to replace a current valid license plate, all documentation, credits, and fees provided for in this chapter when replacing a current license plate shall apply.

15. A vehicle owner who was previously issued a plate with an organization emblem authorized by this section, but who does not provide an emblem-use authorization statement at a subsequent time of registration if required, shall be issued a new plate which does not bear the organization's emblem, as otherwise provided by law.

16. Specialty license plates shall bear a design approved by the organization submitting the original application for approval by the joint committee on transportation oversight. The design shall be within the plate area prescribed by the director of revenue, and the designated organization's name or slogan shall be in place of the words "SHOW-ME STATE". Such license plates shall be made with fully reflective material with a common color scheme, shall be clearly visible at night, shall have a reflective white background in the area of the plate configuration, and shall be aesthetically attractive, as prescribed by section 301.130 and as provided in this section.

In addition to a design, the specialty license plates shall be in accordance with criteria and plate design set forth in this chapter.

17. The department is authorized to discontinue the issuance and renewal of a specialty license plate if the organization has stopped providing services and emblem-use authorization statements are no longer being issued by the organization. Such organizations shall notify the department immediately to discontinue the issuance of a specialty plate.

18. The organization that requested the specialty license plate shall not redesign the specialty personalized license plate unless such organization pays the director in advance all redesigned plate fees. All plate holders of such plates must pay the replacement fees prescribed in section 301.300 for the replacement of the existing specialty plate. All other applicable license plate fees in accordance with this chapter shall be required."; and

House Amendment No. 5

AMEND Senate Bill No. 599, Page 1, Section A, Line 2, by inserting after all of said section and line, the following:

"160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, "need to know" is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002 to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

(1) First degree murder under section 565.020;
(2) Second degree murder under section 565.021;
(3) Kidnapping under section 565.110;
(4) First degree assault under section 565.050;
(5) Forcible rape under section 566.030;
(6) Forcible sodomy under section 566.060;
(7) Burglary in the first degree under section 569.160;
(8) Burglary in the second degree under section 569.170;
(9) Robbery in the first degree under section 569.020;

(10) Distribution of drugs under section 195.211;
(11) Distribution of drugs to a minor under section 195.212;
(12) Arson in the first degree under section 569.040;
(13) Voluntary manslaughter under section 565.023;
(14) Involuntary manslaughter under section 565.024;
(15) Second degree assault under section 565.060;
(16) Sexual assault under section 566.040;
(17) Felonious restraint under section 565.120;
(18) Property damage in the first degree under section 569.100;
(19) The possession of a weapon under chapter 571;
(20) Child molestation in the first degree pursuant to section 566.067;
(21) Deviate sexual assault pursuant to section 566.070;
(22) Sexual misconduct involving a child pursuant to section 566.083;
(23) Sexual abuse pursuant to section 566.100;
(24) Harassment under section 565.090; or
(25) Stalking under section 565.225; committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

(1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;

(2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;

(3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or

(4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall forward the allegation to the children's division within twenty-four hours of receiving the information. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's

division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the **[**juvenile officer of**]** **law enforcement in** the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the **[**juvenile officer or a**]** law enforcement officer **[**designated by the juvenile officer**]** and the superintendent of schools or, if the subject of the report is the superintendent of schools, by **[**the juvenile officer or**]** a law enforcement officer **[**designated by the juvenile officer**]** and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The **[**juvenile officer or a**]** law enforcement officer **[**designated by the juvenile officer**]** and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The **[**juvenile officer or a**]** law enforcement officer **[**designated by the juvenile officer**]** and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The **[**juvenile officer or a**]** law enforcement officer **[**designated by the juvenile officer**]** and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The **[**juvenile officer or a**]** law enforcement officer **[**designated by the juvenile officer**]** and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or **[**juvenile**]** **law enforcement** officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio."; and

The court shall expedite the placement of a child for adoption pursuant to subsection 3 of this section.

6. A licensed child-placing agency may file a petition for transfer of custody if a birth parent consents in writing by power of attorney for placement of a minor child, a consent to adoption, or any other document which evidences a desire to place the child with the licensed child-placing agency for the purposes of transfer of custody of the child to the licensed child-placing agency. The written consent obtained from the birth parent shall strictly comply with section 453.030."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 739, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"211.444. 1. The juvenile court may, upon petition of the juvenile officer or a child-placing agency licensed under sections 210.481 to 210.536 in conjunction with a placement with such agency under subsection 6 of section 453.010, **the children's division,** or the court before which a petition for adoption has been filed pursuant to the provisions of chapter 453, terminate the rights of a parent **or approve the consent to adoption or waiver of consent to adoption by a parent, as defined in section 211.442, or of a named father** to a child**, including a child who is a ward of the court,** if the court finds that such termination **or consent to adoption or waiver of consent to adoption** is in the best interests of the child and the parent**, as defined in section 211.442,** has consented in writing to the termination of his or her parental rights **or consented or waived consent to the adoption**.

2. The written consent required by subsection 1 of this section may be executed before or after the institution of the proceedings and shall be acknowledged before a notary public. In lieu of such acknowledgment, the signature of the person giving the written consent shall be witnessed by at least two adult persons who are present at the execution

whose signatures and addresses shall be plainly written thereon and who determine and certify that the consent is knowingly and freely given. The two adult witnesses shall not be the prospective parents. The notary public or witnesses shall verify the identity of the party signing the consent.

(1) The person sought to be adopted, if a child, has been in the lawful and actual custody of the petitioner for a period of at least six months prior to entry of the adoption decree; except that the six-month period may be waived if the person sought to be adopted is a child who is under the prior and continuing jurisdiction of a court pursuant to chapter 211 and the person desiring to adopt the child is the child's current foster parent. "Lawful and actual custody" shall include a transfer of custody pursuant to the laws of this state, another state, a territory of the United States, or another country;

contact among the parties shall be at the discretion of the adoptive parents**, and such adoptive parents may exercise their discretion to enter into a written post adoption contract agreement with the former parents of an adoptee to allow contact between a former parent, sibling, or other relative of the adoptee and the adoptee or adoptive parents. Representative Diehl offered **House Amendment No 3**.

House Amendment No. 3

AMEND House Committee Substitute for Senate Bill No. 739, Page 1, Line 3 of the Title, by deleting said line and inserting in lieu thereof the following:

"relating to the judiciary"; and

Further amend said bill, Page 3, Section 454.475, Line 69, by inserting after said line the following:

"483.015. 1. At the general election in the year 1982, and every four years thereafter, except as herein provided and except as otherwise provided by law, circuit clerks shall be elected by the qualified voters of each county **[**and of the city of St. Louis**]**, who shall be commissioned by the governor, and shall enter upon the discharge of their duties on the first day in January next ensuing their election, and shall hold their offices for the term of four years, and until their successors shall be duly elected and qualified, unless sooner removed from office.

2. The court administrator for Jackson County provided by the charter of Jackson County shall be selected as provided in the county charter and shall exercise all of the powers and duties of the circuit clerk of Jackson County. The director of judicial administration and the circuit clerk of St. Louis County shall be selected as provided in the charter of St. Louis County.

3. When provision is made in a county charter for the appointment of a court administrator to perform the duties of a circuit clerk or for the appointment of a circuit clerk, such provisions shall prevail over the provisions of this chapter providing for a circuit clerk to be elected. The persons appointed to fill any such appointive positions shall be paid by the counties as provided by the county charter or ordinance; provided, however, that if provision is now or hereafter made by law for the salaries of circuit clerks to be paid by the state, the state shall pay over to the county a sum which is equivalent to the salary that would be payable by law by the state to an elected circuit clerk in such county if such charter provision was not in effect. The sum shall be paid in semimonthly or monthly installments, as designated by the commissioner of administration.

4. The circuit clerk in the sixth judicial circuit and in the seventh judicial circuit shall be appointed by a majority of the circuit judges and associate circuit judges of the circuit court, en banc. The circuit clerk in those circuits shall be removable for cause by a majority of the circuit judges and associate circuit judges of such circuit, en banc, in accordance with supreme court administrative rules governing court personnel. This subsection shall become effective on January 1, 2004, and the elected circuit clerks in those circuits in office at that time shall continue to hold such office for the remainder of their elected terms as if they had been appointed pursuant to the terms of this subsection.

5. The circuit clerk in the twenty-second judicial circuit shall be appointed by a majority of the circuit judges and associate circuit judges of the circuit court, en banc. The circuit clerk in such circuit shall be removable for cause by a majority of the circuit judges and associate circuit judges of such circuit, en banc, in accordance with supreme court administrative rules governing court personnel. The elected circuit clerk in such circuit in office on the effective date of this section shall continue to hold such office for the remainder of his or her elected term."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Diehl, **House Amendment No. 3** was adopted.

Representative Davis offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for Senate Bill No. 739, Page 1, Section A, Line 2, by inserting after all of said line the following:

"**452.413. 1. As used in this section, the following terms shall mean:**

(1) "Deploying parent", a parent of a child less than eighteen years of age whose parental rights have not been terminated by a court of competent jurisdiction or a guardian of a child less than eighteen years of age who is deployed or who has received written orders to deploy with the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof;

(2) "Deployment", military service in compliance with military orders received by a member of the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof to report for combat operations, contingency operations, peacekeeping operations, temporary duty (TDY), a remote tour of duty, or other service for which the deploying parent is required to report unaccompanied by any family member. Military service includes a period during which a military parent remains subject to deployment orders and remains deployed on account of sickness, wounds, leave, or other lawful cause;

(3) "Military parent", the legal parent of a child less than eighteen years of age whose parental rights have not been terminated by a court of competent jurisdiction, and who is a service member of the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof;

(4) "Nondeploying parent", a parent or guardian not subject to military deployment.

2. If a military parent is required to be separated from a child due to deployment, a court shall not enter a final order modifying the terms establishing custody or visitation contained in an existing order until ninety days after the deployment ends.

3. In accordance with section 452.412, deployment or the potential for future deployment shall not be the sole factor supporting a change in circumstances or grounds sufficient to support a permanent modification of the custody or visitation terms established in an existing order.

4. (1) An existing order establishing the terms of custody or visitation in place at the time a military parent is deployed may be temporarily modified to make reasonable accommodation for the parties due to the deployment.

(2) A temporary modification order issued under this section shall provide that the deploying parent shall have custody of the child or reasonable visitation, whichever is applicable under the original order, during a period of leave granted to the deploying parent.

(3) Any court order modifying a previously ordered custody or visitation due to deployment shall specify that the deployment is the basis for the order and shall be entered by the court as a temporary order.

(4) Any such custody or visitation order shall further require the nondeploying parent to provide the court and the deploying parent with a thirty day advance written notice of any change of address and any change of telephone number. However, if a valid domestic violence court order from this or another jurisdiction is in effect that requires that the address or contact information of the parent who is not deployed be kept confidential, the notification shall be made to the court only, and a copy of the order shall be included in the notification.

(5) Upon motion of a deploying parent, upon reasonable advance notice and for good cause shown, the court shall hold an expedited hearing in any custody or visitation matters instituted under this section when the military duties of the deploying parent have a material effect on his or her ability or anticipated ability to appear in person at a regularly scheduled hearing.

5. (1) A temporary modification of such an order automatically ends no later than thirty days after the return of the deploying parent and the original terms of the custody or visitation order in place at the time of deployment are automatically reinstated.

(2) Nothing in this section shall limit the power of the court to conduct an expedited or emergency hearing regarding custody or visitation upon return of the deploying parent, and the court shall do so within ten days of the filing of a motion alleging an immediate danger or irreparable harm to the child.

(3) The nondeploying parent shall bear the burden of showing that reentry of the custody or visitation order in effect before the deployment is no longer in the child's best interests. The court shall set any nonemergency motion by the nondeploying parent for hearing within thirty days of the filing of the motion and this shall take precedence on the court's docket.

6. (1) Upon motion of the deploying parent or upon motion of a family member of the deploying parent with his or her consent, the court may delegate his or her visitation rights, or a portion of such rights, to a family member with a close and substantial relationship to the minor child or children for the duration of the deployment if it is in the best interest of the child.

(2) Such delegated visitation time or access does not create an entitlement or standing to assert separate rights to parent time or access for any person other than a parent, and shall terminate by operation of law upon the end of the deployment, as set forth in this section.

(3) Such delegated visitation time shall not exceed the visitation time granted to the deploying parent under the existing order; except that, the court may take into consideration the travel time necessary to transport the child for such delegated visitation time.

(4) In addition, there is a rebuttable presumption that a deployed parent's visitation rights shall not be delegated to a family member who has a history of perpetrating domestic violence against a spouse, child, or a domestic living partner, or to a family member with an individual in the family member's household who has a history of perpetrating domestic violence against a spouse, child, or a domestic living partner.

(5) The person or persons to whom delegated visitation time has been granted shall have full legal standing to enforce such rights.

7. Upon motion of a deploying parent and upon reasonable advance notice and for good cause shown, the court shall permit such parent to present testimony and evidence by affidavit or electronic means in support, custody, and visitation matters instituted under this section when the military duties of such parent have a material effect on his or her ability to appear in person at a regularly scheduled hearing. Electronic means includes communication by telephone, video conference, or the internet.

8. Any order entered under this section shall require that the nondeploying parent shall:

(1) Make the child or children reasonably available to the deploying parent when the deploying parent has leave;

(2) Facilitate opportunities for telephonic and electronic mail contact between the deploying parent and the child or children during deployment; and

(3) Provide timely information regarding the deploying parent's leave schedule to the nondeploying parent.

9. (1) If there is no existing order establishing the terms of custody and visitation and it appears that deployment is imminent, upon the filing of initial pleadings and motion by either parent, the court shall expedite a temporary hearing to establish temporary custody or visitation to ensure the deploying parent has access to the child, to ensure disclosure of information, to grant other rights and duties set forth in this section, and to provide other appropriate relief.

(2) Any initial pleading filed to establish custody or visitation for a child of a deploying parent shall be so identified at the time of filing by stating in the text of the pleading the specific facts related to deployment.

10. (1) Since military necessity may preclude court adjudication before deployment, the parties shall cooperate with each other in an effort to reach a mutually agreeable resolution of custody, visitation, and child support. Each party shall provide information to each other in an effort to facilitate agreement on custody and visitation.

(2) A deploying parent shall provide a copy of his or her orders to the nondeploying parent promptly and without delay prior to deployment. Notification shall be made within ten days' of receipt of deployment orders. If less than ten days notice is received by the deploying parent, notice shall be given immediately upon receipt of military orders. If all or part of the orders are classified or restricted as to release, the deploying parent shall provide, under the terms of this subdivision, all such nonclassified or nonrestricted information to the nondeploying parent.

11. In an action brought under this chapter, whenever the court declines to grant or extend a stay of proceedings under the Servicemembers Civil Relief Act, 50 U.S.C. Appendix Sections 521-522, and decides to proceed in the absence of the deployed parent, the court shall appoint at the request of the deployed parent or on its own motion a guardian ad litem to represent the minor child's interests.

12. Service of process on a nondeploying parent whose whereabouts are unknown may be accomplished by certified mail, return receipt requested, to the nondeploying parent's last known address based on an affidavit of the deploying parent.

13. In determining whether a parent has failed to exercise visitation rights, the court shall not count any time periods during which the parent did not exercise visitation due to the material effect of such parent's military duties on visitation time.

14. Once an order for custody has been entered in Missouri, any absence of a child from this state during deployment shall be denominated a temporary absence for the purposes of application of the Uniform Child Custody Jurisdiction and Enforcement Act (UCCJEA). For the duration of the deployment, Missouri shall retain exclusive jurisdiction under the UCCJEA and deployment shall not be used as a basis to assert inconvenience of the forum under the UCCJEA.

15. In making determinations under this section, the court may award attorney's fees and costs based on the court's consideration of:

(1) The failure of either party to reasonably accommodate the other party in custody or visitation matters related to a military parent's service;

(2) Unreasonable delay caused by either party in resolving custody or visitation related to a military parent's service;

(3) Failure of either party to timely provide military orders, income, earnings, or payment information, housing or education information, or physical location of the child to the other party; and

(4) Other factors as the court may consider appropriate and as may be required by law."; and

Further amend said title, enacting clause and intersectional references accordingly.

Representative Fisher offered **House Amendment No. 5**.

The content of the withholding form shall be determined by the director of the department of revenue, in consultation with the department of social services, but, at a minimum, the form shall include the name, address and Social Security number of the employee, **the date services for remuneration were first performed by the employee,** and the name and address of, and identifying number assigned to the employer under section 6109 of the Internal Revenue Code of 1986, as amended. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors pursuant to applicable laws relating to the investment of other district funds.

8. A district may by resolution repeal or lower the rate of any sales and use tax imposed pursuant to this section before the expiration date of such sales and use tax unless the repeal or lower rate of such sales and use tax will impair the district's ability to repay any liabilities the district has incurred, moneys the district has borrowed or obligation the district has issued to finance any improvements or services rendered for the district.

If there is neither a surviving spouse or surviving children, then the benefit shall be paid to the active member's estate.

2. If the member executes a beneficiary designation form and lists more than one beneficiary but fails to list the percentage of benefit that each beneficiary should receive, then the benefit shall be divided equally among the named beneficiaries.

50.1140. 1. Upon termination of employment, any member with less than eight years of creditable service shall forfeit all rights in the fund, including the member's accrued creditable service as of the date of the member's termination of employment, but may receive any refund of contributions to which the member is entitled pursuant to subsection 3 of this section **or subsection 1 of section 50.1130**.

2. A member who terminates employment with at least eight years of creditable service shall be entitled to an annuity from the fund, determined in accordance with the formula described in section 50.1060. The member may elect to defer the receipt of his or her annuity, until the member's attainment of age sixty-two, or the member may elect to begin receiving his or her annuity on the first day of any month following the later of the date of termination of employment or age fifty-five. If the member begins receiving an annuity before age sixty-two and termination of employment occurs on or after age fifty-five, the annuity shall be reduced by four-tenths of one percent for each month the commencement date of the annuity precedes age sixty-two, and an additional three-tenths of one percent for each month the commencement date of the annuity precedes age sixty.

3. In the event a member ceases to be a member other than by death before the date the member becomes vested in the system, the member shall be paid, upon his or her written application filed with the board, the member's accumulated contributions standing to his or her credit in the members' deposit fund.

4. Further amend said page, Section 67.085, Line 22, by inserting after all of said line the following:

"104.603. 1. Effective with transfers of service between the Missouri department of transportation and highway patrol employees' retirement system and the Missouri state employees' retirement system that occur on or after September 1, 2011, upon a reciprocal transfer of creditable or credited service pursuant to section 104.602 or subsection 8 of section 104.1021, the sending system from which the service is transferred shall pay the receiving system to which the service is transferred the present value of the accrued benefit as determined pursuant to subsection 2 of this section.

2. For purposes of this section, the present value of the accrued benefit shall be determined using the actuarial assumptions of the sending system used in that system's last regular valuation assuming active member status and using

the unit credit actuarial cost method. However, in no event shall the payment amount be less than the sum of the member's accumulated contributions and interest plus any purchased service payments from the member held on deposit by the sending system. If the member had received a refund of accumulated contributions from the sending system and forfeited service credit with that system, the member would need to reestablish that service with the sending system by again becoming an active member of a system covered by this chapter and satisfying requirements otherwise stipulated for reestablishing service credit. **However, in the event the member had previously transferred service from the receiving system to the sending system which was not subject to an asset transfer under this section, then that service will be excluded from the computation of the accrued benefit. In the event any prior payments by a sending system under this section included an amount for previously transferred service that was not subject to this section, the receiving system shall return to the sending system the present value amount attributable to such service, including interest as determined and agreed to by both systems.**

3. The service transfer shall not be deemed completed until the sending system makes payment to the receiving system as prescribed in this section. Payments shall be made within ninety days of the date that a completed transfer request is submitted by a member.

4. When the transfer payment includes an amount identified as corresponding to a member's accumulated contributions, the accumulated contributions portion shall be identified, and further, the accumulated contributions balance as of the preceding July first shall be identified and the receiving system shall be responsible for crediting interest according to the terms of the receiving plan.

5. The systems shall coordinate their plan administration for reciprocal transfers to give full effect to the transfer including the transfer and acceptance of corresponding division of benefit orders.

6. The member or survivor obtaining a reciprocal transfer of service covered by this section shall satisfy all requirements under section 104.602 or subsection 8 of section 104.1021 to obtain a transfer of credited or creditable service and shall satisfy the requirements under section 104.1091 with the receiving system to reestablish forfeited service previously accrued at either system."; and

(2) More than fifty percent per capita of the owners of all real property within the boundaries of the district.

2. The special assessment petition shall be in substantially the following form:

The ..... (insert general description of specific service and/or projects) in the district, such special assessments to be levied against each tract, lot or parcel of real property listed below within the district which receives special benefit as a result of such service and/or projects, the cost of which shall be allocated among this property by ..... Such authorization to levy the special assessment shall expire on ..... (insert date). The tracts of land located in the district which will receive special benefit from this service and/or projects are: ..... (list of properties by common addresses and legal descriptions).

3. The method for allocating such special assessments set forth in the petition may be any reasonable method which results in imposing assessments upon real property benefitted in relation to the benefit conferred upon each respective tract, lot or parcel of real property and the cost to provide such benefit.

4. By resolution of the board, the district may levy a special assessment rate lower than the rate ceiling set forth in the petition authorizing the special assessment and may increase such lowered special assessment rate to a level not exceeding the special assessment rate ceiling set forth in the petition without further approval of the real property owners; provided that a district imposing a special assessment pursuant to this section may not repeal or amend such special assessment or lower the rate of such special assessment if such repeal, amendment or lower rate will impair the district's ability to pay any liabilities that it has incurred, money that it has borrowed or obligations that it has issued.

[(8)**] (9)** "Excursion gambling boat", a boat, ferry or other floating facility licensed by the commission on which gambling games are allowed;

[(19)**] (20)** "Supplier", a person who sells or leases gambling equipment and gambling supplies to any licensee.

2. In addition to the games of skill **[**referred to in subdivision (14) of**]** **defined in** subsection 1 of this section, the commission may approve other games of skill upon receiving a petition requesting approval of a gambling game from any applicant or licensee. The commission may set the matter for hearing by serving the applicant or licensee with written notice of the time and place of the hearing not less than five days prior to the date of the hearing and posting a public notice at each commission office. The commission shall require the applicant or licensee to pay the cost of placing a notice in a newspaper of general circulation in the applicant's or licensee's home dock city or county. The burden of proof that the gambling game is a game of skill is at all times on the petitioner. The petitioner shall have the affirmative responsibility of establishing his or her case by a preponderance of evidence including:

(1) Is it in the best interest of gaming to allow the game; and

(2) Is the gambling game a game of chance or a game of skill? All testimony shall be given under oath or affirmation. Any citizen of this state shall have the opportunity to testify on the merits of the petition. The commission may subpoena witnesses to offer expert testimony. Upon conclusion of the hearing, the commission shall evaluate the record of the hearing and issue written findings of fact that shall be based exclusively on the evidence and on matters officially noticed. The commission shall then render a written decision on the merits which shall contain findings of fact, conclusions of law and a final commission order. The final commission order shall be within thirty days of the hearing. Copies of the final commission order shall be served on the petitioner by certified or overnight express mail, postage prepaid, or by personal delivery.

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807 when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee's initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

(1) The recommended number of licensed excursion gambling boats operating in such city or county;

(2) The recommended licensee or licensees operating in such city or county;

(3) The community's economic development or impact and affirmative action plan concerning minorities' and women's ownership, contracting and employment for the waterfront development;

(4) The city or county proposed sharing of revenue with any other municipality;

(5) Any other information such city or county deems necessary; and

(6) Any other information the commission may determine is necessary. The commission shall provide for due dates for receiving such plan from the city or county.

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

(1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

(2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and the United States Coast Guard safety regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise.

7. Each applicant shall establish by clear and convincing evidence its fitness to be licensed. Without limitation, the commission may deny a license based solely on the fact that there is evidence that any of the following apply:

(1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;

(2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established **[**his**]** **the applicant's** good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. **Except as provided in section 313.817,** a licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed**, other than a credit instrument,** must be deposited within twenty-four hours. The commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified

voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition. The question shall be submitted in substantially the following form:

Shall the City (County) of ..... allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

☐ YES ☐ NO .

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306 and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or if the person is an applicant for licensure, the denial of the application, for any act or failure to act by himself or his agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

(1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;

(2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;

(3) Receiving goods or services from a person or business entity who does not hold a supplier's license but who is required to hold such license by the provisions of sections 313.800 to 313.850 or the rules and regulations of the commission;

(4) Being suspended or ruled ineligible or having a license revoked or suspended in any state of gaming jurisdiction;

(5) Associating with, either socially or in business affairs, or employing persons of notorious or unsavory reputation or who have extensive police records, or who have failed to cooperate with any officially constituted investigatory or administrative body and would adversely affect public confidence and trust in gaming;

(6) Employing in any gambling games' operation or any excursion gambling boat operation, any person known to have been found guilty of cheating or using any improper device in connection with any gambling game;

(7) Use of fraud, deception, misrepresentation or bribery in securing any permit or license issued pursuant to sections 313.800 to 313.850;

(8) Obtaining or attempting to obtain any fee, charge, or other compensation by fraud, deception, or misrepresentation;

(9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850.

313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money **or credit instrument** of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check**, obtain a credit instrument** or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. Credit instruments executed on or after August 28, 2012, are valid contracts creating debt that are enforceable by legal process. A licensee may accept credit instruments from a qualified person in exchange for physical tokens or chips that can be wagered on gambling games at the licensee's excursion gambling boat, or money that can be exchanged for electronic or physical tokens, chips or other forms of credit to be wagered on gambling games at the licensee's excursion gambling boat. "Qualified person" means a person who has completed a credit application provided by the licensee and who is determined by the licensee, after performing a credit check and applying usual standards to establish creditworthiness, to qualify for a line of credit of at least five thousand dollars. Approval to accept a credit instrument from a qualified person shall be made by the holder of an occupational license, except that such approval shall not be made less than twenty-four hours after the determination that a person is a qualified person. A licensee may accept multiple credit instruments from the same person to consolidate or redeem a previous credit instrument. A lost or destroyed credit instrument shall remain valid and enforceable if the party seeking enforcement can prove its existence and terms. Any person who violates this subsection is subject only to the penalties provided in section 313.812. The commission shall have no authority to determine the validity or enforceability of a credit instrument or the enforceability of the debt that the credit instrument represents. Failure to comply with any regulation promulgated by the commission shall not impact the validity or enforceability of the credit instrument or the debt that the credit instrument represents."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTY-FOURTH DAY, WEDNESDAY, MAY 16, 2012

The House met pursuant to adjournment.

Representative Keeney in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

It is more blessed to give than to receive. (Acts 20:35)

O God, Who created us in Your own image and gave us a living soul that we might live in fellowship with You, grant unto us Your blessings as we wait upon You in prayer on this last week of session. Make us good in thought, gentle in work, and generous in deed.

Call to our minds again that it is better to give than to receive, better to minister unto others than to be ministered unto ourselves, better to be governed by Your spirit than to be goaded by our own selfish desires.

Bless our Speaker and these representatives of our people. May the benediction of Your spirit abide in their hearts and lead them in the paths of righteousness, truth, and good will that the lamp of freedom may burn more brightly in our day and the banner of honor may fly forever above our state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Sam Ward and Lydia Foss.

The Journal of the seventy-third day was approved as printed.

Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

The department shall verify that the applicant has submitted the following items accurately and completely:

(1) A valid application in the form and format required by the department;

(2) A statement attesting to the eligible donation received, which shall include the name and taxpayer identification number of the individual making the eligible donation, the amount of the eligible donation, and the date the eligible donation was received; and

(3) Payment from the certified sponsor or local organizing committee equal to the value of the tax credit for which application is made.

If the certified sponsor or local organizing committee applying for the tax credit meets all criteria required by this subsection, the department shall issue a certificate in the appropriate amount.

3. Tax credits issued under this section may be assigned, transferred, sold, or otherwise conveyed, and the new owner of the tax credit shall have the same rights in the credit as the taxpayer. Whenever a certificate is assigned, transferred, sold, or otherwise conveyed, a notarized endorsement shall be filed with the department specifying the name and address of the new owner of the tax credit or the value of the credit. In no event shall the amount of tax credits issued by the department under this section exceed ten million dollars in any fiscal year.

4. The department shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

5. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after August 28, 2012, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

4. The chief elected official of each city or county that has membership on the board of a district may replace a board member representing that elected official's city or county at any time, in that elected official's sole discretion. Upon this removal, the chief elected official shall appoint another individual to represent that city or county on the board of directors of the district.

67.5024. Promptly after their appointment, the initial board members of a district created pursuant to sections 67.5000 to 67.5038 shall hold an organizational meeting at which they shall elect a president, secretary, treasurer, and any other officers from among their number as they may deem necessary. The members shall make and adopt bylaws, rules, and regulations for their guidance, as may be expedient and not inconsistent with sections 67.5000 to 67.5038.

67.5026. Board members shall be citizens of the United States and shall reside within the county or city, as the case may be, from which they are appointed. No board member shall receive compensation for performance of duties as a board member. No board member shall be financially interested directly or indirectly in any contract entered into pursuant to sections 67.5000 to 67.5038.

67.5028. When a public highway, street, or road extends into or through a public trail, trail area, greenway, or park area of a district, or when a public highway, street, or road forms all or part of a suitable connection between two or more public trails, trail areas, or park areas within a district, and it is advisable by the board to make alterations in the route or width of the highway or to grade, drain, pave, or otherwise improve the highway, the board may enter into agreements, consistent with the purposes of that district, with the public authorities in control of the portion of the highway, street, or road that lies within any, or forms any part of, a connecting link to and between any, public trail, trail area, or park area of a district. Any agreement with any such public authority shall follow the procedure authorized by law for dealing with that authority, and any agreement shall provide for the payment by the board of an agreed-upon portion of the costs of that agreement. This section shall not alter the legal status of that highway, street, or road in any way.

67.5030. No district created pursuant to sections 67.5000 to 67.5038 shall be authorized to exercise the power of eminent domain.

67.5032. 1. Bonds of a district authorized by sections 67.5000 to 67.5038 shall be issued pursuant to a resolution adopted by the board of directors of that district, which resolution shall set out the estimated cost to that district of the proposed improvements, and shall further set out the amount of bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment, and all other details in connection with those bonds. These bonds may be subject to provision for redemption prior to maturity, with or without premium, and at the times and upon the conditions as may be provided by the resolution.

2. Notwithstanding the provisions of section 108.170, these bonds shall bear interest at rate or rates determined by the issuing district and shall mature within a period not exceeding twenty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount of the bonds to be issued. Bonds issued by a district shall possess all of the qualities of negotiable instruments pursuant to the laws of this state.

3. These bonds may be payable to bearer, may be registered or coupon bonds and, if payable to bearer, may contain any registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing those bonds, which resolution may also provide for the exchange of registered and coupon bonds. These bonds and any coupons attached thereto shall be signed in the manner and by the officers of the district as may be provided by the resolution authorizing the bonds. A district may provide for the replacement of any bond that has become mutilated, destroyed, or lost.

4. Bonds issued by a district shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the issuing district's parks, trails, and greenways fund, including revenues derived from local sales taxes and any other monies held by that district. Neither the board members nor any person executing the bonds shall be personally liable on those bonds by reason of the issuance of those bonds. Bonds issued pursuant to this section or section 67.5034 shall not constitute a debt, liability or obligation of this state, or any political subdivision of this state, nor shall any of these obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the issuing district. The issuance of bonds pursuant to this section or section 67.5034 shall not directly, indirectly or contingently obligate this state or any political subdivision of this state, other than the district issuing the bonds, to levy any form of taxation for those bonds or to make any appropriation for their payment. Each obligation or bond issued pursuant to this section or section 67.5034 shall contain, on its face, a statement to the effect that the issuing district shall not be obligated to pay those bonds nor the interest on those bonds, except from the revenues received by the issuing district or assets of that district lawfully pledged for that district, and that neither the good faith and credit nor the taxing power of this state or of any political subdivision of this state, other than the issuing district, is pledged to the payment of the principal of or the interest on that obligation or bond. The proceeds of these bonds shall be disbursed in the manner and pursuant to the restrictions the district may provide in the resolution authorizing the issuance of those bonds.

67.5034. 1. A district may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of any bonds of a district then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities to be acquired, leased or subleased by that district, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest on those bonds to the date of that refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The board shall provide for the payment of interest and principal of any refunding bonds in the same manner as was provided for the payment of interest and principal of the bonds refunded.

2. In the event that any of the board members or officers of a district whose signatures appear on any bonds or coupons shall cease to be on the board or cease to be an officer before the delivery of those bonds, those signatures shall remain valid and sufficient for all purposes, the same as if that board member or officer had remained in office until the delivery of those bonds.

67.5036. Each district is hereby declared to be performing a public function and bonds of a district are declared to be issued for an essential public and governmental purpose and, accordingly, interest on those bonds and income from those bonds shall be exempt from income taxation by this state.

67.5038. All purchases by a district in excess of ten thousand dollars used in the construction or maintenance of any public recreational facility, trail, park, or greenway in that district shall be made pursuant

to the lowest and best bid standard as provided in section 34.040 or pursuant to the lowest and best proposal standard as provided in section 34.042. The board of any district shall have the same discretion, powers and duties as granted to the commissioner of administration by sections 34.040 and 34.042."; and

Further amend said bill, Page 60, Section 143.790, Line 265, by inserting after all of said section, the following:

"144.805. 1. In addition to the exemptions granted pursuant to the provisions of section 144.030, there shall also be specifically exempted from the provisions of sections 144.010 to 144.525, sections 144.600 to **[**144.748**]** **144.746**, and section 238.235, and the provisions of any local sales tax law, as defined in section 32.085, and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525, sections 144.600 to **[**144.748**]** **144.746**, and section 238.235, and the provisions of any local sales tax law, as defined in section 32.085, all sales of aviation jet fuel in a given calendar year to common carriers engaged in the interstate air transportation of passengers and cargo, and the storage, use and consumption of such aviation jet fuel by such common carriers, if such common carrier has first paid to the state of Missouri, in accordance with the provisions of this chapter, state sales and use taxes pursuant to the foregoing provisions and applicable to the purchase, storage, use or consumption of such aviation jet fuel in a maximum and aggregate amount of one million five hundred thousand dollars of state sales and use taxes in such calendar year.

2. To qualify for the exemption prescribed in subsection 1 of this section, the common carrier shall furnish to the seller a certificate in writing to the effect that an exemption pursuant to this section is applicable to the aviation jet fuel so purchased, stored, used and consumed. The director of revenue shall permit any such common carrier to enter into a direct-pay agreement with the department of revenue, pursuant to which such common carrier may pay directly to the department of revenue any applicable sales and use taxes on such aviation jet fuel up to the maximum aggregate amount of one million five hundred thousand dollars in each calendar year. The director of revenue shall adopt appropriate rules and regulations to implement the provisions of this section, and to permit appropriate claims for refunds of any excess sales and use taxes collected in calendar year 1993 or any subsequent year with respect to any such common carrier and aviation jet fuel.

3. The provisions of this section shall apply to all purchases and deliveries of aviation jet fuel from and after May 10, 1993.

4. All sales and use tax revenues upon aviation jet fuel received pursuant to this chapter, less the amounts specifically designated pursuant to the constitution or pursuant to section 144.701 for other purposes, shall be deposited to the credit of the aviation trust fund established pursuant to section 155.090; provided however, the amount of such state sales and use tax revenues deposited to the credit of such aviation trust fund shall not exceed ten million dollars in each calendar year.

5. The provisions of this section and section 144.807 shall expire on December 31, **[**2013**]** **2023**.

182.802. 1. **[**A**]** **(1) Any** public library district located **in any of the following counties may impose a tax as provided in this section:**

The tax authorized by this subsection shall be in addition to all other taxes allowed by law. No

If the specialty license plate requested by the organization is not approved by the joint committee on transportation oversight, ninety-seven percent of the application fee shall be refunded to the requesting organization.

9. An emblem-use authorization fee may be charged by the organization prior to the issuance of an approved specialty plate. The organization's specialty plate proposal approved by the joint committee on transportation oversight shall state what fee is required to obtain such statement and if such fee is required annually or biennially, if the applicant has a two-year registration. An organization applying for specialty plates shall authorize the use of its official emblem to be affixed on multiyear personalized license plates within the plate area prescribed by the director of revenue and as provided in this section. 10. The department shall begin production and distribution of each new specialty license plate within one year after approval of the specialty license plate by the joint committee on transportation oversight.

11. The department shall issue a specialty license plate to the owner who meets the requirements for issuance of the specialty plate for any motor vehicle such owner owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight.

12. Each new or renewed application for an approved specialty license plate shall be made to the department of revenue, accompanied by an additional fee of fifteen dollars and the appropriate emblem-use authorization statement.

13. The appropriate registration fees, fifteen dollar specialty plate fee, processing fees and documents otherwise required for the issuance of registration of the motor vehicle as set forth by law must be submitted at the time the specialty plates are actually issued and renewed or as otherwise provided by law. However, no additional fee for the personalization of this plate shall be charged.

14. Once a specialty plate design is approved, a request for such plate may be made any time during a registration period. If a request is made for a specialty license plate to replace a current valid license plate, all documentation, credits, and fees provided for in this chapter when replacing a current license plate shall apply.

15. A vehicle owner who was previously issued a plate with an organization emblem authorized by this section, but who does not provide an emblem-use authorization statement at a subsequent time of registration if required, shall be issued a new plate which does not bear the organization's emblem, as otherwise provided by law.

16. Specialty license plates shall bear a design approved by the organization submitting the original application for approval by the joint committee on transportation oversight. The design shall be within the plate area prescribed by the director of revenue, and the designated organization's name or slogan shall be in place of the words "SHOW-ME STATE". Such license plates shall be made with fully reflective material with a common color scheme, shall be clearly visible at night, shall have a reflective white background in the area of the plate configuration, and shall be aesthetically attractive, as prescribed by section 301.130 and as provided in this section. Such organizations shall notify the department immediately to discontinue the issuance of a specialty plate.

18. The organization that requested the specialty license plate shall not redesign the specialty personalized license plate unless such organization pays the director in advance all redesigned plate fees. All plate holders of such plates must pay the replacement fees prescribed in section 301.300 for the replacement of the existing specialty plate. All other applicable license plate fees in accordance with this chapter shall be required."; and'; and

Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load of thirty-four thousand pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six feet or more.

4. Whenever the state highways and transportation commission finds that any state highway bridge in the state is in such a condition that use of such bridge by vehicles of the weights specified in subsection 3 of this section will endanger the bridge, or the users of the bridge, the commission may establish maximum weight limits and speed limits for vehicles using such bridge. The governing body of any city or county may grant authority by act or ordinance to the state highways and transportation commission to enact the limitations established in this section on those roadways within the purview of such city or county. Notice of the weight limits and speed limits established by the commission shall be given by posting signs at a conspicuous place at each end of any such bridge.

5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle loads or gross loads in excess of those permitted under the provisions of Section 127 of Title 23 of the United States Code.

6. Notwithstanding the weight limitations contained in this section, any vehicle or combination of vehicles operating on highways other than the interstate highway system may exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two thousand pounds. However, total gross weight shall not exceed eighty thousand pounds, except as provided in **[**subsection**]** **subsections** 9 **and 10** of this section.

7. Notwithstanding any provision of this section to the contrary, the department of transportation shall issue a single-use special permit, or upon request of the owner of the truck or equipment, shall issue an annual permit, for the transporting of any concrete pump truck or well-drillers' equipment. The department of transportation shall set fees for the issuance of permits pursuant to this subsection. Notwithstanding the provisions of section 301.133, concrete pump trucks or well-drillers' equipment may be operated on state-maintained roads and highways at any time on any day.

8. Notwithstanding the provision of this section to the contrary, the maximum gross vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an idle reduction technology may be increased by a quantity necessary to compensate for the additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127, as amended. In no case shall the additional weight increase allowed by this subsection be greater than four hundred pounds. Upon request by an appropriate law enforcement officer, the vehicle operator shall provide proof that the idle reduction technology is fully functional at all times and that the gross weight increase is not used for any purpose other than for the use of idle reduction technology.

9. **(1)** Notwithstanding subsection 3 of this section or any other provision of law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling livestock **or agricultural products not including local log trucks as defined in section 301.010** may be as much as, but shall not exceed, eighty-five thousand five hundred pounds **[**while operating on U.S. Highway 36 from St. Joseph to U.S. Highway 65, and on U.S. Highway 65 from the Iowa state line to U.S. Highway 36**]**. **The provisions of this subsection, however, shall not apply to vehicles operated on the Dwight D. Eisenhower System of Interstate and Defense Highways.**

(2) Any vehicle hauling greater than eighty thousand pounds under the provisions of this subsection, shall apply yearly to the department of transportation for a permit and upon payment of a twenty-five dollar fee, the department shall grant the applicant a permit. Upon renewal of the permit, an applicant shall submit to the department a list of roads traveled and the number of miles traveled on each road during the year.

10. Notwithstanding any provision of this section or any other law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling milk from a farm to a processing facility may be as much as, but shall not exceed, eighty-five thousand five hundred pounds while operating on highways other than the interstate highway system."; and

House Amendment No. 3

AMEND House Committee Substitute No. 2 for Senate Committee Substitute for Senate Bill No. 480, Pages 15 to 19, Section 260.392, by deleting all of said section and inserting in lieu thereof the following:

"260.392. 1. As used in sections 260.392 to 260.399, the following terms mean:

(1) "Cask", all the components and systems associated with the container in which spent fuel, high-level radioactive waste, highway route controlled quantity, or transuranic radioactive waste are stored;

(2) "High-level radioactive waste", the highly radioactive material resulting from the reprocessing of spent nuclear fuel including liquid waste produced directly in reprocessing and any solid material derived from such liquid waste that contains fission products in sufficient concentrations, and other highly radioactive material that the United States Nuclear Regulatory Commission has determined to be high-level radioactive waste requiring permanent isolation;

(3) "Highway route controlled quantity", as defined in 49 CFR Part 173.403, as amended, a quantity of radioactive material within a single package. Highway route controlled quantity shipments of thirty miles or less within the state are exempt from the provisions of this section;

(4) "Low-level radioactive waste", any radioactive waste not classified as high-level radioactive waste, transuranic radioactive waste, or spent nuclear fuel by the United States Nuclear Regulatory Commission, consistent with existing law. Shipment of all sealed sources meeting the definition of low-level radioactive waste, shipments of low-level radioactive waste that are within a radius of no more than fifty miles from the point of origin, and all naturally occurring radioactive material given written approval for landfill disposal by the Missouri department of natural resources under 10 CSR 80-3.010 are exempt from the provisions of this section. Any low-level radioactive waste that has a radioactive half-life equal to or less than one hundred twenty days is exempt from the provisions of this section;

(5) "Shipper", the generator, owner, or company contracting for transportation by truck or rail of the spent fuel, high-level radioactive waste, highway route controlled quantity shipments, transuranic radioactive waste, or low-level radioactive waste;

(6) "Spent nuclear fuel", fuel that has been withdrawn from a nuclear reactor following irradiation, the constituent elements of which have not been separated by reprocessing;

(7) "State-funded institutions of higher education", any campus of any university within the state of Missouri that receives state funding and has a nuclear research reactor;

(8) "Transuranic radioactive waste", defined in 40 CFR Part 191.02, as amended, as waste containing more than one hundred nanocuries of alpha-emitting transuranic isotopes with half-lives greater than twenty years, per gram of waste. For the purposes of this section, transuranic waste shall not include:

(a) High-level radioactive wastes;

(b) Any waste determined by the Environmental Protection Agency with the concurrence of the Environmental Protection Agency administrator that does not need the degree of isolation required by this section; or

(c) Any waste that the United States Nuclear Regulatory Commission has approved for disposal on a case-by-case basis in accordance with 10 CFR Part 61, as amended.

2. Any shipper that ships high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste through or within the state shall be subject to the fees established in this subsection, provided that no state-funded institution of higher education that ships nuclear waste shall pay any such fee. These higher education institutions shall reimburse the Missouri state highway patrol directly for all costs related to shipment escorts. The fees for all other shipments shall be:

(1) One thousand eight hundred dollars for each **[**cask transported**]** **truck transporting** through or within the state **[**by truck of**]** high-level radioactive waste, transuranic radioactive waste, spent nuclear fuel or highway route controlled quantity shipments. All **[**casks**]** **truck shipments** of high-level radioactive waste, transuranic radioactive waste, spent nuclear fuel, or highway route controlled quantity shipments **[**transported by truck**]** are subject to a surcharge of twenty-five dollars per mile for every mile over two hundred miles traveled within the state;

(2) One thousand three hundred dollars for the first cask and one hundred twenty-five dollars for each additional cask for each rail shipment through or within the state of high-level radioactive waste, transuranic radioactive waste, or spent nuclear fuel;

(3) One hundred twenty-five dollars for each truck or train transporting low-level radioactive waste through or within the state. The department of natural resources may accept an annual shipment fee as negotiated with a shipper or accept payment per shipment.

3. All revenue generated from the fees established in subsection 2 of this section shall be deposited into the environmental radiation monitoring fund established in section 260.750 and shall be used by the department of natural resources to achieve the following objectives and for purposes related to the shipment of high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste, including, but not limited to:

(1) Inspections, escorts, and security for waste shipment and planning;

(2) Coordination of emergency response capability;

(3) Education and training of state, county, and local emergency responders;

(4) Purchase and maintenance of necessary equipment and supplies for state, county, and local emergency responders through grants or other funding mechanisms;

(5) Emergency responses to any transportation incident involving the high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste;

(6) Oversight of any environmental remediation necessary resulting from an incident involving a shipment of high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste. Reimbursement for oversight of any such incident shall not reduce or eliminate the liability of any party responsible for the incident; such party may be liable for full reimbursement to the state or payment of any other costs associated with the cleanup of contamination related to a transportation incident;

(7) Administrative costs attributable to the state agencies which are incurred through their involvement as it relates to the shipment of high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste through or within the state.

4. Nothing in this section shall preclude any other state agency from receiving reimbursement from the department of natural resources and the environmental radiation monitoring fund for services rendered that achieve the objectives and comply with the provisions of this section.

5. Any unencumbered balance in the environmental radiation monitoring fund that exceeds three hundred thousand dollars in any given fiscal year shall be returned to shippers on a pro rata basis, based on the shipper's contribution into the environmental radiation monitoring fund for that fiscal year.

6. The department of natural resources, in coordination with the department of health and senior services and the department of public safety, may promulgate rules necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

7. All funds deposited in the environmental radiation monitoring fund through fees established in subsection 2 of this section shall be utilized, subject to appropriation by the general assembly, for the administration and enforcement of this section by the department of natural resources. All interest earned by the moneys in the fund shall accrue to the fund.

8. All fees shall be paid to the department of natural resources prior to shipment.

9. Notice of any shipment of high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, or spent nuclear fuel through or within the state shall be provided by the shipper to the governor's designee for advanced notification, as described in 10 CFR Parts 71 and 73, as amended, prior to such shipment entering the state. Notice of any shipment of low-level radioactive waste through or within the state shall be provided by the shipper to the Missouri department of natural resources before such shipment enters the state.

10. Any shipper who fails to pay a fee assessed under this section, or fails to provide notice of a shipment, shall be liable in a civil action for an amount not to exceed ten times the amount assessed and not paid. The action shall be brought by the attorney general at the request of the department of natural resources. If the action involves a facility domiciled in the state, the action shall be brought in the circuit court of the county in which the facility is located. If the action does not involve a facility domiciled in the state, the action shall be brought in the circuit court of Cole County.

11. Beginning on December 31, 2009, and every two years thereafter, the department of natural resources shall prepare and submit a report on activities of the environmental radiation monitoring fund to the general assembly. This report shall include information on fee income received and expenditures made by the state to enforce and administer the provisions of this section.

12. The provisions of this section shall not apply to high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste shipped by or for the federal government for military or national defense purposes.

13. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after August 28, 2009, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

House Amendment No. 4

AMEND House Committee Substitute No. 2 for Senate Committee Substitute for Senate Bill No. 480, Page 27, Section 301.010, Line 283, by inserting after all of said line the following:

"**301.4040. 1. Notwithstanding any other provision of law to the contrary, any person after an annual payment of an emblem-use fee to the American Red Cross Trust Fund, may receive specialty personalized license plates for any vehicle the member owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight. The Missouri Chapter of the American Red Cross hereby authorizes the use of its official emblem to be affixed on specialty license plates within the plate area prescribed by the director of revenue and as provided in this section. Any contribution to the American Red Cross derived from this section, except reasonable administrative costs, shall be used solely for the purposes of the American Red Cross. Any person may annually apply for the use of the emblem.**

2. Upon annual application and payment of a twenty-five dollar emblem-use contribution to the American Red Cross Trust Fund, the Missouri Chapter of the American Red Cross shall issue to the vehicle owner, without further charge, an emblem-use authorization statement, which shall be presented by the vehicle owner to the director of revenue at the time of registration. Upon presentation of the annual emblem-use authorization statement and payment of a twenty-five dollar fee in addition to the regular registration fees, and presentation of any documents which may be required by law, the director of revenue shall issue to the vehicle owner a specialty personalized license plate which shall bear the emblem of the Missouri Chapter of the American Red Cross, and the words "PROUD SUPPORTER" at the bottom of the plate, in a manner prescribed by the director of revenue. Such license plates shall be made with fully reflective material with a common color scheme and design of the standard license plate, shall be clearly visible at night, shall have a reflective white background in the area of the plate configuration, and shall be aesthetically attractive, as prescribed by section 301.130. Notwithstanding the provisions of section 301.144, no additional fee shall be charged for the personalization of license plates issued under this section.

3. A vehicle owner who was previously issued a plate with the Missouri Chapter of the American Red Cross' emblem authorized by this section, but who does not provide an emblem-use authorization statement at a subsequent time of registration, shall be issued a new plate which does not bear the Missouri Chapter of the American Red Cross' emblem, as otherwise provided by law. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms required by this section.

4. Prior to the issuance of a Missouri Chapter of the American Red Cross specialty personalized plate authorized under this section, the department of revenue must be in receipt of an application, as prescribed by the director, which shall be accompanied by a list of at least two hundred potential applicants who plan to purchase the specialty personalized plate, the proposed art design for the specialty license plate, and an application fee, not to exceed five thousand dollars, to defray the department's cost for issuing, developing, and programming the implementation of the specialty plate. Once the plate design is approved, the director of revenue shall not authorize the manufacture of the material to produce such specialized license plates with the individual seal, logo, or emblem until such time as the director has received two hundred applications, the fifteen dollar specialty plate fee per application, and emblem-use statements, if applicable, and other required documents or fees for such plates.

5. The specialty personalized plate shall not be redesigned unless the organization pays the director in advance for all redesigned plate fees for the plate established in this section. If a member chooses to replace the specialty personalized plate for the new design the member must pay the replacement fees prescribed in section 301.300 for the replacement of the existing specialty personalized plate. All other applicable license plate fees in accordance with this chapter shall be required."; and

House Amendment No. 7

AMEND House Committee Substitute No. 2 for Senate Committee Substitute for Senate Bill No. 480, Page 27, Section 301.010, Line 283, by inserting after all of said line the following:

"302.060. 1. The director shall not issue any license and shall immediately deny any driving privilege:

(1) To any person who is under the age of eighteen years, if such person operates a motor vehicle in the transportation of persons or property as classified in section 302.015;

(2) To any person who is under the age of sixteen years, except as hereinafter provided;

(3) To any person whose license has been suspended, during such suspension, or to any person whose license has been revoked, until the expiration of one year after such license was revoked;

(4) To any person who is an habitual drunkard or is addicted to the use of narcotic drugs;

(5) To any person who has previously been adjudged to be incapacitated and who at the time of application has not been restored to partial capacity;

(6) To any person who, when required by this law to take an examination, has failed to pass such examination;

(7) To any person who has an unsatisfied judgment against such person, as defined in chapter 303, until such judgment has been satisfied or the financial responsibility of such person, as defined in section 303.120, has been established;

(8) To any person whose application shows that the person has been convicted within one year prior to such application of violating the laws of this state relating to failure to stop after an accident and to disclose the person's identity or driving a motor vehicle without the owner's consent;

(9) To any person who has been convicted more than twice of violating state law, or a county or municipal ordinance where the defendant was represented by or waived the right to an attorney in writing, relating to driving while intoxicated; except that, after the expiration of ten years from the date of conviction of the last offense of violating such law or ordinance relating to driving while intoxicated, a person who was so convicted may petition the circuit court of the county in which such last conviction was rendered and the court shall review the person's habits and conduct since such conviction. If the court finds that the petitioner has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding ten years and that the petitioner's habits and conduct show such petitioner to no longer pose a threat to the public safety of this state, the court may order the director to issue a license to the petitioner if the petitioner is otherwise qualified pursuant to the provisions of sections 302.010 to 302.540. No person may obtain a license pursuant to the provisions of this subdivision through court action more than one time;

(10) To any person who has been convicted twice within a five-year period of violating state law, or a county or municipal ordinance, of driving while intoxicated, or any other intoxication-related traffic offense as defined in subdivision (4) of subsection 1 of section 577.023, or who has been convicted of the crime of involuntary manslaughter while operating a motor vehicle in an intoxicated condition. The director shall not issue a license to such person for five years from the date such person was convicted or pled guilty for involuntary manslaughter while operating a motor vehicle in an intoxicated condition or for driving while intoxicated or any other intoxication-related traffic offense as defined in subdivision (4) of subsection 1 of section 577.023 for the second time;

(11) To any person who is otherwise disqualified pursuant to the provisions of sections 302.010 to 302.780, chapter 303, or section 544.046;

(12) To any person who is under the age of eighteen years, if such person's parents or legal guardians file a certified document with the department of revenue stating that the director shall not issue such person a driver's license. Each document filed by the person's parents or legal guardians shall be made upon a form furnished by the director and shall include identifying information of the person for whom the parents or legal guardians are denying the driver's license. The document shall also contain identifying information of the person's parents or legal guardians. The document shall be certified by the parents or legal guardians to be true and correct. This provision shall not apply to any person who is legally emancipated. The parents or legal guardians may later file an additional document with the department of revenue which reinstates the person's ability to receive a driver's license.

2. Any person whose license is reinstated under the provisions of subdivisions (9) and (10) of subsection 1 of this section shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. **The ignition interlock device required for reinstatement under this subsection and for obtaining a limited driving privilege under paragraph (a) or (b) of subdivision (8) of subsection 3 of section 302.309 shall have photo identification technology and global positioning system features.** The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered**

any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months. If the person fails to maintain such proof with the director, the license shall be suspended for the remainder of the six-month period or until proof as required by this section is filed with the director. Upon the completion of the six-month period, the license shall be shown as reinstated, if the person is otherwise eligible."; and

Further amend said bill, Pages 27 through 31, Section 302.304, by deleting all of said section and inserting in lieu thereof the following:

"302.304. 1. The director shall notify by ordinary mail any operator of the point value charged against the operator's record when the record shows four or more points have been accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points shall be accumulated on the date of conviction. No case file of any conviction for a driving violation for which points may be assessed pursuant to section 302.302 may be closed until such time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving record shows the driver has accumulated eight points in eighteen months.

4. The license and driving privilege of any person whose license and driving privilege have been suspended under the provisions of sections 302.010 to 302.540 except those persons whose license and driving privilege have been suspended under the provisions of subdivision (8) of subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible, shall be reinstated as follows:

(1) In the case of an initial suspension, thirty days after the effective date of the suspension;

(2) In the case of a second suspension, sixty days after the effective date of the suspension;

(3) In the case of the third and subsequent suspensions, ninety days after the effective date of the suspension.

Unless proof of financial responsibility is filed with the department of revenue, a suspension shall continue in effect for two years from its effective date.

5. The period of suspension of the driver's license and driving privilege of any person under the provisions of subdivision (8) of subsection 1 of section 302.302 or who has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 shall be thirty days, followed by a sixty-day period of restricted driving privilege as defined in section 302.010. Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated**. If a person, otherwise subject to the provisions of this subsection, files proof of installation with the department of revenue that any vehicle operated by such person is equipped with a functioning, certified ignition interlock device, then there shall be no period of suspension and the person shall instead be subject to a ninety-day period of restricted driving privilege. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated. Upon completion of such ninety-day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such ninety-day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional ninety-day period of restricted driving privilege without any such violations**.

6. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, **or, if applicable, if the person fails to maintain proof that any vehicle operated is equipped with a functioning, certified ignition interlock device installed pursuant to subsection 5 of this section,** the person's driving privilege and license shall be resuspended.

7. The director shall revoke the license and driving privilege of any person when the person's driving record shows such person has accumulated twelve points in twelve months or eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation period of any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 and who has filed proof of financial responsibility with

the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked. Any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the revocation from the director, pass the complete driver examination and apply for a new license before again operating a motor vehicle upon the highways of this state.

8. If, prior to conviction for an offense that would require suspension or revocation of a person's license under the provisions of this section, the person's total points accumulated are reduced, pursuant to the provisions of section 302.306, below the number of points required for suspension or revocation pursuant to the provisions of this section, then the person's license shall not be suspended or revoked until the necessary points are again obtained and accumulated.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the armed forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the armed forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023 or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001 or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on

or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (9) of subsection 1 of section 302.302 shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months.** If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.

302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

(a) A business, occupation, or employment;

(b) Seeking medical treatment for such operator;

(c) Attending school or other institution of higher education;

(d) Attending alcohol or drug treatment programs;

(e) Seeking the required services of a certified ignition interlock device provider; or

(f) Any other circumstance the court or director finds would create an undue hardship on the operator; the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with

chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection, **or a license revocation under paragraph (h) of subdivision (6) of this subsection,** until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege. **The ignition interlock device required for obtaining a limited driving privilege under paragraph (a) or (b) of subdivision (8) of this subsection shall have photo identification technology and global positioning system features.**

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. **The court order or the director's grant of the limited or restricted driving privilege shall also indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle with the limited driving privilege.** A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, or having left the scene of an accident as provided in section 577.060;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041 or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041 or a similar implied consent law of any other state; **[**or**]**

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or

(h) Due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed **the first forty-five days of** such revocation**, provided the person is not otherwise ineligible for a limited driving privilege**.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least **[**three years**]** **forty-five days** of such disqualification or revocation.

Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding **[**three years**]** **forty-five days** and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least **[**two years**]** **forty-five days** of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding **[**two years**]** **forty-five days** and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

(9) A DWI docket or court established under section 478.007 may grant a limited driving privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void."; and

Further amend said bill, Page 32, Section 302.341, Line 46, by inserting after all of said line the following:

"302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515.

If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person's driving record shows no prior alcohol-related enforcement contacts during the immediately preceding five years, the period of suspension shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege as defined in section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible. **The restricted driving privilege shall indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle. A copy of the restricted driving privilege shall be given to the person and such person shall carry a copy of the restricted driving privilege while operating a motor vehicle.** In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section**. If a person, otherwise subject to the provisions of this subdivision files proof of installation with the department of revenue that any vehicle operated is equipped with a functioning, certified ignition interlock device, then there shall be no period of suspension and the person shall instead be subject to a ninety-day period of restricted driving privilege. Upon completion of such ninety-day period of restricted driving privilege, upon**

compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such ninety-day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional ninety-day period of restricted driving privilege without any such violations. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts until the person has completed the first thirty days of a suspension under this section and has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving while intoxicated, driving while under the influence of drugs or alcohol, or driving a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012 or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section and any other suspension or revocation arising from such convictions shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation arising from such convictions, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods.

5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months.** If the person fails to maintain such proof with the director, the license shall be resuspended or revoked, as applicable."; and

Further amend said bill, Page 52, Section B, Line 7, by inserting after all of said line the following:

"Section C. The repeal and reenactment of sections 302.304, 302.309, and 302.525 shall become effective July 1, 2013."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

2. **[**If the county commission reduces a special road and bridge tax levy pursuant to this section which results in a reduction of revenue available to a city, town or village or to a special road district organized pursuant to chapter 233, the commission shall in that year in which the reduction of revenue occurs set aside and place to the credit of each such entity sales tax revenues in an amount at least equal to that which each such entity would have otherwise been entitled from the special road and bridge tax levy, had it not been for such reduction. In subsequent years, each such entity shall receive from the county an amount of sales tax revenue equal to the amount of special road and bridge tax revenue that each such entity would have received in that year, but for the reduction in the special road and bridge tax. The county shall transfer such sales tax revenue to each such entity in twelve equal monthly installments during each year in which such entity is entitled to receive such sales tax revenue**] In any county in which the voters have approved a sales tax as provided by section 67.547, each city, town, village, and special road district organized under chapter 233 shall continue to receive its share of the county's special road and bridge levy, if any, that is annually considered by the county commission. Additionally, any city, town, or village which contains at least fifty percent of a special road district organized under chapter 233 shall be entitled to receive the road district's portion of any funds not paid through the special road and bridge levy. House Amendment No. 2

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 673, Page 19, Section 301.302, Line 7, by inserting after all of said section and line the following:

"**301.580. 1. The department of revenue may issue special event motor vehicle auction licenses under the provisions of this section. For purposes of this section, a "special event motor vehicle auction" is a motor vehicle auction which:**

(1) Ninety percent of the vehicles being auctioned are at least ten years old or older;

(2) The licensee shall auction no more than three percent of the total number of vehicles presented for auction which are owned and titled in the name of the licensee or its owners; and

(3) The duration is no more than three consecutive calendar days and is held no more than three times in a calendar year by a licensee.

2. A special event motor vehicle auction shall be considered a public motor vehicle auction for purposes of sections 301.559 and 301.564.

3. Special event motor vehicle auction licensees shall be exempt from the requirements of section 301.560, with the exception of subdivision (4) of subsection 1 of section 301.560.

4. An application for a special event motor vehicle auction license must be received by the department at least ninety days prior to the beginning of the special event auction.

5. Applicants for a special motor vehicle auction are limited to no more than three special event auctions in any calendar year. A separate application is required for each special event motor vehicle auction.

6. At least ninety percent of the vehicles being auctioned at a special event motor vehicle auction shall be ten years old or older. The licensee shall, within ten days of the conclusion of a special event motor vehicle auction, submit a report in the form approved by the director to the department that includes the make, model, year, and vehicle identification number of each vehicle included in the auction. Every vehicle included in the special event auction shall be listed, including those vehicles that were auctioned and sold and those vehicles that were auctioned but did not sell. Violation of this subsection is a class A misdemeanor.

7. The applicant for the special event motor vehicle auction shall be responsible for ensuring that a sales tax license or special event sales tax license is obtained for the event if one is required.

8. The fee for a special event motor vehicle auction license shall be one thousand dollars. For every vehicle auctioned in violation of subsection 6 of this section, an administrative fee of five hundred dollars shall be paid to the department. Such fees shall be deposited in like manner as other license fees of this section.

9. In addition to the causes set forth in section 301.562, the department may promulgate rules that establish additional causes to refuse to issue or to revoke a special event license.

10. A special motor vehicle auction shall last no more than three consecutive days.

11. The applicant for a special event motor vehicle auction shall be registered to conduct business in this state.

12. Every applicant for a special event motor vehicle auction license shall furnish with the application a corporate surety bond or an irrevocable letter of credit as defined in section 400.5-102 issued by any state or federal financial institution in the penal sum of one hundred thousand dollars on a form approved by the department. The bond or irrevocable letter of credit shall be conditioned upon the applicant complying with the provisions of the statutes applicable to a special event auction license holder and the bond shall be an indemnity for any loss sustained by reason of the acts of the person bonded when such acts constitute grounds for the revocation or denial of a special event auction license. The bond shall be executed in the name of the state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as the beneficiary. The aggregate liability of the surety or financial institution to the aggrieved parties shall not exceed the amount of the bond or irrevocable letter of credit. The proceeds of the bond or irrevocable letter of credit shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party.

13. No dealer, driveaway, auction, or wholesale plates, or temporary permit booklets, shall be issued in conjunction with a special event motor vehicle auction license.

14. Any person or entity who sells a vehicle at a special event motor vehicle auction shall provide, to the buyer, current contact information including, but not limited to, name, address, and telephone number.

15. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void."; and

House Amendment No. 4

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 673, Page 20, Section 302.020, Line 40, by inserting after all of said line the following:

"302.060. 1. The director shall not issue any license and shall immediately deny any driving privilege:

(1) To any person who is under the age of eighteen years, if such person operates a motor vehicle in the transportation of persons or property as classified in section 302.015;

(2) To any person who is under the age of sixteen years, except as hereinafter provided;

(3) To any person whose license has been suspended, during such suspension, or to any person whose license has been revoked, until the expiration of one year after such license was revoked;

(4) To any person who is an habitual drunkard or is addicted to the use of narcotic drugs;

(5) To any person who has previously been adjudged to be incapacitated and who at the time of application has not been restored to partial capacity;

(6) To any person who, when required by this law to take an examination, has failed to pass such examination;

(7) To any person who has an unsatisfied judgment against such person, as defined in chapter 303, until such judgment has been satisfied or the financial responsibility of such person, as defined in section 303.120, has been established;

(8) To any person whose application shows that the person has been convicted within one year prior to such application of violating the laws of this state relating to failure to stop after an accident and to disclose the person's identity or driving a motor vehicle without the owner's consent;

(9) To any person who has been convicted more than twice of violating state law, or a county or municipal ordinance where the defendant was represented by or waived the right to an attorney in writing, relating to driving while intoxicated; except that, after the expiration of ten years from the date of conviction of the last offense of violating such law or ordinance relating to driving while intoxicated, a person who was so convicted may petition the circuit court of the county in which such last conviction was rendered and the court shall review the person's habits and conduct since such conviction. If the court finds that the petitioner has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding ten years and that the petitioner's habits and conduct show such petitioner to no longer pose a threat to the public safety of this state, the court may order the director to issue a license to the petitioner if the petitioner is otherwise qualified pursuant to the provisions of sections 302.010 to 302.540. No person may obtain a license pursuant to the provisions of this subdivision through court action more than one time;

(10) To any person who has been convicted twice within a five-year period of violating state law, or a county or municipal ordinance, of driving while intoxicated, or any other intoxication-related traffic offense as defined in subdivision (4) of subsection 1 of section 577.023, or who has been convicted of the crime of involuntary manslaughter while operating a motor vehicle in an intoxicated condition. The director shall not issue a license to such person for five years from the date such person was convicted or pled guilty for involuntary manslaughter while operating a motor vehicle in an intoxicated condition or for driving while intoxicated or any other intoxication-related traffic offense as defined in subdivision (4) of subsection 1 of section 577.023 for the second time;

(11) To any person who is otherwise disqualified pursuant to the provisions of sections 302.010 to 302.780, chapter 303, or section 544.046;

(12) To any person who is under the age of eighteen years, if such person's parents or legal guardians file a certified document with the department of revenue stating that the director shall not issue such person a driver's license. Each document filed by the person's parents or legal guardians shall be made upon a form furnished by the director and shall include identifying information of the person for whom the parents or legal guardians are denying the driver's license. The document shall also contain identifying information of the person's parents or legal guardians. The document shall be certified by the parents or legal guardians to be true and correct. This provision shall not apply to any person who is legally emancipated. The parents or legal guardians may later file an additional document with the department of revenue which reinstates the person's ability to receive a driver's license.

2. Any person whose license is reinstated under the provisions of subdivisions (9) and (10) of subsection 1 of this section shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. **The ignition interlock device required for reinstatement under this subsection and for obtaining a limited driving privilege under paragraph (a) or (b) of subdivision (8) of subsection 3 of section 302.309 shall have photo identification technology and global positioning system features.** The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered**

any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months. If the person fails to maintain such proof with the director, the license shall be suspended for the remainder of the six-month period or until proof as required by this section is filed with the director. Upon the completion of the six-month period, the license shall be shown as reinstated, if the person is otherwise eligible."; and

Further amend said bill, Page 25, Section 302.173, Line 66, by inserting after all of said line the following:

"302.304. 1. The director shall notify by ordinary mail any operator of the point value charged against the operator's record when the record shows four or more points have been accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points shall be accumulated on the date of conviction. No case file of any conviction for a driving violation for which points may be assessed pursuant to section 302.302 may be closed until such time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving record shows the driver has accumulated eight points in eighteen months.

4. The license and driving privilege of any person whose license and driving privilege have been suspended under the provisions of sections 302.010 to 302.540 except those persons whose license and driving privilege have been suspended under the provisions of subdivision (8) of subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible, shall be reinstated as follows:

(1) In the case of an initial suspension, thirty days after the effective date of the suspension;

(2) In the case of a second suspension, sixty days after the effective date of the suspension;

(3) In the case of the third and subsequent suspensions, ninety days after the effective date of the suspension.

Unless proof of financial responsibility is filed with the department of revenue, a suspension shall continue in effect for two years from its effective date.

5. The period of suspension of the driver's license and driving privilege of any person under the provisions of subdivision (8) of subsection 1 of section 302.302 or who has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 shall be thirty days, followed by a sixty-day period of restricted driving privilege as defined in section 302.010. Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated**. If a person, otherwise subject to the provisions of this subsection, files proof of installation with the department of revenue that any vehicle operated by such person is equipped with a functioning, certified ignition interlock device, then there shall be no period of suspension and the person shall instead be subject to a ninety-day period of restricted driving privilege. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated. Upon completion of such ninety-day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such ninety-day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional ninety-day period of restricted driving privilege without any such violations**.

6. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, **or, if applicable, if the person fails to maintain proof that any vehicle operated is equipped with a functioning, certified ignition interlock device installed pursuant to subsection 5 of this section,** the person's driving privilege and license shall be resuspended.

7. The director shall revoke the license and driving privilege of any person when the person's driving record shows such person has accumulated twelve points in twelve months or eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation period of any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from

the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked. Any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the revocation from the director, pass the complete driver examination and apply for a new license before again operating a motor vehicle upon the highways of this state.

8. If, prior to conviction for an offense that would require suspension or revocation of a person's license under the provisions of this section, the person's total points accumulated are reduced, pursuant to the provisions of section 302.306, below the number of points required for suspension or revocation pursuant to the provisions of this section, then the person's license shall not be suspended or revoked until the necessary points are again obtained and accumulated.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the armed forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the armed forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023 or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001 or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent

for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (9) of subsection 1 of section 302.302 shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months.** If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.

302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

(a) A business, occupation, or employment;

(b) Seeking medical treatment for such operator;

(c) Attending school or other institution of higher education;

(d) Attending alcohol or drug treatment programs;

(e) Seeking the required services of a certified ignition interlock device provider; or

(f) Any other circumstance the court or director finds would create an undue hardship on the operator; the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with

chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection, **or a license revocation under paragraph (h) of subdivision (6) of this subsection,** until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege. **The ignition interlock device required for obtaining a limited driving privilege under paragraph (a) or (b) of subdivision (8) of this subsection shall have photo identification technology and global positioning system features.**

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. **The court order or the director's grant of the limited or restricted driving privilege shall also indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle with the limited driving privilege.** A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, or having left the scene of an accident as provided in section 577.060;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041 or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041 or a similar implied consent law of any other state; **[**or**]**

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or

(h) Due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed **the first forty-five days of** such revocation**, provided the person is not otherwise ineligible for a limited driving privilege**.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least **[**three years**]** **forty-five days** of such disqualification or revocation.

Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding **[**three years**]** **forty-five days** and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least **[**two years**]** **forty-five days** of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding **[**two years**]** **forty-five days** and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

(9) A DWI docket or court established under section 478.007 may grant a limited driving privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515.

If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person's driving record shows no prior alcohol-related enforcement contacts during the immediately preceding five years, the period of suspension shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege as defined in section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible. **The restricted driving privilege shall indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle. A copy of the restricted driving privilege shall be given to the person and such person shall carry a copy of the restricted driving privilege while operating a motor vehicle.** In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section**. If a person, otherwise subject to the provisions of this subdivision files proof of installation with the department of revenue that any vehicle operated is equipped with a functioning, certified ignition interlock device, then there shall be no period of suspension and the person shall instead be subject to a ninety-day period of restricted driving privilege. Upon completion of such ninety-day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated.**

However, if the monthly monitoring reports during such ninety-day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional ninety-day period of restricted driving privilege without any such violations. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts until the person has completed the first thirty days of a suspension under this section and has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving while intoxicated, driving while under the influence of drugs or alcohol, or driving a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012 or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section and any other suspension or revocation arising from such convictions shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation arising from such convictions, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods.

5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months.** If the person fails to maintain such proof with the director, the license shall be resuspended or revoked, as applicable."; and

2. Upon receipt of the application and supporting documents, the director shall search the records of the department of revenue, or initiate an inquiry with another state, if the evidence presented indicated the property described in the application was registered or titled in another state, to verify the name and address of any owners and any lienholders. If the latest owner or lienholder was not notified the director shall inform the insurer, owner, or purchaser of the real estate of the latest owner and lienholder information so that notice may be given as required by subsection 1 of this section. Any owner or lienholder receiving notification may protest the issuance of title by, within the thirty-day notice period and may file a petition to recover the vehicle, naming the insurer or owner of the real estate and serving a copy of the petition on the director of revenue. The director shall not be a party to such petition but shall, upon receipt of the petition, suspend the processing of any further certificate of title until the rights of all parties to the vehicle are determined by the court. Once all requirements are satisfied the director shall issue one of the following:

(1) An original certificate of title if the vehicle examination certificate, as provided in section 301.190, indicates that the vehicle was not previously in a salvaged condition or rebuilt;

(2) An original certificate of title designated as prior salvage if the vehicle examination certificate as provided in section 301.190 indicates the vehicle was previously in a salvaged condition or rebuilt;

(3) A salvage certificate of title designated with the words "salvage/abandoned property" or junking certificate based on the condition of the property as stated in the inspection report. An insurer purchasing a vehicle through the claims adjustment process under this section shall only be eligible to obtain a salvage certificate of title or junking certificate.

3. Any insurer which purchases a vehicle that is currently titled in Missouri through the claims adjustment process for which the insurer is unable to obtain a negotiable title may make application to the department of revenue for a salvage certificate of title or junking certificate. Such application may be made by the insurer or its designated salvage pool on a form provided by the department and signed under penalty of perjury. The application shall include a declaration that the insurer has made at least two written attempts to obtain the certificate of title, transfer documents, or other acceptable evidence of title, and be accompanied by proof of claims payment from the insurer, evidence that letters were delivered to the vehicle owner, a statement explaining the circumstances by which the property came into the insurer's possession, a description of the property including the year, make, model, vehicle identification number, and current location of the property, and the fee prescribed in subsection 5 of section 301.190. The insurer shall, thirty days prior to making application for title, notify any owners or lienholders of record for the vehicle that the insurer intends to apply for a certificate of title from the director for the vehicle. Upon receipt of the application and supporting

documents, the director shall search the records of the department of revenue to verify the name and address of any owners and any lienholders. After thirty days from receipt of the application, if no valid lienholders have notified the department of the existence of a lien, the department shall issue a salvage certificate of title or junking certificate for the vehicle in the name of the insurer."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

"99.805. As used in sections 99.800 to 99.865, unless the context clearly requires otherwise, the following terms shall mean:

(1) "Blighted area", an area which, by reason of the predominance of defective or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the

existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use;

(2) "Collecting officer", the officer of the municipality responsible for receiving and processing payments in lieu of taxes or economic activity taxes from taxpayers or the department of revenue;

(3) "Conservation area", any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, morals, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision for projects approved on or after December 23, 1997;

(4) **"Disaster area", a blighted area located within a municipality for which public and individual assistance has been requested by the President under Section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. Section 5121, et seq., provided that the municipality adopts an ordinance approving the redevelopment project within five years after the President declares such disaster;**

(5) "Economic activity taxes", the total additional revenue from taxes which are imposed by a municipality and other taxing districts, and which are generated by economic activities within a redevelopment area over the amount of such taxes generated by economic activities within such redevelopment area in the calendar year prior to the adoption of the ordinance designating such a redevelopment area, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment projects or redevelopment plans approved after December 23, 1997, if a retail establishment relocates within one year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;

[(5)**] (6)** "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:

(a) Discourage commerce, industry or manufacturing from moving their operations to another state; or

(b) Result in increased employment in the municipality; or

(c) Result in preservation or enhancement of the tax base of the municipality;

[(6)**] (7)** "Gambling establishment", an excursion gambling boat as defined in section 313.800 and any related business facility including any real property improvements which are directly and solely related to such business facility, whose sole purpose is to provide goods or services to an excursion gambling boat and whose majority ownership interest is held by a person licensed to conduct gambling games on an excursion gambling boat or licensed to operate an excursion gambling boat as provided in sections 313.800 to 313.850. This subdivision shall be applicable only to a redevelopment area designated by ordinance adopted after December 23, 1997;

[(7)**] (8)** "Greenfield area", any vacant, unimproved, or agricultural property that is located wholly outside the incorporated limits of a city, town, or village, or that is substantially surrounded by contiguous properties with agricultural zoning classifications or uses unless said property was annexed into the incorporated limits of a city, town, or village ten years prior to the adoption of the ordinance approving the redevelopment plan for such greenfield area;

[(8)**] (9)** "Municipality", a city, village, or incorporated town or any county of this state. For redevelopment areas or projects approved on or after December 23, 1997, "municipality" applies only to cities, villages, incorporated towns or counties established for at least one year prior to such date;

[(9)**] (10)** "Obligations", bonds, loans, debentures, notes, special certificates, or other evidences of indebtedness issued by a municipality to carry out a redevelopment project or to refund outstanding obligations;

[(10)**] (11)** "Ordinance", an ordinance enacted by the governing body of a city, town, or village or a county or an order of the governing body of a county whose governing body is not authorized to enact ordinances;

[(11)**] (12)** "Payment in lieu of taxes", those estimated revenues from real property in the area selected for a redevelopment project, which revenues according to the redevelopment project or plan are to be used for a private use,

which taxing districts would have received had a municipality not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of tax increment allocation financing during the time the current equalized value of real property in the area selected for the redevelopment project exceeds the total initial equalized value of real property in such area until the designation is terminated pursuant to subsection 2 of section 99.850;

[(12)**] (13)** "Redevelopment area", an area designated by a municipality, in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as a blighted area, a conservation area, an economic development area, an enterprise zone pursuant to sections 135.200 to 135.256, or a combination thereof, which area includes only those parcels of real property directly and substantially benefitted by the proposed redevelopment project;

[(13)**] (14)** "Redevelopment plan", the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, conservation area, economic development area, or combination thereof, and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. Each redevelopment plan shall conform to the requirements of section 99.810;

[(14)**] (15)** "Redevelopment project", any development project within a redevelopment area in furtherance of the objectives of the redevelopment plan; any such redevelopment project shall include a legal description of the area selected for the redevelopment project;

[(15)**] (16)** "Redevelopment project costs" include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable. Such costs include, but are not limited to, the following:

(a) Costs of studies, surveys, plans, and specifications;

(b) Professional service costs, including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services. Except the reasonable costs incurred by the commission established in section 99.820 for the administration of sections 99.800 to 99.865, such costs shall be allowed only as an initial expense which, to be recoverable, shall be included in the costs of a redevelopment plan or project;

(c) Property assembly costs, including, but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, and the clearing and grading of land;

(d) Costs of rehabilitation, reconstruction, or repair or remodeling of existing buildings and fixtures;

(e) Initial costs for an economic development area;

(f) Costs of construction of public works or improvements;

(g) Financing costs, including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include payment of interest on any obligations issued pursuant to sections 99.800 to 99.865 accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not more than eighteen months thereafter, and including reasonable reserves related thereto;

(h) All or a portion of a taxing district's capital costs **and, in the case of a redevelopment area that contains a disaster area, all or a portion of a taxing district's operating costs and its debt service costs** resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs;

(i) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or are required to be paid by federal or state law;

(j) Payments in lieu of taxes;

[(16)**] (17)** "Special allocation fund", the fund of a municipality or its commission which contains at least two separate segregated accounts for each redevelopment plan, maintained by the treasurer of the municipality or the treasurer of the commission into which payments in lieu of taxes are deposited in one account, and economic activity taxes and other revenues are deposited in the other account;

[(17)**] (18)** "Taxing districts", any political subdivision of this state having the power to levy taxes;

[(18)**] (19)** "Taxing districts' capital costs", those costs of taxing districts for capital improvements that are found by the municipal governing bodies to be necessary and to directly result from the redevelopment project; and

[(19)**] (20)** "Vacant land", any parcel or combination of parcels of real property not used for industrial, commercial, or residential buildings.

99.810. 1. Each redevelopment plan shall set forth in writing a general description of the program to be undertaken to accomplish the objectives and shall include, but need not be limited to, the estimated redevelopment project costs, the anticipated sources of funds to pay the costs, evidence of the commitments to finance the project costs, the anticipated type and term of the sources of funds to pay costs, the anticipated type and terms of the obligations to

be issued, the most recent equalized assessed valuation of the property within the redevelopment area which is to be subjected to payments in lieu of taxes and economic activity taxes pursuant to section 99.845, an estimate as to the equalized assessed valuation after redevelopment, and the general land uses to apply in the redevelopment area. No redevelopment plan shall be adopted by a municipality without findings that:

(1) The redevelopment area on the whole is**:**

(a) A blighted area, a conservation area, or an economic development area, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. Such a finding shall include, but not be limited to, a detailed description of the factors that qualify the redevelopment area or project pursuant to this subdivision and an affidavit, signed by the developer or developers and submitted with the redevelopment plan, attesting that the provisions of this subdivision have been met**; or**

(b) A blighted area in which a majority of the property is located within a disaster area;

(2) The redevelopment plan conforms to the comprehensive plan for the development of the municipality as a whole;

(3) The estimated dates, which shall not be more than twenty-three years from the adoption of the ordinance approving a redevelopment project within a redevelopment area, of completion of any redevelopment project and retirement of obligations incurred to finance redevelopment project costs have been stated, provided that no ordinance approving a redevelopment project shall be adopted later than ten years from the adoption of the ordinance approving the redevelopment plan under which such project is authorized and provided that no property for a redevelopment project shall be acquired by eminent domain later than five years from the adoption of the ordinance approving such redevelopment project;

(4) A plan has been developed for relocation assistance for businesses and residences;

(5) A cost-benefit analysis showing the economic impact of the plan on each taxing district which is at least partially within the boundaries of the redevelopment area. The analysis shall show the impact on the economy if the project is not built, and is built pursuant to the redevelopment plan under consideration. The cost-benefit analysis shall include a fiscal impact study on every affected political subdivision, and sufficient information from the developer for the commission established in section 99.820 to evaluate whether the project as proposed is financially feasible**, provided that, in the case of a redevelopment area that contains a disaster area, such information regarding financial feasibility may be provided by and attested to by the governing body of the municipality**;

(6) A finding that the plan does not include the initial development or redevelopment of any gambling establishment, provided however, that this subdivision shall be applicable only to a redevelopment plan adopted for a redevelopment area designated by ordinance after December 23, 1997.

2. By the last day of February each year, each commission shall report to the director of economic development the name, address, phone number and primary line of business of any business which relocates to the district. The director of the department of economic development shall compile and report the same to the governor, the speaker of the house and the president pro tempore of the senate on the last day of April each year.

99.835. 1. Obligations secured by the special allocation fund set forth in sections 99.845 and 99.850 for the redevelopment area or redevelopment project may be issued by the municipality pursuant to section 99.820 or by the tax increment financing commission to provide for redevelopment costs. Such obligations, when so issued, shall be retired in the manner provided in the ordinance or resolution authorizing the issuance of such obligations by the receipts of payments in lieu of taxes as specified in section 99.855 and, subject to annual appropriation, other tax revenue as specified in section 99.845. A municipality may, in the ordinance or resolution, pledge all or any part of the funds in and to be deposited in the special allocation fund created pursuant to sections 99.845 and 99.850 to the payment of the redevelopment costs and obligations. Any pledge of funds in the special allocation fund may provide for distribution to the taxing districts of moneys not required for payment of redevelopment costs or obligations and such excess funds shall be deemed to be surplus funds, except that any moneys allocated to the special allocation fund as provided in subsection 4 **or 15** of section 99.845, and which are not required for payment of redevelopment costs and obligations, shall not be distributed to the taxing districts but shall be returned to the department of economic development for credit to the general revenue fund. In the event a municipality only pledges a portion of the funds in the special allocation fund for the payment of redevelopment costs or obligations, any such funds remaining in the special allocation fund after complying with the requirements of the pledge, including the retention of funds for the payment of future redevelopment costs, if so required, shall also be deemed surplus funds. All surplus funds shall be distributed annually to the taxing districts in the redevelopment area by being paid by the municipal treasurer to the county collector who shall immediately thereafter make distribution as provided in subdivision (12) of section 99.820.

2. Without limiting the provisions of subsection 1 of this section, the municipality may, in addition to obligations secured by the special allocation fund, pledge any part or any combination of net new revenues of any redevelopment project, or a mortgage on part or all of the redevelopment project to secure its obligations or other redevelopment costs.

3. Obligations issued pursuant to sections 99.800 to 99.865 may be issued in one or more series bearing interest at such rate or rates as the issuing body of the municipality shall determine by ordinance or resolution. Such obligations shall bear such date or dates, mature at such time or times not exceeding twenty-three years from their respective dates, when secured by the special allocation fund, be in such denomination, carry such registration privileges, be executed in such manner, be payable in such medium of payment at such place or places, contain such covenants, terms and conditions, and be subject to redemption as such ordinance or resolution shall provide. Obligations issued pursuant to sections 99.800 to 99.865 may be sold at public or private sale at such price as shall be determined by the issuing body and shall state that obligations issued pursuant to sections 99.800 to 99.865 are special obligations payable solely from the special allocation fund or other funds specifically pledged. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to sections 99.800 to 99.865.

4. The ordinance authorizing the issuance of obligations may provide that the obligations shall contain a recital that they are issued pursuant to sections 99.800 to 99.865, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

5. Neither the municipality, its duly authorized commission, the commissioners or the officers of a municipality nor any person executing any obligation shall be personally liable for such obligation by reason of the issuance thereof. The obligations issued pursuant to sections 99.800 to 99.865 shall not be a general obligation of the municipality, county, state of Missouri, or any political subdivision thereof, nor in any event shall such obligation be payable out of any funds or properties other than those specifically pledged as security therefor. The obligations shall not constitute indebtedness within the meaning of any constitutional, statutory or charter debt limitation or restriction."; and

Further amend said bill, Page 13, Section 99.845, Line 290, by inserting after all of said line, the following:

"**15. Beginning August 28, 2012, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 15 to 23 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2, and 3 of this section, the following revenues may be available for appropriation by the general assembly as provided in subsection 21 of this section to the Missouri supplemental disaster recovery fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects:**

(1) Up to fifty percent of the state disaster recovery revenues, as defined in subsection 19 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 21 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect; and

This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

18. In order for the redevelopment plan or project to be eligible to receive the revenues described in subsection 15 of this section, the municipality shall comply with the requirements of subsection 21 of this section prior to the time the project or plan is adopted or approved by ordinance. 22. There is hereby established within the state treasury a special fund to be known as the "Missouri Supplemental Disaster Recovery Fund", to be administered by the department of economic development. The department of economic development shall create a separate subaccount of the Missouri supplemental disaster recovery fund for each redevelopment project approved under subsections 15 to 21 of this section, into which the state disaster recovery revenues attributable to each such redevelopment project and any additional state revenues shall be deposited at least annually. 23. Notwithstanding anything to the contrary in subsections 15 to 22 of this section, the department of economic development may request an appropriation for any given fiscal year of additional state revenues from the general fund to a particular subaccount of the Missouri supplemental disaster recovery fund in excess of the amount of state disaster recovery revenues estimated to be generated within the applicable redevelopment project in the calendar year immediately preceding such fiscal year, so long as the total amount of appropriations to such subaccount of the Missouri supplemental disaster recovery fund does not exceed the maximum amount provided for in the certificate of approval issued pursuant to subsection 21 of this section.

24. Redevelopment project costs may include, at the prerogative of the state, the portion of salaries and expenses of the department of economic development and the department of revenue reasonably allocable to each redevelopment project approved for disbursements from the Missouri supplemental disaster recovery fund for the ongoing administrative functions associated with such redevelopment project. Such amounts shall be recovered from state disaster recovery revenues deposited into the Missouri supplemental disaster recovery fund created under this section.

The purpose of the hearing shall be to determine if the redevelopment project is making satisfactory progress under the proposed time schedule contained within the approved plans for completion of such projects. In addition to such charge, the sheriff shall be entitled to receive for each mile actually traveled in serving any summons, writ, subpoena or other order of court the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile, provided that such mileage shall not be charged for more than one subpoena or summons or other writ served in the same cause on the same trip. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to this section shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of said charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

2. The sheriff shall receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his agent or attorney. The party at whose application any writ, execution, subpoena or other process has issued from the court shall pay the sheriff's costs for the removal, transportation, storage, safekeeping and support of any property to be seized pursuant to legal process before such seizure. The sheriff shall be allowed for each mile, going and returning from the courthouse of the county in which he resides to the place where the court is held, the rate prescribed by the Internal Revenue Service

for all allowable expenses for motor vehicle use expressed as an amount per mile. The provisions of this subsection shall not apply to garnishment proceeds.

3. The sheriff upon the receipt of the charge herein provided for shall pay into the treasury of the county any and all charges received pursuant to the provisions of this section**[**; however, in any county, any funds, not to exceed fifty thousand dollars in any calendar year, other than as a result of regular budget allocations or land sale proceeds, coming into the possession of the sheriff's office, such as from the sale of recovered evidence**]. The funds collected pursuant to this section, not to exceed fifty thousand dollars in any calendar year**, shall be held in a fund established by the county treasurer, which may be expended at the discretion of the sheriff for the furtherance of the sheriff's set duties. Any such funds in excess of fifty thousand dollars**[**, other than regular budget allocations or land sale proceeds,**] in any calendar year** shall be placed to the credit of the general revenue fund of the county. Moneys in the fund shall be used only for the procurement of services and equipment to support the operation of the sheriff's office. Moneys in the fund established pursuant to this subsection shall not lapse to the county general revenue fund at the end of any county budget or fiscal year.

4. Notwithstanding the provisions of subsection 3 of this section to the contrary, the sheriff shall receive ten dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of this section, in addition to the charge for such service that each sheriff receives under subsection 1 of this section. The money received by the sheriff under this subsection shall be paid into the county treasury and the county treasurer shall make such money payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278."; and

County and the cities within the County for local park improvements?

☐ YES ☐ NO"

67.5010. If a majority of the votes cast by the qualified voters voting on the question submitted pursuant to section 67.5008 voted YES, then that district shall be deemed created. However, if a majority of the qualified voters cast NO votes, that district shall not be deemed created unless and until another question of whether to authorize the creation of a district and impose the one-tenth of one cent local sales tax is submitted to the qualified voters of that county and that question is approved by a majority of the qualified voters voting thereon.

67.5012. The governing body of any county located within a district established pursuant to sections 67.5000 to 67.5038 is authorized to impose by order, ordinance, or otherwise a one-tenth of one cent local sales tax on all retail sales subject to taxation pursuant to sections 144.010 to 144.525 for the purpose of funding activities that are consistent with the powers and duties of a district, as set forth in section 67.5006. Up to five percent of the amount deposited in that parks, trails, and greenways fund shall be used for grants to local public agencies to be used for activities that are consistent with the district's powers and duties as set forth in section 67.5006. Costs for office and project administration may be up to, but shall not exceed, fifteen percent of the amount deposited in a district fund pursuant to this subdivision;

Any county levying a local sales tax under the authority of sections 67.5000 to 67.5038 shall not administer or collect the tax locally, but shall utilize the services of the state department of revenue to administer, enforce, and collect the tax. The sales tax shall be administered, enforced, and collected in the same manner and by the same procedure as other local sales taxes are levied and collected and shall be in addition to any other sales tax authorized by law. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed pursuant to this section.

2. Upon receipt of a certified copy of a resolution from the county authorizing the levy of a local sales tax, which resolution shall state the name of the district in which that county is included, the director of the department of revenue shall cause this tax to be collected at the same time and in the same manner provided for the collection of the state sales tax. All moneys derived from this local sales tax imposed under the authority of sections 67.5000 to 67.5038 and collected under the provisions of this section by the director of revenue shall be credited to a fund established for the district, which is hereby established in the state treasury, under the name of that district, as established. Any refund due on any local sales tax collected pursuant to section 67.5000 to 67.5038 shall be paid out of the sales tax refund fund and reimbursed by the director of revenue from the sales tax revenue collected under this section. All local sales tax revenue derived from the authority granted by sections 67.5000 to 67.5038 and collected from within any county, under this section, shall be remitted at least quarterly by the director of revenue to the district established by sections 67.5000 to 67.5038, the source county included in the district and the cities in that county, in the percentages set forth in section 67.5014.

67.5018. 1. The treasurer of the board of each district created shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of each district created by sections 67.5000 to 67.5038 shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be approved by the board of each district created. Upon board approval, the report shall be available for inspection.

2. The accounts of the district shall be open at any reasonable time for inspection by duly authorized representatives of the county and cities included within the jurisdictional boundaries of that district.

3. Annually, no later than one hundred twenty days after the close of each district's fiscal year, the board of each district created by sections 67.5000 to 67.5038 shall cause to be prepared a report on the operations and transactions conducted by that district during the preceding year. The report shall be an open record and shall be submitted to the governing bodies of each city and county within the jurisdictional boundaries of that district commencing the year following the year in which the district is created. The board of each district shall take those actions as are reasonably required to make this report readily available to the public.

The mayor of the largest city in that county shall appoint two persons from the residents of that city in that county, and the mayors of the next five most populous cities in the county shall, on a rotating basis and in accordance with subsection 2 of this section, appoint four persons from the residents of those respective cities in that county to serve on the board.

2. The mayors of the second through sixth most populous cities in that county, as determined by the most recent decennial census, shall appoint the board members from the residents of those cities in the county by December 15 of each year. Representation on the board from these second through sixth most populous cities shall be on a rotating basis, as follows. In the initial year:

In the second year, the sixth most populous city shall be represented on the board, and the member shall serve for a term of four years. In that second year, the second most populous city shall have no representation on the board. Membership on the board shall rotate in this manner every year thereafter, with each of the second through sixth most populous cities not being represented on the board, in this alternating basis, one of every succeeding four years.

3. The board members appointed to a district shall hold office for four-year terms; provided that, initial terms of the representative of the second through the sixth most populous cities in the county shall be of the staggered lengths as set forth in subsection 2 of this section. On the expiration of the initial terms of appointment and on the expiration of any subsequent term, the resulting vacancies shall be filled by the chief elected official of each of the represented cities and the county. All vacancies on the board shall be filled in the same manner for the duration of the term being filled. Board members shall serve until their successors are named and the successors have commenced their terms as board members. Board members shall be eligible for reappointment.

4. The chief elected official of each city or county that has membership on the board of a district may replace a board member representing that elected official's city or county at any time, in that elected official's sole discretion. Upon this removal, the chief elected official shall appoint another individual to represent that city or county on the board of directors of the district.

67.5024. Promptly after their appointment, the initial board members of a district created pursuant to sections 67.5000 to 67.5038 shall hold an organizational meeting at which they shall elect a president, secretary, treasurer, and any other officers from among their number as they may deem necessary. The members shall make and adopt bylaws, rules, and regulations for their guidance, as may be expedient and not inconsistent with sections 67.5000 to 67.5038.

67.5026. Board members shall be citizens of the United States and shall reside within the county or city, as the case may be, from which they are appointed. No board member shall receive compensation for performance of duties as a board member. No board member shall be financially interested directly or indirectly in any contract entered into pursuant to sections 67.5000 to 67.5038.

67.5028. When a public highway, street, or road extends into or through a public trail, trail area, greenway, or park area of a district, or when a public highway, street, or road forms all or part of a suitable connection between two or more public trails, trail areas, or park areas within a district, and it is advisable by the board to make alterations in the route or width of the highway or to grade, drain, pave, or otherwise improve the highway, the board may enter into agreements, consistent with the purposes of that district, with the public authorities in control of the portion of the highway, street, or road that lies within any, or forms any part of, a connecting link to and between any, public trail, trail area, or park area of a district. Any agreement with any such public authority shall follow the procedure authorized by law for dealing with that authority, and any agreement shall provide for the payment by the board of an agreed-upon portion of the costs of that agreement. This section shall not alter the legal status of that highway, street, or road in any way.

67.5030. No district created pursuant to sections 67.5000 to 67.5038 shall be authorized to exercise the power of eminent domain.

67.5032. 1. Bonds of a district authorized by sections 67.5000 to 67.5038 shall be issued pursuant to a resolution adopted by the board of directors of that district, which resolution shall set out the estimated cost to that district of the proposed improvements, and shall further set out the amount of bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment, and all other details in connection with those bonds. These bonds may be subject to provision for redemption prior to maturity, with or without premium, and at the times and upon the conditions as may be provided by the resolution.

2. Notwithstanding the provisions of section 108.170, these bonds shall bear interest at rate or rates determined by the issuing district and shall mature within a period not exceeding twenty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount of the bonds to be issued.

Bonds issued by a district shall possess all of the qualities of negotiable instruments pursuant to the laws of this state.

3. These bonds may be payable to bearer, may be registered or coupon bonds and, if payable to bearer, may contain any registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing those bonds, which resolution may also provide for the exchange of registered and coupon bonds. These bonds and any coupons attached thereto shall be signed in the manner and by the officers of the district as may be provided by the resolution authorizing the bonds. A district may provide for the replacement of any bond that has become mutilated, destroyed, or lost.

4. Bonds issued by a district shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the issuing district's parks, trails, and greenways fund, including revenues derived from local sales taxes and any other monies held by that district. Neither the board members nor any person executing the bonds shall be personally liable on those bonds by reason of the issuance of those bonds. Bonds issued pursuant to this section or section 67.5034 shall not constitute a debt, liability or obligation of this state, or any political subdivision of this state, nor shall any of these obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the issuing district. The issuance of bonds pursuant to this section or section 67.5034 shall not directly, indirectly or contingently obligate this state or any political subdivision of this state, other than the district issuing the bonds, to levy any form of taxation for those bonds or to make any appropriation for their payment. Each obligation or bond issued pursuant to this section or section 67.5034 shall contain, on its face, a statement to the effect that the issuing district shall not be obligated to pay those bonds nor the interest on those bonds, except from the revenues received by the issuing district or assets of that district lawfully pledged for that district, and that neither the good faith and credit nor the taxing power of this state or of any political subdivision of this state, other than the issuing district, is pledged to the payment of the principal of or the interest on that obligation or bond. The proceeds of these bonds shall be disbursed in the manner and pursuant to the restrictions the district may provide in the resolution authorizing the issuance of those bonds.

A district may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of any bonds of a district then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities to be acquired, leased or subleased by that district, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest on those bonds to the date of that refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The board shall provide for the payment of interest and principal of any refunding bonds in the same manner as was provided for the payment of interest and principal of the bonds refunded.

2. In the event that any of the board members or officers of a district whose signatures appear on any bonds or coupons shall cease to be on the board or cease to be an officer before the delivery of those bonds, those signatures shall remain valid and sufficient for all purposes, the same as if that board member or officer had remained in office until the delivery of those bonds.

67.5036. Each district is hereby declared to be performing a public function and bonds of a district are declared to be issued for an essential public and governmental purpose and, accordingly, interest on those bonds and income from those bonds shall be exempt from income taxation by this state.

67.5038. All purchases by a district in excess of ten thousand dollars used in the construction or maintenance of any public recreational facility, trail, park, or greenway in that district shall be made pursuant to the lowest and best bid standard as provided in section 34.040 or pursuant to the lowest and best proposal standard as provided in section 34.042. The board of any district shall have the same discretion, powers and duties as granted to the commissioner of administration by sections 34.040 and 34.042."; and

The governing body of any county located within a district established pursuant to sections 67.5000 to 67.5038 is authorized to impose by order, ordinance, or otherwise a one-tenth of one cent local sales tax on all retail sales subject to taxation pursuant to sections 144.010 to 144.525 for the purpose of funding activities that are consistent with the powers and duties of a district, as set forth in section 67.5006. The tax authorized by this section shall be in addition to all other sales taxes allowed by law. The provisions of sections 32.085 and 32.087 shall apply to each local sales tax approved pursuant to sections 67.5000 to 67.5038. The question of whether to continue to impose the one-tenth of one cent local sales tax authorized under this section shall be submitted to the voters of the county every twelve years after the voters of that county approve the initial imposition of the tax.

67.5014. The local sales tax authorized in section 67.5012 shall be collected and allocated in the district as follows:

(1) Forty-five percent of the local sales taxes collected as described in section 67.5012 shall be deposited by the department of revenue in the parks, trails, and greenways district fund to be administered by the board of directors of that district to pay costs associated with the planning, development, supervision, improvement, maintenance, and custody of an interconnecting system of public parks, trails, open space, greenways, and recreational facilities within the boundaries of that district. Up to five percent of the amount deposited in that parks, trails, and greenways fund shall be used for grants to local public agencies to be used for activities that are consistent with the district's powers and duties as set forth in section 67.5006. Costs for office and project administration may be up to, but shall not exceed, fifteen percent of the amount deposited in a district fund pursuant to this subdivision;

(2) Fifteen percent of the local sales taxes collected as described in section 67.5012 shall be distributed by the department of revenue to the county to be used for planning, development, supervision, improvement, maintenance, and custody of public parks, trails, open spaces, greenways, and recreational facilities within the boundaries of a district; and

(3) Forty percent of the local sales taxes collected as described in section 67.5012 shall be distributed by the department of revenue to each of the cities in that county, in proportion to each city's relative local sales tax contribution, to be used for planning, development, supervision, improvement, maintenance, and custody of public parks, trails, open spaces, greenways, and recreational facilities within the boundaries of a district.

67.5016. 1. Any county levying a local sales tax under the authority of sections 67.5000 to 67.5038 shall not administer or collect the tax locally, but shall utilize the services of the state department of revenue to administer, enforce, and collect the tax. The sales tax shall be administered, enforced, and collected in the same manner and by the same procedure as other local sales taxes are levied and collected and shall be in addition to any other sales tax authorized by law. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed pursuant to this section.

2. Upon receipt of a certified copy of a resolution from the county authorizing the levy of a local sales tax, which resolution shall state the name of the district in which that county is included, the director of the department of revenue shall cause this tax to be collected at the same time and in the same manner provided for

the collection of the state sales tax. All moneys derived from this local sales tax imposed under the authority of sections 67.5000 to 67.5038 and collected under the provisions of this section by the director of revenue shall be credited to a fund established for the district, which is hereby established in the state treasury, under the name of that district, as established. Any refund due on any local sales tax collected pursuant to section 67.5000 to 67.5038 shall be paid out of the sales tax refund fund and reimbursed by the director of revenue from the sales tax revenue collected under this section. All local sales tax revenue derived from the authority granted by sections 67.5000 to 67.5038 and collected from within any county, under this section, shall be remitted at least quarterly by the director of revenue to the district established by sections 67.5000 to 67.5038, the source county included in the district and the cities in that county, in the percentages set forth in section 67.5014.

67.5018. 1. The treasurer of the board of each district created shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of each district created by sections 67.5000 to 67.5038 shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be approved by the board of each district created. Upon board approval, the report shall be available for inspection.

2. The accounts of the district shall be open at any reasonable time for inspection by duly authorized representatives of the county and cities included within the jurisdictional boundaries of that district.

3. Annually, no later than one hundred twenty days after the close of each district's fiscal year, the board of each district created by sections 67.5000 to 67.5038 shall cause to be prepared a report on the operations and transactions conducted by that district during the preceding year. The report shall be an open record and shall be submitted to the governing bodies of each city and county within the jurisdictional boundaries of that district commencing the year following the year in which the district is created. The board of each district shall take those actions as are reasonably required to make this report readily available to the public.

67.5020. Notwithstanding the provisions of section 99.845 to the contrary, the revenues from the local sales taxes imposed under the authority set forth in section 67.5012 shall not be allocated to and paid by the state department of revenue to any special allocation fund established by any municipality under sections 99.800 to 99.865.

67.5022. 1. When a district is created pursuant to sections 67.5000 to 67.5038, the district shall be governed by a board of directors. The presiding commissioner or elected county executive of the county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants shall appoint one member of the district's board of directors chosen from the residents of that county. The mayor of the largest city in that county shall appoint two persons from the residents of that city in that county, and the mayors of the next five most populous cities in the county shall, on a rotating basis and in accordance with subsection 2 of this section, appoint four persons from the residents of those respective cities in that county to serve on the board.

2. The mayors of the second through sixth most populous cities in that county, as determined by the most recent decennial census, shall appoint the board members from the residents of those cities in the county by December 15 of each year. Representation on the board from these second through sixth most populous cities shall be on a rotating basis, as follows. In the initial year:

(1) The second most populous city shall be represented on the board, and that member shall serve for a term of one year;

(2) The third most populous city shall be represented on the board, and that member shall serve for a term of two years;

(3) The fourth most populous city shall be represented on the board, and that member shall serve for a term of three years;

(4) The fifth most populous city shall be represented on the board, and that member shall serve for a term of four years; and

(5) The sixth most populous city shall not be represented on the board.

In the second year, the sixth most populous city shall be represented on the board, and the member shall serve for a term of four years. In that second year, the second most populous city shall have no representation on the board. Membership on the board shall rotate in this manner every year thereafter, with each of the second through sixth most populous cities not being represented on the board, in this alternating basis, one of every succeeding four years.

3. The board members appointed to a district shall hold office for four-year terms; provided that, initial terms of the representative of the second through the sixth most populous cities in the county shall be of the

staggered lengths as set forth in subsection 2 of this section. On the expiration of the initial terms of appointment and on the expiration of any subsequent term, the resulting vacancies shall be filled by the chief elected official of each of the represented cities and the county. All vacancies on the board shall be filled in the same manner for the duration of the term being filled. Board members shall serve until their successors are named and the successors have commenced their terms as board members. Board members shall be eligible for reappointment.

4. The chief elected official of each city or county that has membership on the board of a district may replace a board member representing that elected official's city or county at any time, in that elected official's sole discretion. Upon this removal, the chief elected official shall appoint another individual to represent that city or county on the board of directors of the district.

67.5024. Promptly after their appointment, the initial board members of a district created pursuant to sections 67.5000 to 67.5038 shall hold an organizational meeting at which they shall elect a president, secretary, treasurer, and any other officers from among their number as they may deem necessary. The members shall make and adopt bylaws, rules, and regulations for their guidance, as may be expedient and not inconsistent with sections 67.5000 to 67.5038.

67.5026. Board members shall be citizens of the United States and shall reside within the county or city, as the case may be, from which they are appointed. No board member shall receive compensation for performance of duties as a board member. No board member shall be financially interested directly or indirectly in any contract entered into pursuant to sections 67.5000 to 67.5038.

67.5028. When a public highway, street, or road extends into or through a public trail, trail area, greenway, or park area of a district, or when a public highway, street, or road forms all or part of a suitable connection between two or more public trails, trail areas, or park areas within a district, and it is advisable by the board to make alterations in the route or width of the highway or to grade, drain, pave, or otherwise improve the highway, the board may enter into agreements, consistent with the purposes of that district, with the public authorities in control of the portion of the highway, street, or road that lies within any, or forms any part of, a connecting link to and between any, public trail, trail area, or park area of a district. Any agreement with any such public authority shall follow the procedure authorized by law for dealing with that authority, and any agreement shall provide for the payment by the board of an agreed-upon portion of the costs of that agreement. This section shall not alter the legal status of that highway, street, or road in any way.

67.5030. No district created pursuant to sections 67.5000 to 67.5038 shall be authorized to exercise the power of eminent domain.

67.5032. 1. Bonds of a district authorized by sections 67.5000 to 67.5038 shall be issued pursuant to a resolution adopted by the board of directors of that district, which resolution shall set out the estimated cost to that district of the proposed improvements, and shall further set out the amount of bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment, and all other details in connection with those bonds. These bonds may be subject to provision for redemption prior to maturity, with or without premium, and at the times and upon the conditions as may be provided by the resolution.

2. Notwithstanding the provisions of section 108.170, these bonds shall bear interest at rate or rates determined by the issuing district and shall mature within a period not exceeding twenty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount of the bonds to be issued. Bonds issued by a district shall possess all of the qualities of negotiable instruments pursuant to the laws of this state.

3. These bonds may be payable to bearer, may be registered or coupon bonds and, if payable to bearer, may contain any registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing those bonds, which resolution may also provide for the exchange of registered and coupon bonds. These bonds and any coupons attached thereto shall be signed in the manner and by the officers of the district as may be provided by the resolution authorizing the bonds. A district may provide for the replacement of any bond that has become mutilated, destroyed, or lost.

4. Bonds issued by a district shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the issuing district's parks, trails, and greenways fund, including revenues derived from local sales taxes and any other monies held by that district. Neither the board members nor any person executing

the bonds shall be personally liable on those bonds by reason of the issuance of those bonds. Bonds issued pursuant to this section or section 67.5034 shall not constitute a debt, liability or obligation of this state, or any political subdivision of this state, nor shall any of these obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the issuing district. The issuance of bonds pursuant to this section or section 67.5034 shall not directly, indirectly or contingently obligate this state or any political subdivision of this state, other than the district issuing the bonds, to levy any form of taxation for those bonds or to make any appropriation for their payment. Each obligation or bond issued pursuant to this section or section 67.5034 shall contain, on its face, a statement to the effect that the issuing district shall not be obligated to pay those bonds nor the interest on those bonds, except from the revenues received by the issuing district or assets of that district lawfully pledged for that district, and that neither the good faith and credit nor the taxing power of this state or of any political subdivision of this state, other than the issuing district, is pledged to the payment of the principal of or the interest on that obligation or bond. The proceeds of these bonds shall be disbursed in the manner and pursuant to the restrictions the district may provide in the resolution authorizing the issuance of those bonds.

67.5034. 1. A district may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of any bonds of a district then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities to be acquired, leased or subleased by that district, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest on those bonds to the date of that refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The board shall provide for the payment of interest and principal of any refunding bonds in the same manner as was provided for the payment of interest and principal of the bonds refunded.

2. In the event that any of the board members or officers of a district whose signatures appear on any bonds or coupons shall cease to be on the board or cease to be an officer before the delivery of those bonds, those signatures shall remain valid and sufficient for all purposes, the same as if that board member or officer had remained in office until the delivery of those bonds.

67.5036. Each district is hereby declared to be performing a public function and bonds of a district are declared to be issued for an essential public and governmental purpose and, accordingly, interest on those bonds and income from those bonds shall be exempt from income taxation by this state.

67.5038. All purchases by a district in excess of ten thousand dollars used in the construction or maintenance of any public recreational facility, trail, park, or greenway in that district shall be made pursuant to the lowest and best bid standard as provided in section 34.040 or pursuant to the lowest and best proposal standard as provided in section 34.042. The board of any district shall have the same discretion, powers and duties as granted to the commissioner of administration by sections 34.040 and 34.042."; and

House Amendment No. 10

AMEND House Committee Substitute for Senate Bill No. 668, Page 19, Section 143.115, Line 52, by inserting after all of said section and line the following:

"190.335. 1. In lieu of the tax levy authorized under section 190.305 for emergency telephone services, the county commission of any county may impose a county sales tax for the provision of central dispatching of fire protection, including law enforcement agencies, emergency ambulance service or any other emergency services, including emergency telephone services, which shall be collectively referred to herein as "emergency services", and which may also include the purchase and maintenance of communications and emergency equipment, including the operational costs associated therein, in accordance with the provisions of this section.

2. Such county commission may, by a majority vote of its members, submit to the voters of the county, at a public election, a proposal to authorize the county commission to impose a tax under the provisions of this section. If the residents of the county present a petition signed by a number of residents equal to ten percent of those in the county who voted in the most recent gubernatorial election, then the commission shall submit such a proposal to the voters of the county.

3. The ballot of submission shall be in substantially the following form:

Shall the county of ..... (insert name of county) impose a county sales tax of ..... (insert rate of percent) percent for the purpose of providing central dispatching of fire protection, emergency ambulance service, including emergency telephone services, and other emergency services?

☐ YES ☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance shall be in effect as provided herein. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the county commission shall have no power to impose the tax authorized by this section unless and until the county commission shall again have submitted another proposal to authorize the county commission to impose the tax under the provisions of this section, and such proposal is approved by a majority of the qualified voters voting thereon.

4. The sales tax may be imposed at a rate not to exceed one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525. The sales tax shall not be collected prior to thirty-six months before operation of the central dispatching of emergency services.

5. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

6. Any tax imposed pursuant to section 190.305 shall terminate at the end of the tax year in which the tax imposed pursuant to this section for emergency services is certified by the board to be fully operational. Any revenues collected from the tax authorized under section 190.305 shall be credited for the purposes for which they were intended.

7. At least once each calendar year, the board shall establish a tax rate, not to exceed the amount authorized, that together with any surplus revenues carried forward will produce sufficient revenues to fund the expenditures authorized by this act. Amounts collected in excess of that necessary within a given year shall be carried forward to subsequent years. The board shall make its determination of such tax rate each year no later than September first and shall fix the new rate which shall be collected as provided in this act. Immediately upon making its determination and fixing the rate, the board shall publish in its minutes the new rate, and it shall notify every retailer by mail of the new rate.

8. Immediately upon the affirmative vote of voters of such a county on the ballot proposal to establish a county sales tax pursuant to the provisions of this section, the county commission shall appoint the initial members of a board to administer the funds and oversee the provision of emergency services in the county. Beginning with the general election in 1994, all board members shall be elected according to this section and other applicable laws of this state. At the time of the appointment of the initial members of the board, the commission shall relinquish and no longer exercise the duties prescribed in this chapter with regard to the provision of emergency services and such duties shall be exercised by the board.

9. The initial board shall consist of seven members appointed without regard to political affiliation, who shall be selected from, and who shall represent, the fire protection districts, ambulance districts, sheriff's department, municipalities, any other emergency services and the general public. This initial board shall serve until its successor board is duly elected and installed in office. The commission shall ensure geographic representation of the county by appointing no more than four members from each district of the county commission.

10. Beginning in 1994, three members shall be elected from each district of the county commission and one member shall be elected at large, such member to be the chairman of the board. Of those first elected, four members from districts of the county commission shall be elected for terms of two years and two members from districts of the county commission and the member at large shall be elected for terms of four years. In 1996, and thereafter, all terms of office shall be four years.

11. Notwithstanding the provisions of subsections 8 to 10 of this section to the contrary, in any county of the first classification with more than two hundred forty thousand three hundred but fewer than two hundred forty thousand four hundred inhabitants, any emergency telephone service 911 board appointed by the county under section 190.309 which is in existence on the date the voters approve a sales tax under this section shall continue to exist and shall have the powers set forth under section 190.339.

12.
